 A National Book Critics Circle Award-winner elevates the ordinary events that occur to a man on his lunch hour

into “a constant delight” of a novel (*The Boston Globe*). In this startling, witty, and inexhaustibly inventive novel, New York Times–bestselling author Nicholson Baker uses a one-story escalator ride as the occasion for a dazzling reappraisal of everyday objects and rituals. From the humble milk carton to the act of tying one’s shoes, *The Mezzanine* at once defamiliarizes the familiar world and endows it with loopy and euphoric poetry. Baker’s accounts of the ordinary become

extraordinary through his sharp storytelling and his unconventional, conversational style. At first glance, *The Mezzanine* appears to be a book about nothing. In reality, it is a brilliant celebration of things, simultaneously demonstrating the value of reflection and the importance of everyday human experiences. “A very funny book . . . Its 135 pages probably contain more insight into life as we live it today than anything currently on the best-seller list.”

—The New York Times “Captures the spirit of American corporate life and invests it with a passion and sympathy that is entirely unexpected.” —The Seattle Times “Among the year’s best.” —The Boston Globe “Baker writes with appealing charm . . . [He] clowns and shows off . . . rambles and pounces hard; he says acute things, extravagant things, terribly funny things.” —Los Angeles Times Book Review “Wonderfully readable, in fact gripping, with

surprising bursts of recognition, humor and wonder.” —The Washington Post Book World

The Nowhere Game

HarperCollins

The Newbery Honor Book and New York Times Bestseller that is historical fiction with a hint of mystery about living at Alcatraz not as a prisoner, but as a kid meeting some of the most famous criminals in our history. Al Capone Does My Shirts has become an instant classic for all kids to read! Today I moved to Alcatraz, a twelve-acre rock covered with cement, topped with bird turd and

surrounded by water. I'm not the only kid who lives here. There are twenty-three other kids who live on the island because their dads work as guards or cooks or doctors or electricians for the prison, like my dad does. And then there are a ton of murderers, rapists, hit men, con men, stickup men, embezzlers, connivers, burglars, kidnappers and maybe even an innocent man or two, though I doubt it. The convicts we have are the kind other prisons don't want. I never knew

prisons could be picky, but I guess they can. You get to Alcatraz by being the worst of the worst. Unless you're me. I came here because my mother said I had to.  In dramatic, tightly focused narratives charges with tension,

menace, and the shock of the unexpected, *Where Is Here?* examines a world in which ordinary life is electrified by the potential for sudden change.

Domestic violence, fear and abandonment and betrayal, and the obsession with loss shadow the characters that inhabit these startling, intriguing stories. With the precision and intensity that are the hallmarks of her remarkable talent, Joyce Carol Oates explores the unexpected turns of events that leave people

vulnerable and struggling to puzzle out the consequences of their abrupt reversals of fortune. As in the title story, in which a married couple find their controlled life irrevocably altered by a stranger's visit, the fiction in this new collection is punctuated again and again by mysterious, perhaps unanswerable, questions: "Out of what does our life arise? Out of what does our consciousness arise? Why are we here? Where is here?" Like the questions

they pose, these tales -- at once elusive and direct -- unfold with the enigmatic twists of riddles and, often, the blunt shock of tragedy. *Where is Here?* is the work of a master practitioner of the short story.
