The Graveyard Book Graphic Novel:

Volume 1 Harper Collins

WINNER OF THE AUGUST DERLETH AND ARTHUR C. CLARKE AWARDS • A

masterpiece brimming with scientific splendor, magical intrigue, and fierce characters, from the author who “has reshaped modern fantasy” (The Washington Post) “[China Miéville’s] fantasy novels, including a trilogy set in and around the magical city-state of New Crobuzon, have the refreshing effect of making Middle-earth seem plodding and flat.”—The New York Times The metropolis of New Crobuzon sprawls at the center of the world. Humans and mutants and arcane races brood in the gloom beneath its chimneys, where the river is sluggish with unnatural effluent and foundries pound into the night. For a thousand years, the Parliament and its brutal militias have ruled over a vast economy of workers and artists, spies and soldiers, magicians, crooks, and junkies. Now a stranger has arrived, with a pocketful of gold and an impossible demand. And something unthinkable is released. The city is gripped by an alien terror. The fate of millions lies with a clutch of renegades. A reckoning is due at the city’s heart, in the vast edifice of brick and wood and steel under the vaults of Perdido Street Station. It is too late to escape.

The Gone-Away World Del Rey

A new novel from Angela Cervantes that uses the story of Frida Kahlo to help readers discover the true power of heritage, art, and family. A room locked for fifty years. A valuable peacock ring. A mysterious brother-sister duo. Paloma Marquez is traveling to Mexico City, birthplace of her deceased father, for the very first time. She's hoping that

spending time in Mexico will help her unlock memories of the too-brief time they spent together. While in Mexico, Paloma meets Lizzie and Gael, who present her with an irresistible challenge: The siblings want her to help them find a valuable ring that once belonged to beloved Mexican artist Frida Kahlo. Finding the ring means a big reward -- and the thanks of all Mexico. What better way to honor her father than returning a priceless piece of jewelry that once belonged to his favorite artist! But the brother and sister have a secret. Do they really want to return the ring, or are they after something else entirely?

City of Saints and Madmen Anchor

Prepare to lose yourself in the heady, mythical expanse of *The Vorrh*, a daring debut that Alan Moore has called “a phosphorescent masterpiece” and “the current century’s first landmark work of fantasy.” Next to the colonial town of Essenwald sits the Vorrh, a vast—perhaps endless—forest. It is a place of demons and angels, of warriors and priests. Sentient and magical, the Vorrh bends time and wipes memory. Legend has it that the Garden of Eden still exists at its heart. Now, a renegade English soldier aims to be the first human to traverse its expanse. Armed with only a strange bow, he begins his journey, but some fear the consequences of his mission, and a native marksman has been chosen to stop him. Around them swirl a remarkable cast of characters, including a Cyclops raised by robots and a young girl with tragic curiosity, as well as historical figures, such as writer Raymond Roussel and photographer and Edward Muybridge. While fact and fictional blend, and the hunter will become the hunted, and everyone’s fate

hangs in the balance, under the will of the Vorrh.

Мистикал. Том 2. Исчезнувшая стражница Knopf Canada

In defiance of the brutal military government that took power in Uruguay in the 1970s, and under which homosexuality is a dangerous transgression, five women miraculously find one another—and, together, an isolated cape that they claim as their own. Over the next thirty-five years, they travel back and forth from this secret sanctuary, sometimes together, sometimes in pairs, with lovers in tow or alone. Throughout it all, they will be tested repeatedly—by their families, lovers, society, and one another—as they fight to live authentic lives. A groundbreaking, genre-defining work, *Cantoras* is a breathtaking portrait of queer love, community, forgotten history, and the strength of the human spirit.

Howl's Moving Castle Del Rey

Now an animated movie from Studio Ghibli and Hayao Miyazaki, the oscar-winning director of *Spirited Away* In this beloved modern classic, young Sophie Hatter from the land of Ingary catches the unwelcome attention of the Witch of the Waste and is put under a spell . . . *Fall Down 7 Times Get Up 8* Picador
Blackwater is the saga of a small town, Perdido, Alabama, and Elinor Dammert, the stranger who arrives there under mysterious circumstances on Easter Sunday, 1919. On the surface, Elinor is gracious, charming, anxious to belong in Perdido, and eager to marry Oscar Caskey, the eldest son of Perdido's first family. But her beautiful exterior hides a shocking secret. Beneath the waters of the Perdido River, she turns into something terrifying, a creature whispered about in stories that have

chilled the residents of Perdido for generations. Some of those who observe her rituals in the river will never be seen again ... Originally published as a series of six volumes in 1983, *Blackwater* is the crowning achievement of Michael McDowell, author of the Southern Gothic classics *Cold Moon Over Babylon* and *The Elementals* and screenwriter of *Beetlejuice* and *The Nightmare Before Christmas*. This first-ever one-volume edition, with a new introduction by Shirley Jackson Award-winning author Nathan Ballingrud, marks *Blackwater's* first appearance in print in three decades and will allow a new generation of readers to discover this modern horror classic.

