*The Romance of a  
 Christmas card* John  
 Wiley & Sons  
 In 1401, Christine de  
 Pizan (1365a 1430?)  
 wrote a letter to the  
 provost of Lille  
 criticizing the highly  
 popular 'Romance of  
 the Rose' for its  
 unwarranted  
 misogynistic depictions  
 of women. Here, Hult  
 collects debate  
 documents, letters and

excerpts from other  
 works of Pizan,  
 including one from  
 'City of Ladies' her  
 major defense of  
 women.

### **The Romance of Tristan and Isolt**

Penguin

A bundle of books #4  
 (LOVE LIKE THEIRS)  
 and #5 (LOVE LIKE  
 YOURS) in Sophie  
 Loves's *The Romance  
 Chronicles* series. This  
 bundle offers books #4  
 and #5 in one  
 convenient file, with  
 over 150,000 words of  
 reading. In LOVE LIKE  
 THEIRS, Keira has  
 sworn off of love. With  
 her heart still hurting  
 from her breakups with  
 Cristiano and Shane,  
 she will not allow her  
 magazine to use her  
 for another love  
 experiment. Which is  
 fine by them, because  
 they want to send her  
 off on a different kind

of trip: to prove that someone suffering from a breakup can avoid a knee-jerk rebound affair and manage NOT to fall in love. To emphasize the point, they will NOT assign her a new tour guide. Instead, Keira will take a cruise to the Scandinavian countries and have to navigate herself. Keira is thrilled to accept the assignment. There is nothing she wants more than to be alone, and go to the Northern climes, where she can cool her head, and where surely she will not find love. But Keira does not anticipate the beauty of Copenhagen and of Stockholm (“the Paris of the North”) or the stunning hospitality of the Scandinavians. With Christmas on the way, resisting a new love may be harder

than she thinks.... In LOVE LIKE YOURS, Keira finds herself spending a magical Christmas with her new boyfriend and his family in Sweden. How will their relationship end? Keira returns to New York to discover, to her shock, that she has started a new trend in dating that is sweeping across the country—“Scandinavian romance”—and to find herself becoming a celebrity. Even more confusing, her sister gets engaged, and gives Keira constant advice. Overwhelmed, Keira takes solace when Christiano calls, and surprises herself when she agrees to take a week off and meet him on neutral ground: in Greece. Her magazine is thrilled, and they want this to be her new

assignment: can love work the second time around, in a different time and place, if you give it one more chance? A whirlwind romantic comedy that is as profound as it is funny, *THE ROMANCE CHRONICLES* will make you laugh, cry, and will keep you turning pages late into the night—and will make you fall in love with romance all over again.

*Rethinking the "Romance of the Rose"*  
Penn State Press

Like King Arthur in Europe, the Persian hero Amir Hamzah has fought and connived his way through eight centuries of adventure throughout the Islamic world. Here is a new translation of a version of his tale, told in Urdu in India, and set down and first published in 1871. Includes a

glossary with pronunciation. No index. Annotation copyright Book N *Bovine Anatomy* Harper Collins  
"The Romance of a Christmas Card" by Kate Douglas Wiggin is a heartwarming and enchanting story that revolves around a special Christmas card and its journey of spreading love and joy during the holiday season. The story begins with the creation of the Christmas card by a talented artist named Robin. As he puts his heart and soul into designing the card, he fills it with warmth, love, and the spirit of Christmas. Little does he know that this simple card will have a profound impact on the lives of several individuals. The card

finds its way to a cozy little village where it is purchased by the kind-hearted Miss Delia, who immediately falls in love with its beautiful design. Upon receiving the card, she decides to send it to her friend, the wealthy Mrs. Wheeler, who lives in a grand mansion in the city. When the card arrives at Mrs. Wheeler's home, it catches the eye of the lonely and reclusive Mr. Austin, a boarder in the house. Intrigued by its charm, he secretly borrows the card to admire it in solitude. As he gazes at the card, memories of happier times flood his heart, and he begins to rediscover the joy and warmth of the Christmas season. Meanwhile, back in the village, Miss Delia's brother, Donald, a

struggling artist, comes across a duplicate of the Christmas card in a shop. Inspired by its beauty and meaning, he decides to create his own version of the card and sends it to his sweetheart, Rosamond. The card becomes a symbol of their love and dreams for a bright future together. As the Christmas card continues its journey, it touches the lives of many more people, spreading love, hope, and joy wherever it goes. From bringing comfort to a grieving widow to rekindling the spirit of Christmas in a lonely heart, the card's magic weaves through each person's life, making this holiday season truly special for everyone involved. "The Romance of a Christmas Card" is a beautiful tale that

reminds readers of the power of kindness, love, and the true spirit of Christmas. Kate Douglas Wiggin's enchanting storytelling and the touching symbolism of the Christmas card make this book a perfect read for the holiday season, leaving readers with a warm and joyful feeling in their hearts."

