Babylon the Great: a dissection and demonstration of men and things in the British capital, by the author of 'The modern Athens'. Minotaur Books
The Universe is on the brink of war and the fate of all organic life is linked to the Thirteen Masters who have not been seen or heard from in over 200 000

years. The ancient scriptures reveal that certain souls are critical keys to the path of light, balance, and spiritual awakening, but the galaxy as a whole has lost its way. Corruption, greed, violence, treachery, and abuse of power are rife. The immortal Elven Queen, the atheist human commander, the peaceful Setaran King, the rebellious female Karain warrior, the compassionate hybrid assassin and the lethal black dragon are all intrinsically linked with IIION - the

mysterious soul that is out of time, out of place and out for vengeance in a tapestry of CHAOS which will either renew the Universe or destroy it. [The Unflinching Collection](#) Next Chapter Escape to medieval Wales for an emotional convenient-marriage story An arranged marriage An unexpected love...? Recently widowed, Rhianon had hoped to never find herself bound to a man again after being raised by a violent father and married to an unpredictable husband. But to seal a strategic alliance, she's forced to marry Peredur ab Eilyr—a warrior lord with a formidable reputation! Rhianon may be a reluctant wife...but ruling with Peredur is revealing a passionate side to her new husband Rhianon is anything but reluctant to explore... From Harlequin Historical: Your

romantic escape to the past. The Warriors of Wales Book 1: The Warrior's Reluctant Wife

The Trip NineStar Press

For over a century, Kita has paid for his sins in innocence and blood. The sin of being born, for daring to exist, and for polluting the fae race with his tainted, mixed heritage. Half fae and half human, he is an abomination belonging to neither race, yet caught in the midst of their feuding. After winning his freedom from a lifetime of slavery to the fae, a ghost from his past has come to pull him back into the depths of hell. And this time, there will be no escape. To the world, Jacen McKenna is a gang leader, arms and drug trafficker, slaver. Labels he wears proudly to cover his true intentions. He is a warrior among his

kind, dealing justice to his enemies and mercy to those without hope. He'd thought getting thrown into Babylon, a prison notorious for its inescapability, was the ultimate low point in his life. He was wrong. From the second he laid eyes on Kita, he knew fate wasn't done screwing him over. Beautiful, wild, and defiant, Kita brought out every protective instinct he possessed; ravaged him with emotions he never thought himself capable of. He tried to keep his distance, but fate, yet again, had other plans. Caught in an impossible situation, they both have to learn to trust each other. But trust was a precious commodity in a world that had turned its back on them. Together, they must fight if they want to survive the war brewing in their midst.

Brigid's Quest Vivienne Lee Fraser
Centuries ago prophets predicted the rise of a great wizard and a formidable warrior who would save the people of their land. Now an invasion fleet is heading for Aria, is it time for the Wizard and the Warrior to arise and save them all? Runaway bride Aliah wants to be more than someone's wife. Fleeing his destiny, Seamus has no idea what he wants from his future. Thrown together by fate, the two journey to the nation's capital; one to warn the king of an impending invasion, the other to do the unthinkable—train to be a wizard. Their chance encounter takes them on a wild adventure where they must face their pasts and decide their future, all while helping Aria prepare to defend itself. However, fate has not finished with

Seamus and Aliah. In an unexpected twist, they are placed at the very centre of the conflict facing their home, and must decide whether or not to take up the challenge. With the gods on their side, it should be easy for Aliah and Seamus to identify and locate the real power behind the invasion and find a way to defeat him; all while pulling together a support team and having mid-night lessons to learn how to use their newly acquired magical tokens. Well, it would be if the gods weren't hiding more than they shared. Aria's future hangs in the balance, can two runaways tip the scales? What one reader said: Great book. I was hooked on the storyline. Can't wait for the next one!

Babylon the Great: a dissection and demonstration of men and things in

the British capital. By the author of "The Modern Athens" i.e. Robert Mudie African Sun Media

The *Bhagavad Gita* has had a profound impact on Indian life and philosophy, shaping thought in truly transformative ways. However, it has also frequently been at the center of debates and controversies, as its interpretations are often entangled in complex dialectics that resist easy resolution. This book places a primary emphasis on the *Gita*'s educational and pedagogical ideals, exploring its potential to transform Indian educational frameworks and inspire growth within a rich cultural and philosophical landscape.

Genesis of Darkness Volume 1

Macmillan

Two friend Akash and Bijay went to Nagpur to meet their old friend Anand. They met after a long time and recalled their old college days. They had fun together and enjoy it a lot but it became a twist when Anand was leaving Nagpur forever and the railway platform was the witness of their love separation between Anand and his girlfriend Neha. Though the trip was memorable, it still has some sweet and bitter memories which no one wants to recall.

The Ladies' Repository, and Gatherings of the West Trafford Publishing

All five books in 'Unflinching', a series of western novels by Stuart G. Yates, now in one volume! Unflinching: In the brutal, unforgiving West a dozen years after the

California Gold Rush, a lone Pinkerton detective is on the trail of two vicious killers. When a famous ex-general's daughter is kidnapped, Detective Simms is assigned with bringing her home. Forged in the Mexican War, this man of steel knows how to survive and how to kill. But he will need all of his skill and guile if he is to survive this unforgiving land, and bring the General's daughter home. And then, it gets personal. In *The Blood: Desperadoes* are taking advantage of the fledgling railroads that cut through the endless plains, and the Pinkertons are charged with protecting the valuable cargo. After a powerful group sets their eyes on the scarcely guarded carriages, Simms begins to shadow the train robbers. But soon, he realizes that someone is hunting him

instead. One of them will end up six feet under - by the bullet. **To Die In Glory:** Three men ride into the town of Glory and by the look of them, they are not coming to enjoy themselves. After a brief meeting with the local law enforcement, the sheriff lies gunned down. Meanwhile, things are not going too well for Detective Simms. His only way of facing a recent loss is to seek solace from the bottom of a bottle. But soon his skills are called upon again, as he hears of a telegram sent from Glory; a cry for help. Promises will be broken. People will die. And in the end, Simms will have to use all his guile and experience to survive. **A Reckoning:** Someone is hell-bent on killing Detective Simms of the Pinkerton Detective Agency. While investigating a clutch of brutal murders, Simms is

dragged into a life-and-death struggle with a bunch of desperadoes, a gunfighter and a double-crossing U.S. Marshall by the name of Dixon. This will not be the easiest time of his life, nor the most peaceful. By the end of it, a lot of people will end up dead. All Simms needs to do is make sure he isn't one of them. **Blood Rise:** After the murder of a U.S. Senator, Pinkerton Detective Simms is tasked with bringing the killer to justice. This would be a simple case for someone as determined and experienced as Simms, but shadowing him is someone far more dangerous and deadly than mere hired murderers. Across the unforgiving Territories comes a spectre of death, and once again Simms finds himself in a struggle for survival against an old enemy who will

stop at nothing to achieve his goal: the death of Detective Simms.

Green Psychology Harlequin

"I know of no other book exactly like this one, yet it is part of a tradition. One thinks of the best work of John McPhee, Wendell Berry, Annie Dillard. The writing is at once eloquent, elegant, and evocative. In short, it is a beautifully written work: a genuine pleasure to read, and to re-read." -George Garrett

"Casey Clabough's unique vision, his curious and important quest, his personable and earnest manner of expression draw us into his world just that engagingly. His world is our world, too, the trace our ancestors followed into the wilderness to transform a landscape into a nation. History, memoir, travel journal, meditation--The Warrior's Path is

all these things at once, its firm understanding of the past made lyric with lively language. This is a volume to keep close at hand when doubts about our American destiny begin to assail. Solid, durable, and--entrancing." --Fred Chappell

"This account draws us deep into an intimacy with our geography and culture, with all the triumphs, failures, and contradictions we are heir to." - Robert Morgan, author of *Brave Enemies and Boone: A Biography One of North America's oldest and most storied routes, "the Warrior's Path," as it was known by the Iroquois, was formed centuries ago by migrating animals and the humans who followed them. It spanned from the Iroquois lands of what is today New York State down the Appalachian Valley system and into the*

Cherokee country of Tennessee and North Georgia. Casey Clabough recently set out to hike more than five hundred miles of the route from Maryland to Tennessee and, in the process, to connect history, culture, and nature to the story of his own colonial German ancestors who traversed that particular section en route to the Smoky Mountains at the close of the 1700s. The Warrior's Path is both the story of Clabough's journey and a philosophical meditation upon the extraordinary people and events that have populated the thoroughfare over the course of several centuries. Rich in energy and lore, Clabough deftly employs both his ancestors' journey and his own as springboards for understanding the path's and the region's centrality in the

