Wild Things!
Acts of Mischief in Children's Literature
Simon and Schuster
Just right for

fans of Tamora Pierce and Patricia C. Wrede! When twelve-year-old Lady Lilah decides to disguise herself and sneak out of the palace one night, she has more of an adventure than she expected--for she learns very quickly that the country is on the edge of revolution. When she sneaks back in, she learns something even more surprising: her

<p>older brother Peitar is one of the forces behind it all. The revolution happens before all of his plans are in place, and brings unexpected chaos and violence. Lilah and her friends, leaving their old lives behind, are determined to help however they can. But what can four kids do? Become spies, of course! <i>Two Masters of Disguise</i> <i>Reveal the Tools and Operations that Helped Win the Cold</i></p>	<p><i>War</i> Turtleback The second novel by Donna Tartt, bestselling author of <i>The Goldfinch</i> (winner of the 2014 Pulitzer Prize), <i>The Little Friend</i> is a grandly ambitious and utterly riveting novel of childhood, innocence and evil. The setting is Alexandria, Mississippi, where one Mother's Day a little boy named Robin Cleve Dufresnes was found hanging from a tree in his parents' yard. Twelve</p>	<p>years later Robin's murder is still unsolved and his family remains devastated. So it is that Robin's sister Harriet—unusually bright, insufferably determined, and unduly influenced by the fiction of Kipling and Robert Louis Stevenson--sets out to unmask his killer. Aided only by her worshipful friend Hely, Harriet crosses her town's rigid lines of race and caste and burrows deep into her</p>

family's history of loss. Filled with hairpin turns of plot and "a bustling, ridiculous humanity worthy of Dickens" (The New York Times Book Review), <i>The Little Friend</i> is a work of myriad enchantments by a writer of prodigious talent.	Cammie McGovern presents a heartwarming and humorous middle grade novel about the remarkable bond that forms between an aspiring service dog and an autistic boy in need of a friend. "Joyful, inspiring, and completely winning, Chester and Gus is unforgettable," proclaimed Katherine Applegate, #1 New York Times bestselling author of the Newbery	Medal winner <i>The One and Only Ivan</i> . Chester has always wanted to become a service dog. When he fails his certification test, though, it seems like that dream will never come true—until a family adopts him. They want him to be a companion for their ten-year-old son, Gus, who has autism. But Gus acts so differently than anyone Chester has ever met. He never wants
---	--	---

to pet Chester, and sometimes he doesn't even want Chester in the room. Chester's not sure how to help Gus since this isn't exactly the job he trained for—but he's determined to figure it out. Because after all, Gus is now his person. In the spirit of beloved classics like *Winn-Dixie*, *Shiloh*, and *Old Yeller*, Cammie McGovern's heartfelt novel—told from Chester's point of view—explore

s the extraordinary friendship between a child and a dog with a poignant and modern twist. **(Newbery Medal Winner)** Little, Brown Books for Young Readers Jake is determined to win the third grade science fair not only for the grand prize, but to beat the annoying class know-it-alls, as well. [Thread that Runs So True](#) [ReadHowYouWant.com](#) Call me naïve, but when I

was a girl-watching James Bond and devouring Harriet the Spy—all I wanted was to grow up to be a spy. Unlike most kids, I didn't lose my secret-agent aspirations. So as a bright-eyed, idealistic college grad, I sent my resume to the CIA. Getting in was a story in itself. I peed in more cups than you could imagine, and was nearly condemned as a sexual deviant by the staff psychologist.

My roommates were getting freaked out by government investigators lurking around, asking questions about my past. Finally, the CIA was training me to crash cars into barriers at 60 mph. Jump out of airplanes with cargo attached to my body. Survive interrogation, travel in alias, lose a tail. One thing they didn't teach us was how to date a guy while lying to him about what you do for a

living. That I had to figure out for myself. Then I was posted overseas. And that's when the real fun began. *If Stones Could Speak* Penguin Secret lives, scandalous turns, and some very funny surprises — these essays by leading kids' lit bloggers take us behind the scenes of many much-loved children's books. Told in lively and affectionate prose, this treasure trove

of information for a student, librarian, parent, or anyone wondering about the post-Harry Potter children's book biz brings contemporary illumination to the warm-and-fuzzy bunny world we think we know. **Freedom Train** Candlewick Press When a long-forgotten scent forces Stephen Wheatley to confront his past, he starts to remember a troubling childhood

summer in wartime London where an imaginative child's game of playing spies wreaked havoc upon innocent lives.

When her married nanny returns to take care of her while her parents are away in France, Harriet hears something curious that makes her think Ole Golly is in some sort of trouble.

Ban This Book Penguin Doris

Lessing's contemporary gothic horror story—centered on the birth of a baby who seems less than human—probes society's unwillingness to recognize its own brutality. Harriet and David Lovatt, parents of four children, have created an idyll of domestic bliss in defiance of the social trends of late 1960s England. While around them crime and unrest surge, the Lovatts are certain that

their old-fashioned contentment can protect them from the world outside—until the birth of their fifth baby.

