The Land of Stories: An Author's Odyssey

Nelson Thornes

"A masterfully written tale of survival, sisters, and love." —Julie Murphy, author of the #1 New York Times bestseller *Dumplin'*

In this twisting tale of loyalty, betrayal, and hope, two sisters must survive the wilds, if they can first survive each other—for fans of *Tell Me*

Three Things, *The One Memory of Flora Banks*, and *Pretty Little Liars*. Emma had always orbited Henri, her fierce, magnetic older sister, and the two had always been best friends. Until something happened that wrecked them. I'd trusted Henri more than I'd trusted myself. Wherever she told me to go, I'd follow. Now the unthinkable occurs—a watery nightmare off the dazzling coast. The girls wash up on shore, stranded. Their only companion is Alex, a

troubled boy agonizing over his own secrets. Trapped on a gorgeous hell of an island, Emma and Alex fall together as Emma and Henri fall further apart. To find their way home, the sisters must find their way back to each other. But will Henri ever forgive Emma? Can they survive this island? Can they reclaim what they've lost? There is no map for this. For the first time, I was afraid we'd die on this shore. "Emotionally eviscerating." —Stephanie Garber, *New York Times*

bestselling author of *Caraval* "Top-notch—readers will be riveted." —*Publishers Weekly* "If you enjoyed the twisty suspense of *We Were Liars*, you'll rip through [this]." —*PopSugar* "A must-read." —*HelloGiggles* "A heart-stopping page-turner." —Jennifer Mathieu, author of *The Truth About Alice* "A unique glimpse at emotional and physical struggles." —*SLJ* "Harrowing." —Stacey Lee, author of *Under a Painted Sky* "Beautifully

told." —*Buzzfeed* "Will suck you in from the first page." —*Brightly* *The Fatal Child* *Delacorte Books for Young Readers* "Author Bair has serious finance credentials. She is a former chair of the Federal Deposit Insurance Corporation and current chair of Fannie Mae—and, now, an author of whimsical personal finance books for young children." —*Booklist* An inexperienced royal learns a valuable lesson about reading the fine print. *Princess Persephone* was cold in her castle on

freezing Ganymede. So, when Aluminum Jim came calling to sell her tin sheets to nail onto the exterior walls to keep out the cold, Persephone was only too happy to agree to a loan and sign the contract without reading it. What could she do when the tin sheets didn't work, she couldn't repay the loan, and Jim claimed the castle?
