Pinky and Rex and the Bully ABDO

Be yourself like Molly Lou Melon no matter what a bully may do. Molly Lou Melon is short and clumsy, has buck teeth, and has a voice that sounds like a bullfrog being squeezed by a boa constrictor. She doesn't mind. Her grandmother has always told her to walk proud, smile big, and sing loud, and she takes that advice to heart. But then Molly Lou has to start in a new school. A horrible bully picks on her on the very first day, but Molly Lou Melon knows just what to do about that.

Principals and Other Schoolyard Bullies Boys Town Press
I created this story for children who are just reaching school age.

I believe in teaching children before they enter first grade what bullying is and teaching them that it is unacceptable behavior and how to end it regardless of what the bully says to them. That is when I think it's the best time in a child's life to introduce to them what it is before they experience it for real.

Jeff is a popular athlete who hangs with the cool kids. Reed is a brainy overachiever who is a social outcast. *The Adventures of Jeff and Reed* is a four-story anthology that explores the many anxieties, insecurities, and thrills tweens experience as they transition from elementary to middle school. The anthology

begins with *The Pirate and the Ink Blot*, where readers meet Jeff Kirkland and Reed Williams. Jeff is forced to wear a vision-correcting eye patch. The stares from strangers and the hurtful taunts from friends leave him feeling isolated and miserable. Reed can relate. A social outcast, he often is made fun of because of his appearance: the flaming red hair, the freckles, and the facial birthmark his classmates mockingly call the “ink blot.” When Jeff and Reed are paired together in a class assignment, it’s the beginning of a friendship journey that will challenge, surprise, and reward them in the most unexpected ways. Their bond continues to grow and evolve in story two, *Reed’s Rant*. Reed learns his father will be sent abroad for work, and the impending separation haunts him. Reed doesn’t know what he’ll do without his biggest supporter and best friend. He tries to suppress all his fears and anxieties, but they spill out in one explosive episode at school. Jeff can see his buddy is hurting, but has no clue what to do. He hopes his dad, who’s never failed him before, can provide the answer. As Jeff and Reed grapple with life’s uncertainties, they say goodbye to the comfort and familiarity of elementary school. In *Middle Ground One* and *Middle Ground Two*, the boys step into the strange, messy, and marvelous world of middle school. But are they prepared for what’s to come – the higher expectations, the shifting social hierarchies, and the secret crushes? *The Adventures of Jeff and Reed* is an entertaining and revealing look at the power of courage, the price of fear, the importance of self-respect, the rewards of perseverance, and the value of true friendship.

From the bestselling team behind *Mum and Dad Glue* comes an important story to help raise awareness at home or at school about stopping bullying. A little boy is feeling sad because every day he has to face a bully. But this story's little boy also has friends. A frog, a cat, a rabbit, a cow, and other animal friends insist on helping him, even after he tells them: "There's nothing you can do for me/ There's nothing you can say." Fortunately, he is mistaken, because the next time the bully approaches, they all join with him and shout, "LEAVE HIM ALONE!" And it works! The bully turns around and goes away. The gently clever use of rhyming verse gives a difficult subject a wonderfully light touch. A must-have for any child who has to deal with bullies. 'An empowering story.' - Books for Keeps