**The Outline of Knowledge: The romance of the arts, by F. H. Martens**

Northwestern University Press  
 "A beautiful and brilliant reexamination of love and its perils."—Barbara Fisher, Boston Globe  
 Common wisdom has it that love is fragile, but leading psychoanalyst Stephen A. Mitchell argues that romance doesn't actually

diminish in long-term relationships—it becomes increasingly dangerous. What we regard as the transience of love is really risk management. Mitchell shows that love can endure, if only we become aware of our self-destructive efforts to protect ourselves from its risks. "Those who read this book will love more wisely because of it."—Andrew Solomon, author of *The Noonday Demon* "[A] work on romance that is rich and multi-layered."—Publishers Weekly "Cheerful, open, and humane—you'd definitely have wanted him as your analyst."—Judith Shulevitz, *The New York Times Book Review* "[T]houghtful,

compassionate, and profoundly optimistic."—JoAnn Gutin, Salon.com  
The Evolution of Complex Spatial Expressions within the Romance Family  
 Macmillan  
 The inspirational sequel to 12 RULES FOR LIFE, which has sold over 5 million copies around the world - now in paperback In 12 Rules for Life, acclaimed public thinker and clinical psychologist Jordan B. Peterson offered an antidote to the chaos in our lives: eternal truths applied to modern anxieties. His insights have helped millions of readers and resonated powerfully around the world. Now in this long-awaited sequel, Peterson goes further, showing that part of

life's meaning comes from reaching out into the domain beyond what we know, and adapting to an ever-transforming world. While an excess of chaos threatens us with uncertainty, an excess of order leads to a lack of curiosity and creative vitality. Beyond Order therefore calls on us to balance the two fundamental principles of reality - order and chaos - and reveals the profound meaning that can be found on the path that divides them. In times of instability and suffering, Peterson reminds us that there are sources of strength on which we can all draw: insights borrowed from psychology, philosophy, and humanity's greatest myths and stories.

Drawing on the hard-won truths of ancient wisdom, as well as deeply personal lessons from his own life and clinical practice, Peterson offers twelve new principles to guide readers towards a more courageous, truthful and meaningful life.

**Approaches to Teaching the Romance of the Rose**

University of Chicago Press

Most dating books tell you what NOT to do. Here's a book dedicated to telling you what you CAN do. In his book, *Get the Guy*, Matthew Hussey—relationship expert, matchmaker, and star of the reality show *Ready for Love*—reveals the secrets of the male mind and the

fundamentals of dating and mating for a proven, revolutionary approach to help women to find lasting love. Matthew Hussey has coached thousands of high-powered CEOs, showing them how to develop confidence and build relationships that translate into professional success. Many of Matthew's male clients pressed him for advice on how to apply his winning strategies not to just get the job, but how to get the girl. As his reputation grew, Hussey was approached by more and more women, eager to hear what he had learned about the male perspective on love and romance. From landing a first date to establishing emotional intimacy, playful flirtation to red-

hot bedroom tips, Matthew's insightfulness, irreverence, and warmth makes *Get the Guy: Learn Secrets of the Male Mind to Find the Man You Want and the Love You Deserve* a one-of-a-kind relationship guide and the handbook for every woman who wants to get the guy she's been waiting for.

"The Accidental Text will have you swooning, laughing, and even shedding a few tears. It's absolute perfection." - Jennifer Peel, USA Today Bestselling Author  
 ★★★★★ "Delightful, heartfelt, and addictive. I loved this book so much!" - Whitney Dineen, Bestselling Author of the Creek Water Series

★★★★★ Wrong number. Right guy? Once upon a time, Maggie Cooper lived for adventure. Jumping out of planes was child's play. Now she can't even work up the nerve to ask out her coworker. For a bit of self-therapy, she begins to text her recently deceased mother's phone-the only problem is that the number has been reassigned and for weeks she's been unknowingly texting a stranger her deepest thoughts and feelings. There have also been some not-so-deep texts, like the ones about her appreciation for her coworker's butt. When Chase Beckett, the unsuspecting stranger who has more in common with Maggie than he'd like to admit, texts back,

Maggie is beyond mortified. But message after message and night after night, Maggie realizes that Chase's wit, charm, and advice are exactly what the doctor ordered. Is it enough, though, to get her back up in the sky? And what about her heart? Can she risk taking a leap of faith for the man on the other end of her accidental texts?

