"The Zippy Loom is the
handy tool that's taken
the knitting world by
storm. Featuring large
pegs, Zippy Looms are
modular looms that

make knitting so quick
and easy, you can
finish a scarf in 15
minutes! Zippys can be
attached to form
longer looms, square
looms, and rectangular
looms and, when
paired with corner and
"L" connectors, can
form a wide-variety of
looms to make hats,
scarves, blankets,
shawls, and so much
more!"--Publisher's

description.

“Thiessen has done her
research, and talked to
people who truly have
insight into the process
of making both yarn
and clothing.”

—Modern Daily Knitting

Like the “slow food”
movement, Slow
Knitting encourages
knitters to step back,
pare down, and
celebrate the
craftsmanship of their
work. In five chapters
centered around the
tenets of slow
knitting—sourcing
carefully, making
thoughtfully, thinking
environmentally,
experimenting

fearlessly, and
exploring
openly—Hannah
Thiessen challenges
knitters of all skill
levels to view their
practice in a new way.
Each chapter contains
explorations of fiber
types; profiles of well-
known yarn types,
makers, and yarn
suppliers; and garment
patterns inspired by
the featured fibers.
With contributions from
knitting superstars
Norah Gaughan, Bristol
Ivy, and many others,
Slow Knitting proposes
an approach to knitting
that is both minimalist
and all-encompassing,
and emphasizes what
makes knitting a
meditation, a passion,
and a unique
necessity. “Promotes
the concept of ‘slow
knitting’ which discards
the pressure to
produce prolifically and

instead, revolves around the idea that thoughtfully produced yarn will result in better projects for you—the crafter.”

"Thiessen's new book is all about promoting creativity at a slower pace, offering advice on finding the time and space to knit in a restful, calming way."
—The Knitter Slow Knitting introduced crafters to a process of more mindful making through five basic tenets: source carefully, make

thoughtfully, think seasonally, experiment fearlessly, and explore openly. Now, this seasonal approach encourages knitters to delve deeper into those concepts, applying them to everyday making through a series of essays, projects, and patterns that explore the life of a knitter throughout the year. Organized similarly to a seasonal planting guide or farmer's almanac, each chapter and section is designed to identify and encourage small ways that knitters may begin to employ noticeable change: organizing your yarn stash, carving out time for knitting, and starting on that baby blanket in a timely manner. The ideas explored here add up to a fuller, more

mindful year, all through the joyful experience that is knitting.