The City & The City Del Rey

NEW YORK TIMES BESTSELLER •

“Endlessly inventive . . . [a] hybrid of *Alice in Wonderland*, *The Wizard of Oz*, and *The Phantom Tollbooth*.”—Salon
What is Un Lun Dun? It is London through the looking glass, an urban *Wonderland* of strange delights where all the lost and broken things of London end up . . . and some of its lost and broken people, too—including Brokkenbroll, boss of the broken umbrellas; Obaday Fing, a tailor whose head is an enormous pin-cushion, and an empty milk carton called Curdle. Un Lun Dun is a place where words are alive, a jungle lurks behind the door of an ordinary house, carnivorous giraffes stalk the streets, and a dark cloud dreams of burning the world. It is a city awaiting its hero, whose coming was prophesied long ago, set down for all time in the pages of a talking book. When twelve-year-old Zanna and her friend Deeba find a secret entrance leading out of London and into this strange city, it seems that the ancient prophecy is coming true at last. But then things begin to go shockingly wrong.

BONUS: This edition contains an excerpt from China Mieville's *Embassytown*. Praise for *Un Lun Dun* "Miéville fills his enthralling fantasy with enough plot twists and wordplay for an entire trilogy, and that is a good thing. A-."—*Entertainment Weekly* "For style and inventiveness, turn to *Un Lun Dun*, by China Miéville, who throws off more imaginative sparks per chapter than most authors can manufacture in a whole book. Mieville sits at the table with Lewis Carroll, and Deeba cavorts with another young explorer of topsy-turvy worlds."—*The Washington Post Book World* "Delicious, twisty, ferocious fun . . . so crammed with inventions, delights, and unexpected turns that you will want to start reading it over again as soon as you've reached the end."—Kelly Link, author of *Magic for Beginners* "[A] wondrous thrill ride . . . Like the best fantasy authors, [Miéville] fully realizes his imaginary city." —*The A.V. Club* "Mieville's compelling heroine and her fantastical journey through the labyrinth of a strange London forms that rare book that feels instantly like a classic and yet is thoroughly modern."—Holly Black, bestselling author of *The Spiderwick Chronicles*

Nineteen eighty-four DigiCat

NEW YORK TIMES BESTSELLER • From the author of *On Tyranny* comes a stunning new chronicle of the rise of authoritarianism from Russia to Europe and America. "A brilliant analysis of our time."—Karl Ove Knausgaard, *The New Yorker* With the end of the Cold War, the victory of liberal democracy seemed final. Observers declared the end of history, confident in a peaceful, globalized future. This faith was misplaced. Authoritarianism returned to Russia, as Vladimir Putin found fascist ideas that could be used to justify rule

by the wealthy. In the 2010s, it has spread from east to west, aided by Russian warfare in Ukraine and cyberwar in Europe and the United States. Russia found allies among nationalists, oligarchs, and radicals everywhere, and its drive to dissolve Western institutions, states, and values found resonance within the West itself. The rise of populism, the British vote against the EU, and the election of Donald Trump were all Russian goals, but their achievement reveals the vulnerability of Western societies. In this forceful and unsparing work of contemporary history, based on vast research as well as personal reporting, Snyder goes beyond the headlines to expose the true nature of the threat to democracy and law. To understand the challenge is to see, and perhaps renew, the fundamental political virtues offered by tradition and demanded by the future. By revealing the stark choices before us--between equality or oligarchy, individuality or totality, truth and falsehood--Snyder restores our understanding of the basis of our way of life, offering a way forward in a time of terrible uncertainty.

The Lost City of the Monkey God Crown
With almost a million followers on Instagram this is the most personal book of artist Laia López to date. In her own words: From recreating my dad's arts and crafts to releasing my own art book. All the way from Barcelona, I present this book, the result of no small amount of hard work, love and dedication, a publication to share some of the work I've put out on social networks. Inside you'll find a compilation of my favorite illustrations to date, as well as some unpublished creations. Gleaming is a little piece of me I give to you, in which I explain my methods and techniques, tips, anecdotes and the intentions

hidden away behind my projects, so you can see just how intensely art shines in my day-to-day life.

