FIELD & STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations. Field & Stream The Chattahoochee is a prototypical American river-from its headwaters in the Blue Ridge Mountains to

where it flows into Apalachicola Bay, one of the most productive estuaries in North America. This entertaining, fact-filled guide covers the Chattahoochee's entire 500 mile course and 8,000 square mile watershed. The guide divides the river into ten sections, each of which includes a brief natural history and information on: camping, hiking, fishing, boating, and other

recreational pursuits bodies of water that feed into the river cities and towns with river frontage manmade structures such as bridges, dams, and historic ruins environmental threats and preservation efforts Entertaining sidebars throughout highlight the people, history, culture, wildlife, and geography of the entire river valley. Understand the "Hooch,"

say those dedicated to its conservation, and you will know more about all of our country's waterways. This guide is the place to begin. *Field & Stream* FIELD & STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen
