The pressure of being a teenager can be overwhelming. School, sports, jobs, and relationships all press in at the same time. But the hardest thing can be feeling alone, that you have no one to share your most difficult problems with. In *The Jesus I Wish I Knew in High School*, thirty authors such as Scott Sauls, Sandra McCracken, Michelle ...

Thirty biblical meditations for women that offer hope in times of suffering. Thirty biblical meditations for women that offer hope in times of suffering. Hurt is real. But so is hope. Kristen and Sarah have walked through, and are walking in, difficult times. So these thirty biblical reflections are full of realism about the hurts of life-yet overwhelmingly full of hope about the God who gives life. This book will gently encourage and greatly help any woman who is struggling with suffering-whether physical, emotional or psychological, and whether for a season

or for longer. It is a book to buy for yourself, or to buy for a member of your church or friend. For anyone who is hurting, this book will give hope, not just for life beyond the suffering, but for life in the suffering. Each chapter contains a biblical reflection, with questions and prayers, and a space for journaling.

“Nothing short of a masterpiece.” —NPR Books A New York Times Bestseller and a Washington Post Notable Book of the Year In the most ambitious one-volume American history in decades, award-winning historian Jill Lepore offers a magisterial account of the origins and rise of a divided nation. Widely hailed for its “sweeping, sobering account of the

American past” (New York Times Book Review), Jill Lepore’s one-volume history of America places truth itself—a devotion to facts, proof, and evidence—at the center of the nation’s history. The American experiment rests on three ideas—“these truths,” Jefferson called them—political equality, natural rights, and the sovereignty of the people. But has the nation, and democracy itself, delivered on that promise? *These Truths* tells this uniquely American story, beginning in 1492, asking whether the course of events over more than five centuries has proven the nation’s truths, or belied them. To answer that question, Lepore wrestles with the state of American politics, the legacy of slavery, the persistence of inequality, and the nature

of technological change. “A nation born in contradiction... will fight, forever, over the meaning of its history,” Lepore writes, but engaging in that struggle by studying the past is part of the work of citizenship. With *These Truths*, Lepore has produced a book that will shape our view of American history for decades to come.

Kathleen O'Connor shows that the intense emotional language of Jeremiah documents a community's effort to restore their collapsed social world. Both prophet and book provide language to articulate disaster; move self-understanding from delusional security to identity as survivors; constitute individuals as moral agents; and

characterize God as suffering trauma along with the people.

the circumstances they may face.

When Your Past Is Hurting Your Present  
Revell

No mother ever expects to grieve the death of her child before or immediately after the child is born. But the National Institute of Environmental Health Sciences reports that as many as 31 percent of all pregnancies end in miscarriage, stillbirth, or infant loss. When the unthinkable happens, where do women turn for help? Written from the perspective of one grieving mommy to another, *Hope for Today, Promises for Tomorrow* is a ten-week study that will encourage and challenge women to delve into a deeper understanding of God's Word. As women engage in biblical teaching, they will learn to embrace God's promises of love,

goodness, purpose, comfort, peace, refinement, restoration, hope, and eternity. "Hope for Today" verses peppered throughout each chapter, journaling cues, prayers, and the stories of other women who have experienced loss will help readers move from grieving in silent solitude to living life in the richness of God's love. While other books suggest a one-size-fits-all method for grief management or focus on understanding specific causes of child loss, *Hope for Today, Promises for Tomorrow* offers comfort for the reader, whatever her situation, by helping her focus on the light of the ultimate Promise, the hope of a Savior, Jesus Christ.

With compassion and empathy--and plenty of "telling-on-herself" humor--she shows readers how to... Identify, release, and change how they respond to the past Overcome the "victim" mentality Set goals for the future with passion and purpose Fears will be conquered and dreams renewed for those seeking to cut loose the baggage of the long ago. A must-read for anyone struggling with a difficult past that is harming their present and crippling their future.

