## RIVAS RODGERS

---

### The Accidental Terrorist Simon and Schuster

The revered author's classic work that examines the four types of human love: affection, friendship, erotic love, and the love of God. In this work Lewis examines four varieties of love, as approached from the Greek language: storge, the most basic form; philia, the rarest and perhaps most insightful; eros, passionate love; and agape, the love of God, the greatest and least selfish. Throughout this compassionate and reasoned study, he encourages readers to open themselves to all forms of love—the key to understanding that brings us closer to God. "There is no safe investment. To love at all is to be vulnerable . . . draw nearer to God, not by trying to avoid the sufferings inherent in all loves, but by accepting them and offering them to Him; throwing away all defensive armor. If our hearts need to be broken, and if He chooses this as the way in which they should break, so be it." In *Four Loves*, C. S. Lewis explores love to help you · Strengthen your interpersonal relationships · Understand the different between needed pleasures and appreciation pleasures and need-love and gift-love · Care for the people in your life, avoid pitfalls, and improve your relationship God The *Four Loves* holds a mirror to our current society and leaves no doubt that our modern understanding of love is heavily misunderstood.

### Life for Sale Review

Les reflets étincelants des canaux de la Sérénissime dissimulent une vérité boueuse. Les Vénitiens le savent et l'acceptent. Pas Leonora. Enfermée par ses parents dans un de ces couvents libertins dont Venise a le secret, la jeune fille n'en sortira que grâce à une action d'éclat. Sa seule chance est de découvrir l'identité du tueur masqué qui s'en prend aux magistrats du Palais ducal. Et son unique piste : l'assassin ne peut s'empêcher d'aller se confesser avant chacun de ses meurtres. En ce XVIIIème siècle baroque, les Vénitiens s'étourdissent de musique, de jeux et de banquets pour oublier la décadence de leurs institutions. Dans ce climat propice aux faux-semblants et aux intrigues, le crime est de toutes les fêtes, le sordide se cache derrière les plus beaux masques.

### *The Best Things* Shambhala Publications

A timeless story of first love set in a remote fishing village in Japan. • "A story that is both happy and a work of art....

Altogether a joyous and lovely thing." —The New York Times A

young fisherman is entranced at the sight of the beautiful daughter of the wealthiest man in the village. They fall in love, but must then endure the calumny and gossip of the villagers.

Mishima Oxford University Press

According to Roger Caillois, play is an occasion of pure waste. In spite of this - or because of it - play constitutes an essential element of human social and spiritual development. In this study, the author defines play as a free and voluntary activity that occurs in a pure space, isolated and protected from the rest of life.

### *Mishima: a Biography* Vintage

On November 25, 1970, Japan's most renowned postwar novelist, Yukio Mishima, stunned the world by committing ritual suicide.

Here, Marguerite Yourcenar, a brilliant reader of Mishima and a scholar with an eye for the cultural roles of fiction, unravels the author's life and politics: his affection for Western culture, his family and his homosexuality, his brilliant writings, and his carefully premeditated death.

### Ancestral Art of Gabon Anchor

"Reveals another side of Mishima's skill with words: his delicacy and subtlety." -The New York Times "A startlingly original collection of stories by a world class Japanese writer." -Boston Globe

### **Kangaroo Notebook** Crown

Following the death of his young daughter, the narrator moves to Japan with the project of writing an essay on Japanese literature. There, on the other side of the earth, he experiences a series of incidents that connect him to a recurrent childhood dream and allow him to explore the depth of his own grief through the stories of others. Sarinagara is a poignant meditation on the nature of grief, art, and memory. In Japanese, "Sarinagara" means "and yet." This word is the last word of one of the most famous poems of Japanese literature.

Nobel Laureate in Literature Wole Soyinka considers all of Africa--indeed, all the world--as he poses this question: once repression stops, is reconciliation between oppressor and victim possible? In the face of centuries-long devastation wrought on the African continent and her Diaspora by slavery, colonialism, Apartheid, and the manifold faces of racism, what form of recompense could possibly suffice? In a voice as eloquent and humane as it is forceful, Soyinka boldly challenges in these pages the notions of simple forgiveness, confession, and absolution as strategies for social healing. Ultimately, he turns to art--poetry, music, painting, etc.--as the one source that can nourish the seed of reconciliation: art is the generous vessel that can hold together the burden of memory and the hope of forgiveness. Based on Soyinka's Stewart-McMillan lectures delivered at the DuBois Institute at Harvard, *The Burden of Memory* speaks not only to those concerned specifically with African politics, but also to anyone seeking the path to social justice through some of history's most inhospitable terrain.

