HUGHES SHEPARD

The Second Language Acquisition of French Tense, Aspect, Mood and Modality

John Benjamins Publishing

Temporal-aspectual systems have a great potential of informing our understanding of the developing competence of second language learners. So far, the vast majority of empirical studies investigating L2 acquisition have largely focused on past temporality, neglecting the acquisition of the expression of the present and future temporalities with rare exceptions (aside from ESL learners), leaving unanswered the question of how the investigation of different types of temporality may inform our understanding of the acquisition of temporal, aspectual

and mood systems as a whole. This monograph addresses this question by focusing on three main objectives: a) to contribute to the already impressive body of research in the L2 acquisition of tense, aspect and mood/modality from a generative perspective, and in so doing to present a more complete picture of the processes of L2 acquisition in general; b) to bridge the gap between linguistic theory and L2 acquisition; c) to make empirical findings more accessible to language instructors by proposing concrete pedagogical applications.

The Decline of the French Passé Simple

Applewood Books
Perrault's fairy stories in Mother Goose were written to amuse his children. The best known of his tales include this 8 fairy stories. They include "CINDERELLA, OR THE LITTLE GLASS SLIPPER.", "THE

SLEEPING BEAUTY IN THE WOODS.", "LITTLE THUMB.", "THE MASTER CAT, OR PUSS IN BOOTS.", "RIQUET WITH THE TUFT.", "BLUE BEARD.", "THE FAIRY.", "LITTLE RED RIDING-HOOD.", modern versions of half-forgotten folk tales, which Perrault retold in a style that is simple and free from affectation.

Learn French with Fairy Tales, where all words are given an interlinear meaning, so you can continue reading without having to spend time looking up words. 140+ pages with every word translated for fast and easy expansion of your French vocabulary. The fastest and most immersive way to learn to read French! Look for our other Interlinear books on Amazon! Beginner Stories, Intermediate Stories, Romantic Stories, and the Masked Love novel by Balzac. Use the following

method to attain new French vocabulary. Read the stories and re-read them until you know almost all the words. This is a fast process because there's no lookup time. Then focus on the remaining words that you still don't know by marking those in the text, for example. Because of the literal interlinear text this is the fastest method to learn to read French. When finished with this book, find our other HypLern Learn French books with interlinear French to English translation!

Favourite French Fairy Tales (Classic Reprint) AZ Books

Perrault's Stories: English to French THIS EDITION: The stories were originally written in French. The French text has been in large part translated anew into English for this dual-language project. Essentially, the stories have been rewritten in contemporary English from the original French. The emphasis is on attaining a high correlation between each set of text fragments. The dual-language text has been arranged into sub-paragraphs and paragraphs, for quick and easy cross-referencing. Each English text fragment is immediately followed by its French equivalent.

BRIEF SYNOPSIS: This book is a collection of eight fairy tales that were originally published in 1697. The Grimm brothers rewrote many of these stories. However, in many ways they are remarkably different versions. The full title, as translated into English, is "Tales and Stories of the Past with Morals: Tales of Mother Goose." The stories include: Sleeping Beauty in the Woods, Cinderella, Little Thumb, Puss in Boots, Riquet with the Tuft, Blue Beard, The Fairy, Little Red Riding-Hood.

AUTHOR: Charles Perrault (1628 – 1703) is often times considered the founder of the modern fairy tale genre. Although, some of his stories follow themes from earlier authors, and he did not coin the phrase 'fairy tale'. If you are having trouble with the level of difficulty in the text, a suggested path for learning languages is as follows: Familiarise yourself with a basic language instruction book — or re-read the one you have. Once a student has studied the basics, a suitable book about basic grammar can be helpful. The suggestion is that any grammar book be studied more with the intent of recognition and understanding, rather than memorising and obsessive rote learning. Go through as much of the grammar book you feel you can digest — maybe even the whole book — skipping over what is not easily understood. After this, read through a portion of text in a book called 'French Sentences', by 2LanguageBooks, looking for examples of what you have picked up

(or gleaned) in your hopefully not so arduous study of grammar. Even repeatedly seeing a word that you remember seeing listed as a 'subject pronoun' or a 'third person plural' verb of some sort is a great help. Then, depending on your inclination, return to the grammar book (or your basic French book), or move on to lengthier bilingual text — like in 2Language Books texts containing conversations, news, or stories, for example —, or find some suitable French text: a simple novel, a French news website, etc. Grammar books will likely have some verb charts. However, there are currently good on-line resources that go further — dictionaries with a verb conjugation 'search' option. Many basic language books offer some form of audio support. Internet services — primarily news based radio stations — offer podcasts. Audio from television is an additional resource, and can be formatted for use on various digital platforms. However, if audio is an important component of your interest in languages, electronic devices that support quality text-to-speech (TTS) will likely be appealing. With a library card, TTS technology (in a device that supports the relevant content), and the above mentioned resources, an entire language learning system is available for not much more than a cup of coffee! There is no substantial financial outlay to get you started. Furthermore, there are no additional ongoing fees (and updates), and there are no expiry dates on 'premium' content and resources. (A Dual-Language Book Project)