Every day can be a good day when you

trust the promises of God. Job frustrations, difficult relationships, fluctuating health, emotional upheaval. When life conspires to drag us down with all of its troubles, it can be hard to keep our spirits up. Dr. Michelle Bengtson knows. Severely ill and mired in depression, she desperately needed something to cling to. That is when she decided to stand on God's promises that, despite her circumstances, every day was a good day for a good day. In this uplifting devotional, Bengtson helps you make each day a good day no matter what is going on in your life. Each reading includes Scripture, reflection, prayer, and a recommended playlist song designed to help you live out Philippians 4:8: "Finally, brothers and sisters, whatever is true, whatever is

noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable--if anything is excellent or praiseworthy--think about such things." Because our thoughts determine our beliefs, our beliefs determine our attitudes, and our attitudes determine our behaviors.

What Kind of Relationship Can You Have with Someone You Fear? For most of us, fear is something we try to avoid. And fearing God hardly sounds like an occasion for joy. But Jerry Bridges shows how the fear of the Lord is actually the key that opens the door to a life of true knowledge, wisdom, blessing, and joy. We all want a deeper, more intimate relationship with God—one that's

characterized by joy. But how does fearing God lead to joy? After all, aren't we supposed to love Him and live in intimate relationship with Him? Jerry Bridges explores this paradox as he unpacks the biblical promise that God delights in those who fear Him. Join him as he unveils the awesome greatness of God—His incredible holiness, deep wisdom, and especially His inspiring love. You'll gain a deeper understanding of who God is that will draw you into a truly biblical, and surprisingly delightful, fear of God—a fear that includes your own genuine, heartfelt delight in God. You'll make the startling discovery that the fear of the Lord, far from being something to avoid, is the key to joyful, fulfilling, and genuine intimacy with God. It can change your relationship with God

and change your life! Discover the surprising Joy of Fearing God!

Does God Suffer?

*The Joy of Fearing God* Thunder and Fire Press

Sometimes life just hurts. Out of nowhere, death, illness, unemployment, or a difficult relationship can change our

lives and challenge everything we thought we knew—leaving us feeling unable to cope. But, in the midst of all this pain and confusion, we are not alone. Weaving together his personal story, pastoral ministry experience, and biblical insights, best-selling author Paul David Tripp helps us trust God in the midst of suffering. He identifies traps to avoid in our suffering and points us instead to comforts to embrace. This raw yet hope-filled book will help you cling to God's promises when trials come and move forward with the hope of the gospel.

*Hope When It Hurts* Thomas Nelson  
Pastor John Piper shows how to sever the clinging roots of sin that ensnare us, including anxiety, pride, shame, impatience, covetousness, bitterness,

despondency, and lust in Battling Unbelief. When faith flickers, stoke the fire. No one sins out of duty. We sin because it offers some promise of happiness. That promise enslaves us, until we believe that God is more desirable than life itself (Psalm 63:3). Only the power of God's superior promises in the gospel can emancipate our hearts from servitude to the shallow promises and fleeting pleasures of sin. Delighting in the bounty of God's glorious gospel promises will free us for a less sin-encumbered life, to the glory of Christ. Rooted in solid biblical reflection, this book aims to help guide you through the battles to the joys of victory by the power of the gospel and its superior pleasure.

Ours is an age of anxiety. We worry about our children, jobs, homes, health, and finances. News and social media feed our fears. Even the fear of missing out leads to anxiety. The solution isn't to rid ourselves of the sources of anxiety but to recognize that anxiety originates from a spiritual influence--and then use the weapons of power, love, and a sound mind to fight back and live in God's peace. Sharing her own story of emerging from the battle with anxiety as well as the stories of others, Dr. Michelle Bengtson reminds you of your identity as a follower of Christ and of the peace he promises you in spite of everything. She provides tools to cope with the crushing emotional burden of anxiety now, and, more importantly, shows you how to

reclaim God's peace as a way of life so that you can break anxiety's grip.

there is meaning and reason behind pain and suffering, making a forceful and groundbreaking case that this essential part of the human experience can be overcome only by understanding our relationship with God.