Yukio Mishima on Hagakure Abrams

Confessions of a Mask tells the story of Kochan, an adolescent boy tormented by his burgeoning attraction to men: he wants to be “normal.” Kochan is meek-bodied, and unable to participate in the more athletic activities of his classmates. He begins to notice his growing attraction to some of the boys in his class, particularly the pubescent body of his friend Omi. To hide his homosexuality, he courts a woman, Sonoko, but this exacerbates his feelings for men. As news of the War reaches Tokyo, Kochan considers the fate of Japan and his place within its deeply rooted propriety. Confessions of a Mask reflects Mishima’s own coming of age in post-war Japan. Its publication in English—praised by Gore Vidal, James Baldwin, and Christopher Isherwood—propelled the young Yukio Mishima to international fame.

M. R. James was born in Kent, England in 1862. James came to writing fiction relatively late, not publishing his first collection of short stories - Ghost Stories of an Antiquary (1904) - until the age of 42. Modern scholars now see James as having redefined the ghost story for the 20th century and he is seen as the founder of the 'antiquarian ghost story'. We are republishing these classic works in affordable, high quality, modern editions with a brand new introductory biography of the author.

*Confessions d'un masque vénitien* New York : Grove Press

THE HILARIOUS SUNDAY TIMES BESTSELLER A big-hearted story of a family on the brink from the marvellous, much-loved Mel Giedroyc. 'Properly funny with a brilliant cast of characters' GRAHAM NORTON 'A real treat. I enjoyed it HUGELY' MARIAN KEYES 'Funny and fresh. No soggy bottoms here' CLARE MACKINTOSH \_\_\_\_\_ Sally Parker is searching for the hero inside herself. But TBH she just wants to lie down. Her husband Frank has lost his business, their home and their savings in one go. Her bank cards have been stopped. The kids are running wild. And now the bailiffs are at the door. What does a woman do when the bottom suddenly falls out? Will Sally Parker surprise everybody....most of all herself? \_\_\_\_\_ 'This book is a riot! Delicious in its detail' SOPHIE KINSELLA 'A stonking good read. Exactly like Mel herself: engaging, uproarious and gleeful' JO BRAND 'A warm, honest and humorous look at a family and what really matters in life. Brimming with hilarious scenes, it is also a redemptive book, and one of hope' WOMAN & HOME 'A warm contemporary fable bursting with colourful characters and comic

energy' DAILY MAIL SHORTLISTED FOR THE COMEDY WOMEN IN PRINT PRIZE 2021 REAL READERS ADORE THE BEST THINGS... 'A well written, warm hug of a read. Something much needed in these days of doom and gloom' 'This book is everything I would have expected from the wonderful Mel Giedroyc. Funny and touching\*\*\*\*\*' 'I could hear Mel reading this book! Terrific characters. Very entertaining \*\*\*\*\*' 'A lovely, warm cuddle of a book' 'One of the best things I've read this year. Please read it \*\*\*\*\*' 'I felt like Mel was reading this into my ear. I was left with the warm fuzzys at the end\*\*\*\*\*' 'Would make a brilliant film or sitcom. The Parker family are a chaotic, loveable bunch' 'I zipped through it with many an accompanying titter, the occasional chortle and the odd unladylike snort. A nice piece of escapism, so needed at this time \*\*\*\*\*' 'Warm, interesting, clever and funny, as well as poignant at times. A brave heroine, a cast of strong characters and a page-turner of a story \*\*\*\*\*' 'Glorious storytelling, this is a rich comedic feast of domesticity. Excellent characters. Kept me gripped throughout. \*\*\*\*\*'

#### The Book of the Courtier University of Chicago Press

A druid-turned-nun writes of faith, love, loss, and religion in this “beautifully written and thought-provoking book” set at the dawn of Ireland’s Christian era (Library Journal) Cloistered in a stone cell at the monastery of Saint Brigit, a sixth-century Irish nun secretly records the memories of her Pagan youth, interrupting her assigned task of transcribing Augustine and Patrick. She revisits her past, piece by piece—her fiercely independent mother, whose skill with healing plants and inner strength she inherited; her druid teacher, the brusque and magnetic Giannon, who introduced her to the mysteries of the written language. But disturbing events at the cloister keep intervening. As the monastery is rent by vague and fantastic accusations, Gwynneve's words become the one force that can save her from annihilation. “As a slant of sunlight illuminates jewels long buried, Kate Horsley's novel brings words to an ancient silence and a living, vivid presence to people who lived in that time of great changes and estrangements we call the Dark Ages.” —Ursula K. Le Guin

#### How I Survived a Chinese "Reeducation" Camp Fayard

Dans ce roman aux résonances autobiographiques, Mishima a peint un personnage qui se bat continuellement contre ses penchants homosexuels. Il cherche à les dissimuler aux autres et

à lui-même. Le récit de son amour pour la soeur d'un de ses camarades nous conduit, à travers les années d'enfance et d'adolescence, vers un dénouement désespéré.