Hush, Hush Del Rey

NEW YORK TIMES BESTSELLER In the far future, humans have colonized a distant planet, home to the enigmatic Ariekei, sentient beings famed for a language unique in the universe, one that only a few altered human ambassadors can speak. Avice Benner Cho, a human colonist, has returned to Embassytown after years of deep-space adventure. She cannot speak the Ariekei tongue, but she is an indelible part of it, having long ago been made a figure of speech, a living simile in their language. When distant political machinations deliver a new ambassador to Ariekei, the fragile equilibrium between humans and aliens is violently upset. Catastrophe looms, and Avice is torn between competing loyalties: to a husband she no longer loves, to a system she no longer trusts, and to her place in a language she cannot speak—but which speaks through her, whether she likes it or not. Praise for Embassytown “A breakneck tale of suspense . . . disturbing and beautiful by turns. I cannot emphasize enough how terrific this novel is. It's definitely one of the best books I've read in the past year, perfectly balanced between escapism and otherworldly philosophizing.”—io9 “Embassytown is a fully achieved work of art. . . . Works on every level, providing compulsive narrative, splendid intellectual rigour and risk, moral sophistication, fine verbal fireworks and sideshows, and even the old-fashioned satisfaction of watching a protagonist become more of a person than she gave promise of being.”—Ursula K Le Guin “The Kafkaesque writer journeys to the distant edges of the universe in his latest sci-fi thriller.”—Entertainment

Weekly “Utterly astonishing . . . A major intellectual achievement.”—Kirkus Reviews “Brilliant storytelling . . . The result is a world masterfully wrecked and rebuilt.”—Publishers Weekly (starred review)

Blackwater Prometheus Books

A young man discovers his identity among a tribe of rats in the renowned fantasy author's "riveting, brilliant novel"—with an introduction by Tim Maughan (Charles de Lint). Something is stirring in London's dark, stamping out its territory in brickdust and blood. Something has murdered Saul Garamond's father, and left Saul to pay for the crime. But a shadow from the urban waste breaks into Saul's prison cell and leads him to freedom: a shadow called King Rat. King Rat reveals to Saul his own royal heritage—a heritage that draws him into the grimy, magical world below London's streets. With drum-and-bass pounding the backstreets, Saul must confront the forces that would use him, the ones that would destroy him, and those that have shaped his own bizarre identity. World Fantasy Award-winning author China Miéville began his astounding career with the novel *King Rat*, which combines a young man's search for identity with a pulse-pounding story of revenge and madness. This Tor Essential edition includes an introduction by Tim Maughan, author of *Infinite Detail*.

How to Be Luminous Scholastic Inc.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE LOS ANGELES TIMES, THE SEATTLE TIMES, AND PUBLISHERS WEEKLY. When a murdered woman is found in the city of Beszel, somewhere at the edge of Europe, it looks to be a routine case for Inspector Tyador Borlú of the Extreme Crime Squad. To investigate, Borlú must travel from the

decaying Beszel to its equal, rival, and intimate neighbor, the vibrant city of Ul Qoma. But this is a border crossing like no other, a journey as psychic as it is physical, a seeing of the unseen. With Ul Qoman detective Qussim Dhatt, Borlú is enmeshed in a sordid underworld of nationalists intent on destroying their neighboring city, and unificationists who dream of dissolving the two into one. As the detectives uncover the dead woman's secrets, they begin to suspect a truth that could cost them more than their lives. What stands against them are murderous powers in Beszel and in Ul Qoma: and, most terrifying of all, that which lies between these two cities.

BONUS: This edition contains a *The City & The City* discussion guide and excerpts from China Miéville's *Kraken* and *Embassytown*.

The Boy in the Striped Pyjamas Kim Richardson

Vere's irrepressible spirit is an asset as he comes of age in Antigua. His is a hard-knocks existence marked by poverty and loss - but he is equally shaped by his family, his first love and island life. Beautifully told, his is the story of a Caribbean boy, trying to hold on to what's real and precious to him while learning to be a man.

Misterio Del Malvado Marcador Norma Editorial

'A wonderfully surprising novel, powered by wit, exuberance and nostalgia.' Chloe Aridjis, author of *Sea Monsters* A captivating portrait of contemporary Mexico, cut through with dazzling wit and sensitivity It started with a drowning. Deep in the heart of Mexico City, where five houses cluster around a sun-drenched courtyard, lives Ana, a precocious twelve-year-old still coming to terms with the mysterious death of her little sister years earlier. Over the

rainy, smoggy summer she decides to plant a vegetable garden in the courtyard, and as she digs the ground and plants her seeds, her neighbors in turn delve into their past. As the ripple effects of grief, childlessness, illness and displacement saturate their stories, secrets seep out and questions emerge - Who was my wife? Why did my mom leave? Can I turn back the clock? And how could a girl who knew how to swim drown? Using five voices to tell the singular story of life in an inner city mews, *Umami* is a quietly devastating novel of missed encounters, missed opportunities, missed people, and those who are left behind. Compassionate, surprising, funny and inventive, it deftly unpicks their stories to offer a darkly comic portrait of contemporary Mexico, as whimsical as it is heart-wrenching.