*Text Him Back*

University of Pennsylvania Press  
The Instant New York Times Bestseller and TikTok Sensation! As seen on THE VIEW! A BuzzFeed Best Summer Read of 2021  
When a fake relationship between scientists meets the irresistible force of attraction, it throws one woman's carefully calculated theories on

love into chaos. As a third-year Ph.D. candidate, Olive Smith doesn't believe in lasting romantic relationships--but her best friend does, and that's what got her into this situation.

Convincing Anh that Olive is dating and well on her way to a happily ever after was always going to take more than hand-wavy Jedi mind tricks: Scientists require proof. So, like any self-respecting biologist, Olive panics and kisses the first man she sees. That man is none other than Adam Carlsen, a young hotshot professor--and well-known ass. Which is why Olive is positively floored when Stanford's reigning lab tyrant agrees to keep her charade a secret and be her fake boyfriend. But when a

big science conference goes haywire, putting Olive's career on the Bunsen burner, Adam surprises her again with his unyielding support and even more unyielding...six-pack abs. Suddenly their little experiment feels dangerously close to combustion. And Olive discovers that the only thing more complicated than a hypothesis on love is putting her own heart under the microscope.

A Study of the Romance of the Seven Sages BRILL

The Romance of Tristan and Isolt is the tragic tale of two star-crossed lovers set in Ireland.

Cultural Encounters in the Romance of Medieval England

Die zweite englische Auflage dieses

erfolgreichen Lehrbuches ist nun auch nach dem bewährten Konzept der „Budras-Atlanten“ durch namhafte Experten aus der Anatomie und der klinischen Medizin um die klinisch-funktionelle Anatomie erweitert.

„This is a much-needed textbook-atlas that depicts bovine anatomy. It is appropriately organized such that it can easily be the single book that veterinarians refer to when an anatomic question needs to be answered about this species. It is most definitely worth the price.“ JAVMA – Journal of the American Veterinary Medical Association  
Beyond Order Equinox Publishing  
If the first time was a rehearsal, is this the

real thing? Directing a play in London's West End was an ambition met, only it meant I'd see the boy who was my first everything for the first time since that summer. Anthony was no boy anymore. He was all man. Charismatic, talented, famous and devastatingly handsome, and now staring in my production. My leading man - on stage, at least. He wanted to be my leading man off stage too. But we're not kids anymore, and my heart doesn't think this is a rehearsal. Like all good love stories, the course isn't going to run smooth, not when he's carrying a secret that could destroy everything, including my heart - and his. Was that summer romance a

rehearsal for heart break, or a rehearsal for the real thing? The Romance Rehearsal is a second chance romance, set in London's Theatreland, and contains a smoking hot actor and director who knows exactly what she wants. Part of The English Gent Romances, and a spin-off from the Callaghan Green series, it can be read as a complete standalone. *The Romance Rehearsal* Penguin Popular marriage counselor and seminar leader John Gray provides a unique, practical and proven way for men and women to communicate and relate better by acknowledging the differences between them. Once upon a

time Martians and Venusians met, fell in love, and had happy relationships together because they respected and accepted their differences. Then they came to earth and amnesia set in: they forgot they were from different planets. Using this metaphor to illustrate the commonly occurring conflicts between men and women, Gray explains how these differences can come between the sexes and prohibit mutually fulfilling loving relationships. Based on years of successful counseling of couples, he gives advice on how to counteract these differences in communication styles, emotional needs and modes of behavior to promote a greater

understanding between individual partners. Gray shows how men and women react differently in conversation and how their relationships are affected by male intimacy cycles ("get close", "back off"), and female self-esteem fluctuations ("I'm okay", "I'm not okay"). He encourages readers to accept the other gender's particular way of expressing love, and helps men and women learn how to fulfill each other's emotional needs. With practical suggestions on how to reduce conflict, crucial information on how to interpret a partner's behavior and methods for preventing emotional "trash from the past" from invading new relationships, *Men Are from Mars, Women Are from Venus* is a

valuable tool for couples who want to develop deeper and more satisfying relationships with their partners.

### **Reading the**

### **Romance** DS Brewer

Originally published in 1984, *Reading the Romance* challenges popular (and often demeaning) myths about why romantic fiction, one of publishing's most lucrative categories, captivates millions of women readers.