#### *The Sound of Waves* Random House

“The more I make love, the more I want revolution; the more I make revolution, the more I want to make love.†? In Paris, in May of 1968, revolution, and love are very much in the air. The barricades are going up, the students of the Sorbonne are taking to streets alive with the graffiti of revolt, and the Odeon is ablaze with speechmaking. For Annie, a young American painter, and Julian, her Portuguese lover, a banker and anarchist, the events of that Paris spring form the backdrop against which their love affair is played. Annie sees the world through an artist's eyes; she is reckless in her passions, wanting and needing love with other people. There is none of this fanciful nonsense for Julian, an anarchist disdainful of the entire human race, who thinks even the enraged students storming the streets of Paris with their posters proclaiming “open the windows of your heart†? and “revolution is the ecstasy of history†? to be hopelessly naïve and sheeplike. Ferlinghetti charts the progress of love unfolding against those heady and momentous days when the pampered children of the bourgeoisie tried to find common cause with workers who despised them, “when Julian and Annie were in the heat of their love and reason.†?

#### *Unpopular Culture* Little Brown

The memoir of a high-functioning, law-abiding (well, mostly) sociopath and a roadmap—right from the source—for dealing with the sociopath in your life. “[A] gripping and important book . . . revelatory . . . quite the memorable roller coaster ride.”—The New York Times Book Review As M.E. Thomas says of her fellow sociopaths, “We are your neighbors, your coworkers, and quite possibly the people closest to you: lovers, family, friends. Our risk-seeking behavior and general fearlessness are thrilling, our glibness and charm alluring. Our often quick wit and outside-the-box thinking make us appear intelligent—even brilliant. We climb the corporate ladder faster than the rest, and appear to have limitless self-confidence. Who are we? We are highly successful, noncriminal sociopaths and we comprise 4 percent of the American population.” Confessions of a Sociopath—part confessional memoir, part primer for the curious—takes readers on a journey into the mind of a sociopath, revealing what makes

them tick while debunking myths about sociopathy and offering a road map for dealing with the sociopaths in your life. M. E. Thomas draws from her own experiences as a diagnosed sociopath; her popular blog, Sociopathworld; and scientific literature to unveil for the very first time these men and women who are "hiding in plain sight."

**Proverbial Philosophy** Sinister Regard Publishers

"Chloe Snow chronicles a year in her high school life, sharing the highs and lows of family, friendship, school, and love"--

**Confessions d'un masque** HarperCollins

With several million copies sold in the last fifty years, *My Secret Life*, first published by Grove Press in the 1960s, is one of the most famous pornographic works in literary history. What readers of this long-banned and troubling book of violent sexual fantasies failed to realize is that it is also the confession of history's most fiendish killer. Written during the era of Jack the Ripper, it's narrated by "Walter," the pseudonym of textile millionaire Henry

Spencer Ashbee. Walter was a voyeur and rapist obsessed with prostitutes, and his writing revealed his darkest sexual secrets. He died in 1901, long before his book would be widely read. Only now have researchers finally come to the conclusion that "Walter" and Jack the Ripper were, in fact, one and the same. Jack the Ripper's Secret Confession puts all the pieces together, and its new theory will amaze and titillate scholars who for generations have pondered the true identity of history's most brutal murderer. [Confessions of a High School Disaster](#) lePetitLitteraire.fr 'There is in this world a kind of desire like stinging pain' A Japanese teenager is overcome with longing for his male classmate. He imagines his body punctured with arrows, like the body of St Sebastian in the painting that obsesses him. Over and over again, each night in his private fantasies, the objects of his lust are tortured, killed and maimed. But, in the rigid world of imperial wartime Japan there is no place for such transgressive desires. He must wear a false mask and hide his true nature,

whatever the cost. 'A terrific and astringent work of beauty' The Times Literary Supplement 'Mishima is lucid in the midst of emotional confusion, funny in the midst of despair' Christopher Isherwood 'Never has a "confession" been freer from self-pity' Sunday Times

*The Four Loves* New Directions Publishing Corporation

In the last novel written before his death in 1993, one of Japan's most distinguished novelists proffered a surreal vision of Japanese society that manages to be simultaneously fearful and jarringly funny. The narrator of *Kangaroo Notebook* wakes on morning to discover that his legs are growing radish sprouts, an ailment that repulses his doctor but provides the patient with the unusual ability to snack on himself. In short order, Kobo Abe's unraveling protagonist finds himself hurtling in a hospital bed to the very shores of hell. Abe has assembled a cast of oddities into a coherent novel, one imbued with unexpected meaning. Translated from the Japanese by Maryellen Toman Mori.
