America Past and Present, Brief Edition, Combined Volume, Books a la Carte Plus Myhistorylab Coursecompass Prentice Hall

Passionate political disagreement is as old as the American Republic, and the antebellum era—the thirty years before the Civil War—was as rife with partisan discord as any in our history. From 1834 to 1856, the Whigs battled their opponents, the Jacksonian Democrats, for offices, prestige, and power. The partisan expression of America's rising middle class, the Whigs boasted such famous members as Henry Clay, Daniel Webster, and William Henry Seward, and the party supported tariffs, banks, internal improvements, moral reform, and public education. In *The Whigs' America*, Joseph W. Pearson explores a variety of topics, including the Whigs' understanding of the role of the individual in American politics, their perceptions of political power and the rule of law, and their impressions of the past and what should be learned from history. Long dismissed as a party bereft of ideas, Pearson provides a counterbalance to this trend through an attentive examination of writings from party leaders, contemporaneous newspapers, and other sources. Throughout, he shows that the party attracted optimistic Americans seeking achievement, community, and meaning through collaborative effort and self-control in a world growing more and more impersonal. Pearson effectively demonstrates that, while the Whigs never achieved the electoral success of their opponents, they were rich with ideas. His detailed study adds complexity and nuance to the history of the antebellum era by illuminating significant aspects of a deeply felt, shared culture that informed and shaped a changing nation.

America - Pathways to the Present Pearson College Division

"Pearson delivers a poignant debut that explores the faith of one African American family. . . . The writing is strong, and the story is engaging, and readers will be pleased to discover a new voice in Southern inspirational fiction." —Booklist Christy Award winner! To hear Beatrice Agnew tell it, she entered the world with her mouth tightly shut. Just because she finds out she's dying doesn't mean she can't keep it that way. If any of her children have questions about their daddy and the choices she made after he abandoned them, they'd best take it up with Jesus. There's no room in Granny B's house for regrets or hand-holding. Or so she thinks. Her granddaughter, Evelyn Lester, shows up on Beatrice's doorstep anyway, burdened with her own secret baggage. Determined to help her Granny B mend fences with her far-flung brood, Evelyn turns her grandmother's heart and home inside out. Evelyn's meddling uncovers a tucked-away box of old letters, forcing the two women to wrestle with their past and present pain as they confront the truth Beatrice has worked a lifetime to hide.

America, Past and Present Prentice Hall

For today's busy student, we've created a new line of highly portable books at affordable prices. Each title in the Books a la Carte Plus program features the exact same content from our traditional textbook in a convenient notebook-ready, loose-leaf version - allowing students to take only what

they need to class. As an added bonus, each Books a la Carte Plus edition is accompanied by an access code to all of the resources found in one of our best-selling multimedia products. Best of all? Our Books a la Carte Plus titles cost less than a used textbook! *America Past and Present, Brief Edition* presents a balanced and manageable overview of the United States as an unfolding story of national development, blending the best in past historical interpretation with new scholarship. This edition features all of the strengths found in the successful comprehensive text: a compelling narrative, clear organization, and exceptional pedagogy. An attractive four-color design -featuring numerous maps, photos, and timelines engage and assist students in their study of American history. In the new 7th edition of *America Past and Present, Brief Edition* the authors have streamlined the coverage in the contemporary chapters and added a new feature that explores the connections between the past and the present.

America Past and Present, Black and White Edition Combined Volume Pearson

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," *Leaves of Grass* The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

The American Yawp Pearson College Division

U.S. History is designed to meet the scope and sequence requirements of most introductory courses. The text provides a balanced approach to U.S. history, considering the people, events, and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience). U.S. History covers key forces that form the American experience, with particular attention to issues of race, class, and gender.
