*Home Free* Zebra Books

In a richly rewarding novel filled with unforgettable characters, #1 New York Times bestselling author Fern Michaels explores the enduring bonds of family as one man loses everything--only to find the freedom to create a bold new life. . . Gus Hollister owes all his success to his feisty grandmother, Rose, and he knows it. It was Rose and her two sisters, Iris and Violet, who raised Gus, sent him to the best schools, and helped him start his own accounting business. Rose even bought the house Gus lives in with his wife, Elaine. But now, Gus stands to lose everything--his home, his car, and his business. Worse, he's alienated his beloved grandma, who tried to warn him about Elaine's greedy, gold-digging ways. Gus, blinded by infatuation, refused to listen, and now Elaine has locked him out of the house he was foolish enough to put in her name. Heartsick and remorseful, Gus returns to Rose's Virginia farmhouse seeking shelter. But it won't be easy to make amends. Despite their pretty floral names, there's nothing delicate about the Blossom sisters. Unbeknownst to Gus, they've also been running a very lucrative business from home and don't want interference. Yet family and forgiveness go hand in hand, and Gus isn't giving up. With the help of close friends, new associates, and some very sprightly ladies, Gus begins to repair the damage he's done and help the residents of Blossom Farm begin the next phase of their business. He might even be finding the courage to love again. Because no matter how daunting starting over can be, the results can surpass your wildest expectations--especially when the Blossom sisters are in your corner. . .

Fern Michaels, New York Times bestselling author of *Finders Keepers*, dazzles readers once again with the unforgettable story of one woman's life—the betrayal that nearly destroys her, the love that helps her heal, and the struggle to find the truth about herself and the man she thought she knew . . . An only child who lost both parents during her first year at college, wealthy heiress Kristine Kelly had made her husband her whole world. But she didn't see what everyone else did: that handsome, charismatic Logan Kelly was a manipulator and a user. Then one cold December, Kristine got a chilling wake-up call when Logan vanished, along with the eight-million-dollar trust fund she had naively given him the power to control. Just when Kristine's life was at its lowest point, banker Aaron Dunwoodie offered her passion, a strong shoulder to lean on, and a relationship to believe in. But a woman once fooled is twice wary, and very vulnerable. There were still too many questions Kristine needed to answer before she could commit her heart again: what really happened to Logan . . . what did she truly want for herself . . . and what would she do if Logan—a dangerous seductive, and yet irresistible man—walked back into her life?
