Ambition will fuel him. Competition will drive him. But power has its price. It is the morning of the reaping that will kick off the tenth annual Hunger Games. In the Capitol, eighteen-year-old Coriolanus Snow is preparing for his one shot at glory as a mentor in the Games. The once-mighty house of Snow has fallen on hard times, its fate hanging on the slender chance that Coriolanus will be able to outcharm, outwit, and outmaneuver his fellow students to mentor the winning tribute. The odds are against him. He's been given the humiliating assignment of mentoring the female tribute from District 12, the lowest of the low. Their fates are now completely intertwined - every choice Coriolanus makes could lead to favor or failure, triumph or ruin. Inside the arena, it will be a fight to the death. Outside the arena, Coriolanus starts to feel for his doomed tribute . . . and must weigh his need to follow the rules against his desire to survive no matter what it takes.

Create animal slippers for the whole family, with this cute collection of patterns from leading crochet designer Ira Rott. First choose your slipper type ; slide, shoe or boot ; then choose your size, and finally choose one of 20 different animal designs. This adorable book will have you reaching for your hook and crocheting the most appropriate animals for your tribe. Why not try the elephants for grandpa (who sometimes forgets), the pandas for mum (whose mascara always runs) and the bears for the little one who loves warm hugs... there are options to delight them all and keep you in handmade gifts to give for years! Ira Rott is well known for her gorgeous animal designs and her easy-to-follow crochet patterns, which include

step-by-step photographs for any fiddly parts, and crochet charts alongside the written patterns. She expertly guides you through making three different kinds of crochet slippers ; shoes with covered heels, boots with ankle cuffs, and slides which are backless slippers. Knowing what size to make is made easy thanks to a clever measuring chart at the front of the book. Simply open the flap, put your foot on the measuring gauge and instantly see what size you need. In the book are useful tables that show how much yarn and what size hook you will need for each size. Complete step-by-step instructions and charts then show you how to master each slipper type, with templates for adding non-slip soles to your crochet slippers too. Once you've mastered the slipper-making, the fun begins in creating your crochet animal designs. Choose from: the Snuggly Pug, the Cuddly Bear, the Happy Penguin, the Zingy Dinosaur, the Starry Unicorn, the Rock 'n' Roll Panda, the Sleepy Koala, the Mossy Sloth, the Graceful Elephant, the Playful Pig, the Mischievous Raccoon, the Cheeky Monkey, the Woolly Sheep, the Sandy Turtle, the Sassy Cat, the Hippie Llama, the Brave Moose, the Artful Fox, the Friendly Cow and the Roaring Lion. But that's not all ; Ira also shows you how you can mix and match patterns to create all sorts of new animals too. Add the unicorn horn to the cat for a cute uni-kitty, and mix the dinosaur and the penguin to create a wise owl ; once you've discovered that you can customize your crochet slippers you'll be able to create unlimited options!

11 crochet patterns included! If you have never crocheted before, NO PROBLEM. Everyone has to start somewhere. In this book, we will be going step by step through ten cute little amigurumi crochet patterns. Also included are basic stitch tutorials to help you along the way. Patterns for many different Organs: Brain Gall Bladder Heart Intestines Kidney Liver Lungs Pancreas Stomach Testes Uterus What started as something to pass the

time during quarantine has turned into so much more. These toys bring me joy when I make them and even more when I give them away. I hope that my creations will bring you and your lucky loved ones hours of happiness as well. When I first started, it took me a week just to figure out how to make a ball. It took even longer to get my fingers and hands used to holding a crochet hook. Crocheting can be frustrating at first but like with all things new, your body will develop muscle memory and over time, you will find that it will get easier. Always remember that nothing is hard, only new. There is no right way or wrong way to crochet. Whatever works for you, your body, and your ability is the right way. Crochet is an art form and like all art forms, is open to personal interpretation. Crochet patterns function as guidelines only, and I encourage you to bring your own artistic flair to each pattern. Do not be afraid to use different hooks or types of yarn. Experiment by changing the colors. Add accessories, modify the body shape, and bring your own individual spice to each pattern. Sometimes it will work; most of the time, it will not, and that is perfectly fine because in the end, you will end up with something that is yours. Something that you created. Your own little knotmonster.