Among those who have disparaged romance reading are feminists, literary critics, and theorists of mass culture. They claim that romances enforce the woman reader's dependence on men and acceptance of the repressive ideology purveyed by popular culture. Radway

questions such claims, arguing that critical attention "must shift from the text itself, taken in isolation, to the complex social event of reading." She examines that event, from the complicated business of publishing and distribution to the individual reader's engagement with the text. Radway's provocative approach combines reader-response criticism with anthropology and feminist psychology. Asking readers themselves to explore their reading motives, habits, and rewards, she conducted interviews in a midwestern town with forty-two romance readers whom she met through Dorothy Evans, a chain bookstore employee who has earned a

reputation as an expert on romantic fiction. Evans defends her customers' choice of entertainment; reading romances, she tells Radway, is no more harmful than watching sports on television. "We read books so we won't cry" is the poignant explanation one woman offers for her reading habit. Indeed, Radway found that while the women she studied devote themselves to nurturing their families, these wives and mothers receive insufficient devotion or nurturance in return. In romances the women find not only escape from the demanding and often tiresome routines of their lives but also a hero who supplies the tenderness and admiring attention that

they have learned not to expect. The heroines admired by Radway's group defy the expected stereotypes; they are strong, independent, and intelligent. That such characters often find themselves to be victims of male aggression and almost always resign themselves to accepting conventional roles in life has less to do, Radway argues, with the women readers' fantasies and choices than with their need to deal with a fear of masculine dominance. These romance readers resent not only the limited choices in their own lives but the patronizing attitude that men especially express toward their reading tastes. In fact, women read romances both to

protest and to escape temporarily the narrowly defined role prescribed for them by a patriarchal culture. Paradoxically, the books that they read make conventional roles for women seem desirable. It is this complex relationship between culture, text, and woman reader that Radway urges feminists to address. Romance readers, she argues, should be encouraged to deliver their protests in the arena of actual social relations rather than to act them out in the solitude of the imagination. In a new introduction, Janice Radway places the book within the context of current scholarship and offers both an explanation and critique of the study's limitations.

Through a metaphorical journey of Shakespeare in traditional Chinese theatre, using three Chinese opera productions of Hamlet as signposts, the book discusses the relationship between Shakespeare and Chinese theatrical traditions. A brief discussion of the Yue-opera Hamlet looks back at the role of Shakespeare in the Chinese discourse of renaissance and re-evaluation of traditions since the early twentieth century. A detailed analysis of the Peking-opera Hamlet shows what is lost and what is gained in the negotiation between

Shakespeare and Chinese theatrical traditions, and why. The third Hamlet is an experimental Kun-opera production, leading to a discussion of the potential for Shakespeare and Chinese theatrical traditions to join hands and reach new depths of artistic expression. The book will attract researchers, students, and enthusiasts of Shakespeare, cross-cultural Shakespearean recreation, Chinese theatrical traditions, and comparative literature.

*Debate of the Romance of the Rose*  
Oxford University Press  
The #1 New York Times Bestseller "An engaging look at the often head-scratching, frequently infuriating mating behaviors that shape our love lives."

—Refinery 29 A hilarious, thoughtful, and in-depth exploration of the pleasures and perils of modern romance from Aziz Ansari, the star of *Master of None* and one of this generation's sharpest comedic voices At some point, every one of us embarks on a journey to find love. We meet people, date, get into and out of relationships, all with the hope of finding someone with whom we share a deep connection. This seems standard now, but it's wildly different from what people did even just decades ago. Single people today have more romantic options than at any point in human history. With technology, our abilities to connect with and sort through

these options are staggering. So why are so many people frustrated? Some of our problems are unique to our time. "Why did this guy just text me an emoji of a pizza?" "Should I go out with this girl even though she listed Combos as one of her favorite snack foods? Combos?!" "My girlfriend just got a message from some dude named Nathan. Who's Nathan? Did he just send her a photo of his penis? Should I check just to be sure?" But the transformation of our romantic lives can't be explained by technology alone. In a short period of time, the whole culture of finding love has changed dramatically. A few decades ago, people would find a decent person who

lived in their neighborhood. Their families would meet and, after deciding neither party seemed like a murderer, they would get married and soon have a kid, all by the time they were twenty-four. Today, people marry later than ever and spend years of their lives on a quest to find the perfect person, a soul mate. For years, Aziz Ansari has been aiming his comic insight at modern romance, but for *Modern Romance*, the book, he decided he needed to take things to another level. He teamed up with NYU sociologist Eric Klinenberg and designed a massive research project, including hundreds of interviews and focus

groups conducted everywhere from Tokyo to Buenos Aires to Wichita. They analyzed behavioral data and surveys and created their own online research forum on Reddit, which drew thousands of messages. They enlisted the world's leading social scientists, including Andrew Cherlin, Eli Finkel, Helen Fisher, Sheena Iyengar, Barry Schwartz, Sherry Turkle, and Robb Willer. The result is unlike any social science or humor book we've seen before. In *Modern Romance*, Ansari combines his irreverent humor with cutting-edge social science to give us an unforgettable tour of our new romantic world.