The Vorrh Piñata Books

A powerful and heartbreaking novel that chronicles the epic story of two families, two sons, and two marriages Siri Hustvedt's *What I Loved* begins in New York in 1975, when art historian Leo Hertzberg discovers an extraordinary painting by an unknown artist in a SoHo gallery. He buys the work; tracks down the artist, Bill Wechsler; and the two men embark on a life-long friendship. Leo's story, which spans twenty-five years, follows the evolution of the growing involvement between his family and Bill's-an intricate constellation of attachments that includes the two men; their wives, Erica and Violet; and their children, Matthew and Mark. The families live in the same building in New York, share a house in Vermont during the summer, keep up a lively exchange of thoughts and ideas, and find themselves permanently altered by one another. Over the years, they not only enjoy love but endure loss-in one case sudden,

incapacitating loss; in another, a different kind, one that is hidden and slow-growing, and which insidiously erodes the fabric of their lives. Intimate in tone and seductive in its complexity, the novel moves seamlessly from inner worlds to outer worlds, from the deeply private to the public, from physical infirmity to cultural illness. Part family novel, part psychological thriller, *What I Loved* is a beautifully written exploration of love, loss, and betrayal-and of a man's attempt to make sense of the world and go on living.

The Scar Del Rey

A hilarious, action-packed look at the apocalypse that combines a touching tale of friendship, a thrilling war story, and an all out kung-fu infused mission to save the world. "A flat-out ferociously good novel.... Reads like a surrealist smashup of Pynchon and Pratchett, Vonnegut and Heller." —Austin Chronicle
Gonzo Lubitch and his best friend have been inseparable since birth. They grew up together, they studied kung-fu together, they rebelled in college together, and they fought in the Go Away War together. Now, with the world in shambles and dark, nightmarish clouds billowing over the wastelands, they have been tapped for an incredibly perilous mission. But they quickly realize that this assignment is more complex than it seems, and before it is over they will have encountered everything from mimes, ninjas, and pirates to one ultra-sinister mastermind, whose only goal is world domination.

Umami Macmillan

Two young companions, Totho and Salma, arrive at Tark to spy on the menacing Wasp army, but are there mistakenly apprehended as enemy agents. By the time they are freed, the city is already under siege. Over in the

imperial capital the young emperor, Alvdan, is becoming captivated by a remarkable slave, the vampiric Uctebri, who claims he knows of magic that can grant eternal life. In Collegium, meanwhile, Stenwold is still trying to persuade the city magnates to take seriously the Wasp Empire's imminent threat to their survival. In a colorful drama involving mass warfare and personal combat, a small group of heroes must stand up against what seems like an unstoppable force. This volume continues the story that so brilliantly unfolded in *Empire in Black and Gold* - and the action is still non-stop.

Gleaming: the Art of Laia Lopez

HarperCollins

As the boundaries between worlds begin to dissolve, Lyra and her daemon help Will Parry in his search for his father and for a powerful, magical knife.

Railsea Tin House Books

A story never before told and a memoir to help change our understanding of the world around us, 13-year-old Naoki Higashida's astonishing, empathetic book takes us into the mind of a boy with severe autism. With an introduction by David Mitchell, author of the global phenomenon, *Cloud Atlas*, and translated by his wife, KA Yoshida. Naoki Higashida was only a middle-schooler when he began to write *The Reason I Jump*. Autistic and with very low verbal fluency, Naoki used an alphabet grid to painstakingly spell out his answers to the questions he imagines others most often wonder about him: why do you talk so loud? Is it true you hate being touched? Would you like to be normal? The result is an inspiring, attitude-transforming book that will be embraced by anyone interested in understanding their fellow human beings, and by parents,

caregivers, teachers, and friends of autistic children. Naoki examines issues as diverse and complex as self-harm, perceptions of time and beauty, and the challenges of communication, and in doing so, discredits the popular belief that autistic people are anti-social loners who lack empathy. This book is mesmerizing proof that inside an autistic body is a mind as subtle, curious, and caring as anyone else's.

Embassytown Henry Holt and Company
This is a dystopian social science fiction novel and morality tale. The novel is set in the year 1984, a fictional future in which most of the world has been

destroyed by unending war, constant government monitoring, historical revisionism, and propaganda. The totalitarian superstate Oceania, ruled by the Party and known as Airstrip One, now includes Great Britain as a province. The Party uses the Thought Police to repress individuality and critical thought. Big Brother, the tyrannical ruler of Oceania, enjoys a strong personality cult that was created by the party's overzealous brainwashing methods. Winston Smith, the main character, is a hard-working and skilled member of the Ministry of Truth's Outer Party who secretly despises the Party and harbors rebellious fantasies.
