princess and an evil sorcerer begins in a woodland clearing far, far away. It is Prince Siegfried's 21st birthday. He is playing games with his friends when his mother, the Queen, arrives to tell him he needs to stop having fun and start looking after the kingdom. Prince Siegfried dreams of running away. He follows an enchanting flock of swans to a clearing by a lake, where four of the little cygnets begin to dance. The most beautiful swan transforms into the Princess Odette, who tells him that she has been cursed to turn into a swan by day and return to her natural form at night by the evil sorcerer Von Rothbart. As the prince and Odette dance, they begin to fall in love. The story follows Prince Siegfried as he attends his birthday party, is tricked into proposing to Von Rothbart's daughter Odile and returns to the lake to battle the evil sorcerer. Will the prince be reunited with his swan princess? As you and your little one journey through the magical scenes, you will press the buttons to hear 10 excerpts from the ballet's music. Musicians who work professionally with ballet and dance companies sometimes wonder if they haven't entered a foreign country—a place where the language and customs seem so utterly familiar and so bafflingly strange at the same. To someone without a dance background, phrases and terms—boy's variation, pas d'action, apothéose—simply don't fit their standard musical vocabulary. Even a familiar term like adagio means something quite different in the world of dance. Like any working professional, those conductors, composers, rehearsal pianists, instrumentalists and even music librarians working with professional ballet and dance companies must learn what dance professionals talk about when they talk about music. In *Ballet Music: A Handbook* Matthew Naughtin provides a practical guide for the professional musician who works with ballet companies, whether as a full-time staff member or as an independent contractor. In this comprehensive work, he addresses the daily

routine of the modern ballet company, outlines the respective roles of the conductor, company pianist and music librarian and their necessary collaboration with choreographers and ballet masters, and examines the complete process of putting a dance performance on stage, from selection or existing music to commissioning original scores to staging the final production. Because ballet companies routinely revise the great ballets to fit the needs of their staff and stage, audience and orchestra, ballet repertoire is a tangled web for the uninitiated. At the core of *Ballet Music: A Handbook* lies an extensive listing of classic ballets in the standard repertoire, with information on their history, versions, revisions, instrumentation, score publishers and other sources for tracking down both the original music and subsequent musical additions and adaptations. *Ballet Music: A Handbook* is an invaluable resource for conductors, pianists and music librarians as well as any student, scholar or fan of the ballet interested in the complex machinery that works backstage before the curtain goes up.

Tchaikovsky's *Ballets* combines analysis of the music of *Swan Lake*, *Sleeping Beauty*, and *Nutcracker* with a description based on rare and not easily accessible documents of the first productions of these works in imperial Russia. Essential background concerning the ballet audience, the collaboration of composer and ballet-master, and Moscow in the 1860s leads into an account of the first production of *Swan Lake* in 1877. A discussion of the theatre reforms initiated by Ivan Vsevolozhsky, Director of the Imperial Theatres and Tchaikovsky's patron, prepares us for a study of the still-famous 1890 production of

Sleeping Beauty, Tchaikovsky's first collaboration with the choreographer Marius Petipa. Professor Wiley then explains how Nutcracker, which followed two years after Sleeping Beauty, was seen by its producers and audiences in a much less favourable light in 1882 than it is now. The final chapter discusses the celebrated revival of Swan Lake in 1985 by Petipa and Leve Ivanov.

The Nutcracker Suite Alfred Music Publishing

Matthew Bourne and His Adventures in Dance is an intimate and in-depth conversation between the prize-winning pioneer of ballet and contemporary dance Matthew Bourne and the New York Times dance critic Alastair Macaulay. In 1987, a small, aspirant dance group with a striking name made its debut on the London fringe. In 1996, Adventures in Motion Pictures made history as the first modern dance company to open a production in London's West End. From this achievement, AMP sailed triumphantly to Broadway - winning three Tony Awards - guided by Artistic Director Matthew Bourne. Even before the inception of AMP,

Bourne was fascinated by theatre, by characterization, and by the history of dance. In his early works - Spitfire, Town & Country and Deadly Serious - Bourne brought a novel approach to dance. And in his reworkings of the classics of the ballet canon - Nutcracker, Swan Lake, Cinderella - Bourne created witty, vivid, poignant productions that received great acclaim. In the first decade of the new millennium, the company name was changed to New Adventures, and Bourne's 'classics', as well as Bourne's new works - The Car Man, Play Without Words, Edward Scissorhands and Dorian Gray - achieved levels of box-office popularity that have seldom, if ever, been matched in dance. In addition, his choreography for various musicals - My Fair Lady, Mary Poppins and Oliver! - have run for years in the West End and on Broadway. The detail in which Bourne discusses his work with Alastair Macaulay is unprecedented. The two explore Bourne's upbringing, his training and influences, and his distinctive creative methods. Bourne's notebooks, his sources and his collaboration with dancers all form part of the discussion in this book.
