Esperanza Ortega lives in a beautiful home filled with servants and the promise of one day presiding over all of Rancho de las Rosas. But tragedy shatters that dream, forcing Esperanza and Mama to flee from Mexico to California and settle in a farm labor camp. *Esperanza Rising* Laurel Leaf

Esperanza Rising joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! Esperanza thought she'd always live a privileged life on her family's ranch in Mexico. She'd always have fancy dresses, a beautiful home filled with servants, and Mama, Papa, and Abuelita to care for her. But a sudden tragedy forces Esperanza and Mama to flee

to California and settle in a Mexican farm labor camp. Esperanza isn't ready for the hard work, financial struggles brought on by the Great Depression, or lack of acceptance she now faces. When Mama gets sick and a strike for better working conditions threatens to uproot their new life, Esperanza must find a way to rise above her difficult circumstances -because Mama's life, and her own,

depend on it. Esperanza Renace Scholastic Inc. Experience the hardships of starting over during the Great Depression. The activities act as a great jumping-off point for teaching in a student-guided manner. Students put themselves in Esperanza's shoes and describe her changing viewpoints as she becomes exposed to the lives of those poorer than she once was. Determine

whether a strike will cause conflict later in the story based on what is already known. Put events in order as they happen immediately following the death of Esperanza's father. Make predictions on the outcome of Esperanza's attempts to get a job. Compare the mythological story of the phoenix to that of Esperanza. Compare the different settings of the book, from Esperanza's

home in Mexico to the work camps in California. Aligned to your State Standards, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: Esperanza Rising tells the story of a young girl who's world gets turned upside-down, and must flee to America to start a new life. Esperanza Ortega grew up in luxury on her father's ranch in

Mexico. She had servants, nice clothes and lavish parties. Her sheltered life comes crashing down when her father is killed by renegades while tending to a broken fence on his property. Their home is left to Esperanza and her mother, but the land is left to her father's stepbrothers. After their home is burned down, Esperanza, her mother and a few loyal servants flee to America to

start better lives. Unfortunately for them, it's the Great Depression and their new lives won't be so great. Esperanza is immediately flung into poverty and struggles to adjust. When they make it to the States, Esperanza falls into a deep depression. When her mother becomes sick, Esperanza must grow up and learn to appreciate what she has. This riches-to-rags story shows that it's

not what you possess that bring you happiness, but the people you share it with.
