The Tough Guide to Fantasyland Simon and Schuster
 Alex eased his pack to the ground and looked around the empty campsite—the last known location of his friends, 57 hours ago. On a mountaineering expedition gone awry, Alex and his friends stumble upon something they never expected to find: a mysterious door hidden beneath a glacier. Driven by the excitement of discovery, Alex's friends are determined to return, but they are not the only ones who are interested in what the door might contain. When his friends go missing, Alex will have to brave the dangers of the mountain, evade the Historical Acquisitions Agency, and use all his wits and resources if he is

going to unlock the secret of the door and find a way to bring his friends home.

Zoe in Wonderland Simon and Schuster
 With *Captain's Rangers and The Day the Cowboys Quit*, this omnibus by legendary Western writer Elmer Kelton offers two novels of the American West at one low price. *Captain's Rangers* In 1875, nearly forty years after the Mexican War, Mexicans and Texans are still spilling blood over ownership of the Nueces Strip—a hot, dry stretch of coastal prairie that bushwackers and horse thieves have turned into a lawless hell. Captain L.H. McNelly, a complex and determined Confederate veteran, is brought into the Nueces Strip for one purpose: to keep the peace. His measures are harsh and controversial, but McNelly wasn't sent to be popular. In this boiler pot of killing and racial hatred, however, even his methods

may not be enough to bring lasting peace. *The Day the Cowboys Quit* 1833. Canadian River cowboy country is changing as a different breed moves in—big outfits backed by Eastern syndicates and run by power-hungry “managers” who figure to make a profit, even if it means crowding a cowboy too far. Wagon boss Hugh Hitchcock tries to keep the peace between rancher and cowboy. But when the ranchers steal his cattle, lynch his friend, and hire a back shooter to put him in his grave, he joins the fight himself. They may take everything he has, but they cannot touch his pride—or his willingness to fight to the bloody end. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Tears of Fire Prinsenhof Publications
From award-winning YouTube sensation Zoe Sugg, popularly known as Zoella, comes her New York Times bestselling debut young adult novel, which perfectly captures what it means to grow up and fall in love in today's digital world. I have this dream that, secretly, all teenage girls feel exactly like me. And maybe one day, when we realize that we all feel the same, we can all stop pretending we're something we're not... But until that day, I'm going to keep it real on this blog and keep it unreal in real life. Penny has a secret. Under the alias GirlOnline, Penny blogs her hidden feelings about friendship, boys, high school drama, her crazy family, and the panic attacks that have begun to take over her life. When things go from bad to worse at school, her parents accept an opportunity to whisk the family away for Christmas at the Waldorf Astoria in New York City. There, Penny meets Noah, a gorgeous, guitar-strumming American. Suddenly she is falling in love—and capturing every moment she spends with "Brooklyn Boy" on her blog. But Noah has a secret, too, one that threatens to ruin Penny's cover—and her closest friendship—forever.