American experience. As he contemplates the past, Clabough conjures and evokes countless historical images: from sketches of the grand French-Indian and Revolutionary struggles to the hardscrabble circumstances of his own Appalachian ancestors. At once richly philosophical, minutely historical, and highly personal, the book invites the reader to accompany Clabough on his journey as he recounts a contemplative, provocative, and at times harrowing, experience that is sure to delight and fascinate readers. Casey Clabough is Associate Professor of English and English Graduate Coordinator at Lynchburg College in Virginia. He also serves as literature editor for the Virginia Foundation for the Humanities'

Encyclopedia Virginia. The author of scholarly books on James Dickey and Fred Chappell, his work has appeared in Callaloo, Contemporary Literature, Shenandoah, The Hollins Critic, The Sewanee Review, The Virginia Quarterly Review, and elsewhere.

The Book of the Thousand Nights and One Night Univ. of Tennessee Press
Strong and beautiful centaur Huntress Brighid struggled for years under her family's restrictive ideals and the oppressive, tyrannical rule of her mother, the clan's High Shaman. Choosing to blaze her own path in life instead of follow her kinfolk, Brighid leaves the Centaur Plains and finds a new home and a loving family among the walls of MacCallan Castle. But as Brighid sets out on a journey to guide

the grief-stricken warrior Cuchulainn back home from the Wastelands, she realizes her former life isn't so easily left behind. As the magic within her stirs and the call of the Otherworld urges her to heal the handsome warrior, Brighid must learn to accept the powerful gifts that the great Goddess Epona has given her—and the forbidden love that begins to grow for Cuchulainn.

In the Darkness, Hunting Routledge
Developed from an early oral storytelling tradition dating back to the dawn of European culture, this is one of the oldest and most vibrant of Europe's mythologies. From all six Celtic cultures - Irish, Scots, Welsh, Cornish, Manx and Breton - Peter Berresford Ellishas included popular myths and legends, as well as bringing to light exciting new

tales which have been lying in manuscript form, untranslated and unknown to the modern general reader. The author brings not only his extensive knowledge of source material but also his acclaimed skills of storytelling to produce an original, enthralling and definitive collection of Celtic myths and legends - tales of gods and goddesses, heroes and heroines, magical weapons, fabulous beasts, and entities from the ancient Celtic world.

The Warrior's Viking Bride BRILL Soldiers and Civilization covers the history of the military profession in the Western World from the ancient Greeks to the present day. Drawing from military history, sociology, and other disciplines, it goes beyond traditional insights to locate the military profession

in the context of both literary and cultural history. Reed Bonadonna maintains that soldiers have made an unacknowledged contribution to the theory and practice of civilization, and that they will again be called upon to do so in important ways. The comprehensive nature of the book and the extent to which Bonadonna draws on the disciplines of the humanities to make his points set this volume apart from others on the subject. The military profession, in its broadest consideration, might be viewed as an interdisciplinary branch of the humanities. A soldier is made of the words of history, poetry, and the laws and language of his calling. With each new conflict, the military may be called upon to preserve the values of civilization. To fulfill its future role, the

military professionals of today must know, heed, and apply the examples and narratives of the most successful and exemplary military professionals of the past at their best.

The Warrior's Path BoD – Books on Demand

The Archons of Lycanth plot once again to conquer Orissa, home of Almaric Antero. His return from the fabled far kingdoms with tomes of arcane sorcery had stymied their plans, but now their own newfound magic contends for mastery. But wars are not won by magic alone.

The Warrior's Assassin Blackstone Publishing

The author has published many books, articles and essays that take a metaphysical approach to interpreting

ancient texts such as the Vedas, the Dhampravada, the Tao Teh Ching and the Bible. He follows no theological dogma nor adopts any philosophical school. He teaches in the Renford books and in the Institute of Applied Metaphysics that taking a single approach to exclusion of any other will not produce an accurate picture. Some text must be taken metaphysically, some as historical and some as physical events in which the witness had little or no point of reference comparable to ours. In any other approach, one will be interpreting based on a fixed religious tradition or a philosophical bias. We have seen many variations on the idea that alien intervention has taken place in our ancient history but this author has gone into greater depth on the difference

between Universal Being and the warrior gods depicted in the ancient texts.