Bilingual Fairy Tales in French and English Nicolae Sfetcu

The disappearance of the French simple past has been hotly debated since the early 20th century. This volume offers an overview of its fortunes since French emerged as a language, provides a description of its distinctive features, and discusses the potential impact of its supposed demise on the whole French verb system. These assumptions are tested against a large corpus of contemporary texts. The study concludes that, despite the erosion of its meaning and its increasingly infrequent use, the simple past tense is still used by native speakers in various contexts, and no single substitute has yet emerged. Nevertheless, the simple past may be evolving into a stylistic marker, making it fertile ground for future cross-linguistic studies.

Learn French with Fairy Tales: Interlinear French to English HarperCollins

Old French Fairy Tales (Originally titled *Nouveau compte de fee pour les petit enfants*), was originally published in 1857. Written by Comtesse Sarah de Segur, with beautiful illustrations by Virginia Frances Sterrett, this book is a classic, filled with interesting stories and fantastic illustrations.

The stories for children of this anthology were selected with love and attention

specifically to meet the requirements of each child, parent, grandparent, teacher, or educator ... Whether it's a love story, a story of Christmas or a short story of goodnight - this anthology of stories contains certainly what you're looking and you like. I hope you will be happy to enter the fantastic world of immortal fairy tales in your spare time, for fun, or for homework for school. The anthology includes a wide range of fairy tales with princesses and kings, animals and frantic supernatural phenomena for all tastes. I brought together in this anthology some of the most beautiful short stories of the classical French literature for children. The first edition will be continued over many years to come, with other stories at least as beautiful, written by the most famous French authors.

Best of French Fairy Tales BRILL

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Old French Fairy Tales Franklin Classics
These 10 specially written plays are adaptations of well-known stories. Each story is given a special twist, adding extra humour. For example, Rapunzel lives at the top of the Eiffel Tower and Snow White loves to play sports, especially golf! The plays provide an ideal way of motivating children aged 7-13 to learn French. Pupils will enjoy the challenge of learning a French script and subsequently gain confidence through performing it to an audience of adults and/or fellow pupils. The plays use simple repetitive language and are easily adaptable. Each play has a specific language focus, making it easy to link the plays to topics the pupils are studying. The book contains reproducible scripts, English translations and suggestions for performing the plays. The CD-Rom included with the book contains audio files of native French speakers performing the plays as well as a pdf version of the book.

There is no substantial financial outlay to get you started. Furthermore, there are no additional ongoing fees (and updates), and there are no expiry dates on 'premium' content and resources. (A Dual-Language Book Project) 2Language Books [Old French Fairy Tales](#) Dutton Adult These old classic French stories are the foundation for many of the fairy stories known now in the west through the likes of the Disney corporation. Their value is in the lessons in life that they subliminally present to young children (though some of these have now been challenged by modern thinking).

Perrault's Stories 2Language Books New Fairy Tales: English & French · The English text has been translated from the French. · The French text has been re-worked. · Contains commentaries on some parts of the text. · Contains a summary of French grammar. · Contains a Translation Skills Test (with Grammar tips). · Can be read in 'English to French'; 'French to English'; 'English'; or 'French'. THIS EDITION: New Fairy Tales (in French, Nouveaux Contes de fées) is a classic French book written by Comtesse de Ségur. It contains a collection of five smaller stories. This volume includes an introductory section summarising the important aspects of French grammar. The digital edition also contains a translation

skills test. (Includes verb conjugation and other grammar hints.) The dual-language text has been arranged into small bilingual snippets for quick and easy cross-referencing. The content is ideal for assisting the intermediate language learner to transition to foreign language only content. Also, if the content is too difficult, there is other material put out by 2Language Books that can help. The reader can choose between six options: Section 1: English to French Section 2: French to English Section 3: English Section 4: French Section 5: English to French Skills Test Section 6: French to English Skills Test The eventual aim is to read with a comfortable level of understanding only in the foreign language. If you are a beginner, read the native language snippet first. If you are at an intermediate level, read the foreign language snippet first. The advanced level is like the beginners level, except you have to try and figure out the foreign language text, instead of having it provided. One way to do this is to cover the foreign text snippet. In the digital edition, you can take an intermediate or advanced level skills test. Many basic language books offer some form of audio support. Internet services — primarily news based radio stations — offer podcasts. Audio from television is an additional resource, and can be formatted for use on various digital platforms. However, if audio is an important component of your interest in languages, electronic devices that support quality text-to-speech (TTS) will likely be appealing. With a library card, TTS technology (in a device that supports the relevant content), and the above mentioned resources (as digital content), an entire language learning system is available for not much more than a cup of coffee! There is no substantial financial outlay to get you started. Furthermore, there are no additional ongoing fees (and updates), and there are no expiry dates on 'premium' content and resources.