Gruesomely goblin-like in appearance, insatiably hungry, abnormally strong and violent, Ben has nothing innocent or infant-like about him. As he grows older and more terrifying, Harriet finds she cannot love him, David cannot bring himself to touch him, and their four

older children are afraid of him. Understanding that he will never be accepted anywhere, Harriet and David are torn between their instincts as parents and their shocked reaction to this fierce and unlovable child whose existence shatters their belief in a benign world. *The Little Friend* Delacorte Press "Like A Wrinkle in Time (Miranda's favorite book), When You

Reach Me far surpasses the usual whodunit or sci-fi adventure to become an incandescent exploration of 'life, death, and the beauty of it all.'" —The Washington Post This Newbery Medal winner that has been called "smart and mesmerizing," (The New York Times) and "superb" (The Wall Street Journal) will appeal to readers of all types, especially those who are looking for a

thought-provoking mystery with a mind-blowing twist. Shortly after a fall-out with her best friend, sixth grader Miranda starts receiving mysterious notes, and she doesn't know what to do. The notes tell her that she must write a letter—a true story, and that she can't share her mission with anyone. It would be easy to ignore the strange messages, except that whoever is leaving them

has an uncanny ability to predict the future. If that is the case, then Miranda has a big problem—because the notes tell her that someone is going to die, and she might be too late to stop it. Winner of the Boston Globe–Horn Book Award for Fiction A New York Times Bestseller and Notable Book Five Starred Reviews A Junior Library Guild Selection "Absorbing." —People "Readers ...

are likely to find themselves chewing over the details of this superb and intricate tale long afterward." —The Wall Street Journal "Lovely and almost impossibly clever." —The Philadelphia Inquirer "It's easy to imagine readers studying Miranda's story as many times as she's read L'Engle's, and spending hours pondering the provocative questions it raises." —Publishers

 Imagine if all your personal thoughts about crushes, fears, enemies, and even kissing practice ended up on the internet for everyone to read! That’s what happens to Erin Swift when her secret blog lands on the school Web site. As if navigating the treacherous waters of seventh grade weren’t enough!
 Writing with warm, knowing humor, first-time novelist Denise Vega perfectly captures life from a seventh grade girl’s point of view.
A Flavia de Luce Novel
 Little, Brown
 In this inspiring biography, discover the true story of Harriet the Spy author Louise Fitzhugh -- and learn about the woman behind one of literature’s most beloved heroines.
 Harriet the Spy, first

published in 1964, has mesmerized generations of readers and launched a million diarists. Its beloved antiheroine, Harriet, is erratic, unsentimental, and endearing—very much like the woman who created her, Louise Fitzhugh. Born in 1928, Fitzhugh was raised in segregated Memphis, but she soon escaped her cloistered world and headed for New York, where her

expanded milieu stretched from the lesbian bars of Greenwich Village to the art world of postwar Europe, and her circle of friends included members of the avant-garde like Maurice Sendak and Lorraine Hansberry. Fitzhugh's novels, written in an era of political defiance, are full of resistance: to authority, to conformity, and even -- radically, for a children's

author -- to make-believe. As a children's author and a lesbian, Fitzhugh was often pressured to disguise her true nature. Sometimes *You Have to Lie* tells the story of her hidden life and of the creation of her masterpiece, which remains long after her death as a testament to the complicated relationship between truth, secrecy, and individualism. A Coretta

Scott King
Author Honor Book Winner of the Scott O'Dell Award for Historical Fiction When eleven-year-old Langston's father moves them from their home in Alabama to Chicago's Bronzeville district, it feels like he's giving up everything he loves. It's 1946. Langston's mother has just died, and now they're leaving the rest of his family and friends. He misses everything-- Grandma's

Sunday suppers, the red dirt roads, and the magnolia trees his mother loved. In the city, they live in a small apartment surrounded by noise and chaos. It doesn't feel like a new start, or a better life. At home he's lonely, his father always busy at work; at school he's bullied for being a country boy. But Langston's new home has one fantastic thing. Unlike the whites-only library in

<p>Alabama, the Chicago Public Library welcomes everyone. There, hiding out after school, Langston discovers another Langston--a poet whom he learns inspired his mother enough to name her only son after him. Lesa Cline-Ransome, author of the Coretta Scott King Honor picture book <i>Before She Was Harriet</i>, has crafted a lyrical debut novel about one boy's experiences during the</p>	<p>Great Migration. Includes an author's note about the historical context and her research. Don't miss the companion novel, <i>Leaving Lymon</i>, which centers on one of Langston's classmates and explores grief, resilience, and the circumstances that can drive a boy to become a bully-- and offer a chance at redemption.