The Warrior's Reluctant Wife Allan Cole

The book is for undergraduate, postgraduate and PhD research scholars who are pursuing their courses. They can find various modern topics related with English language and Literature; it helps them to enhance their knowledge and capabilities to think upon a research topic properly and accurately. It covers the topic like Dalitism, Feminism, gynocentricism, Black Art Movement and so on along with various Diasporic topics.

Season of the 76ers McGill-Queen's Press - MQUP

This is the first scholarly book to look at the role of the 'warrior' in modern war,

arguing that warriors' actions, and indeed thoughts, are increasingly patrolled and that the modern battlefield is an unforgiving environment in which to discharge their vocation. As war becomes ever more instrumentalized, so its existential dimension is fast being hollowed out. Technology is threatening the agency of the warrior and this volume paints a picture of early twenty-first century warfare, helping to explain why so many aspiring warriors are becoming disenchanted with their profession. Written by a leading thinker on warfare, this book sets out to explain what makes an American Marine a 'warrior' and why suicide bombers, or Al Qaeda fighters, do not qualify for this title. This distinction is one of the central features of the current War on Terror –

and one that justifies much more extensive discussion than it has so far received. The Warrior Ethos will be of great interest to all students of military history, strategy, military sociology and war studies.

Suffer Little Children John Catt

A world once destroyed by a godwar and now healing since the arrival of the young gods who imprisoned the hellgod. A world seething with danger, intrigue, and wild magic, its lands scarred by the wars waged by both men and Gods. These are the lands that Chimquar the Lionhawk travels. A woman who passes for a man. A priest. A parent. A soldier. Fighting against that which would devour her simply for choosing to live her life on its own terms. Chimquar the Lionhawk first appeared in the World Fantasy

Award Winning Anthology Amazons Edited by Jessica Amanda Salmonson. Now, in this collected volume of her tales, find out why Chimquar has been called the most complex character to exist in Heroic Fantasy and one of the first female-passing-for-male protagonist to exist in the genre.

Bhagavad Gita: The Ultimate Power Transformation of Education Wildside Press LLC

Peter Tremayne's Fidelma of Cashel mysteries, set in ancient Ireland, will delight readers with their confounding puzzles and brilliant characters. Here together for the first time are the first three books in the series. Absolution by Murder: In A.D. 664, someone murders the Abbess Etain, a supporter of the Celtic way, during the synod between

the Roman and Celtic churches. Sister Fidelma, of the Celtic Church, is assigned to use her legal training and mental smarts to find out who wanted the abess dead, and why. Along the way she is paired up with Brother Eadulf, who belongs to the Roman Church, and it becomes immediately apparent that there might be more between them, as they work together to find the killer and prevent civil war. Shroud for the Archbishop: Sister Fidelma and Brother Eadulf travel to Rome to deliver a message to his Holiness. But then the Archbishop is found dead, strangled in his chambers, and a monk is observed fleeing the scene of the crime. Convinced of the monk's innocence, Fidelma pledges to help reveal the truth, but instead she stumbles across far too

few clues, an abundance of motives, and a trail that is strewn with bodies. Suffer Little Children: Fidelma, sister of Colgu, who has just become the king of Muman, the largest of the five Irish kingdoms, is tasked with solving the mystery of who murdered the Venerable Dacan, a highly respected elder from a nearby kingdom. This death has far-reaching implications for the peace between the kingdoms, and Fidelma must work to find out what happened to Dacan before a bloody war breaks out between the many factions and families of sixth century Ireland. [The Mammoth Book of Celtic Myths and Legends](#) Blue Rose Publishers

Have you ever wondered why your

students don't revise? Or why they revise ineffectively? Often, they simply don't know how. This is where The Revision Revolution comes in. What if, instead of just telling students to revise, we taught them explicit study skills from Year 7? What if we made revision enjoyable, even irresistible? The aim is not just to help students pass exams, but to embed their learning and help them grow into knowledgeable and informed young adults. In this book, Helen Howell and Ross Morrison McGill guide you step by step through how to start and sustain a revision revolution in your school, building a culture of effective study that flows through all aspects of school life.
