*Dog Diaries #2: Buddy* Del Rey

Arthur turned and strode toward us. He was magnificent, and I will never forget that, in that moment, I first loved him. And I believe--had I known what the future held for us: all the trouble, torment, battle, and grief of our lives--I still believe that I would have yielded my heart into his keeping as I did then . . . In a sweeping epic of the imagination, Alice Borchardt enters the wondrous realm of Arthurian legend and makes it her own. The Dragon Queen is the first volume in a trilogy of

novels that boldly re-imagines Camelot--and casts Guinevere as a shrewd, strong-willed, magical warrior queen. Born into a world of terrible strife, where war is constant and weapons are never far from the hands of men or women, Guinevere, daughter of a mighty pagan queen, is a threat to her people and a prize to the dreaded sorcerer Merlin. Sent into hiding, she grows up under the protection of a shapeshifting man-wolf and an ornery Druid. But even on the remote coast of Scotland, where dragons feed and watch over her, she is not safe from the all-seeing High Druid Merlin. He knows the young beauty's destiny, and he will stop at nothing to prevent what has been foretold. For if Guinevere becomes Queen and Arthur, King, they will bring a peace to the land that will leave the power-hungry Merlin a shriveled magician in a weary cloak. Yet Guinevere possesses power of her own--dazzling power to rival even that of Merlin. Summoned from her home by forces she cannot fathom, she travels from the Underworld to an Otherworld of the Past, at each step calling on ancient powers to aid her way. When young Guinevere proves her mettle to an embarrassed Merlin, even her faithful dragon protectors cannot prevent the evil that the sorcerer rains down. Seeking revenge, Merlin banishes Arthur to a world from which the only escape is death. Now Guinevere must face Merlin's wrath without him--and prove that she is worthy of being Arthur's Queen. From the glass-roofed Great Hall at Tintigal to the lush garden forts of Wales, Alice Borchardt details the travels of Guinevere in a rich fabric of prose. The Dragon Queen is a novel of great emotional depth, timeless romance, and soul-stirring adventure.

The New York Times Bestseller! "Absolutely riveting." —Alexandra Bracken, #1 New York Times bestselling author of *The Darkest Minds* This vividly rendered novel reads like HBO's *Game of Thrones* . . . if it were set in the Ottoman Empire. Ambitious in scope and intimate in execution, the story's atmospheric setting is rife with political intrigue, with a deftly plotted narrative driven by fiercely passionate characters and a fearsome heroine. Fans of Victoria Aveyard's *THE RED QUEEN* and Sabaa Tahir's *AN EMBER IN THE ASHES* won't want to miss this visceral, immersive, and mesmerizing novel, the first in the *And I Darken* series. *NO ONE EXPECTS A PRINCESS TO BE BRUTAL*. And Lada Dragwlya likes it that way. Ever since she and her gentle younger brother, Radu, were wrenched from their homeland of Wallachia and abandoned by their father to be raised in the Ottoman courts, Lada has known that being ruthless is the key to survival. She and Radu are doomed to act as pawns in a vicious game, an unseen sword hovering over their every move. For the lineage that makes them special also makes them targets. Lada despises the Ottomans and bides her time, planning her vengeance for the day when she can return to Wallachia and claim her birthright. Radu longs only for a place where he feels safe. And when they meet Mehmed, the defiant and lonely son of the sultan, who's expected to rule a nation, Radu feels that he's made a true friend—and Lada wonders if she's finally found someone worthy of her passion. But Mehmed is heir to the very empire that Lada has sworn to fight against—and that Radu now considers home. Together, Lada, Radu, and Mehmed form a toxic triangle that strains the bonds of love and loyalty to the breaking point. From #1 New York Times bestselling author Kiersten White comes the first book

An Instant New York Times Bestseller! Winner of the Coretta Scott King - John Steptoe for New Talent Author Award Filled with mystery and an intriguingly rich magic system, Tracy Deonn's YA contemporary fantasy reinvents the King Arthur legend and "braids together Southern folk traditions and Black Girl Magic into a searing modern tale of grief, power, and self-discovery" (Dhonielle Clayton, New York Times bestselling author of *The Belles*). After her mother dies in an accident, sixteen-year-old Bree Matthews wants nothing to do with her family memories or childhood home. A residential program for bright high schoolers at UNC-Chapel Hill seems like the perfect escape—until Bree witnesses a magical attack her very first night on campus. A flying demon feeding on human energies. A secret society of so called "Legendborn" students that hunt the creatures down. And a mysterious teenage mage who calls himself a "Merlin" and who attempts—and fails—to wipe Bree's memory of everything she saw. The mage's failure unlocks Bree's own unique magic and a buried memory with a hidden connection: the night her mother died, another Merlin was at the hospital. Now that Bree knows there's more to her mother's death than what's on the police report, she'll do whatever it takes to find out the truth, even if that means infiltrating the Legendborn as one of their initiates. She recruits Nick, a self-exiled Legendborn with his own grudge against the group, and their reluctant partnership pulls them deeper into the society's secrets—and closer to each other. But when the Legendborn reveal themselves as the descendants of King Arthur's knights and explain that a magical war is coming, Bree has to decide how far she'll go for the truth and whether she should use her magic to take the society down—or join the fight.
