If you give a dog a donut, he'll ask for some apple juice to go with it. When you give him the juice, he'll drink it all up. Then, before you can say "Woof" . . . Dog is off on a backyard adventure! The exuberant dog who first appeared in if you give a pig a party is now the star of his very own book. Written in the irresistible "If You Give..." tradition, if you give a dog a donut is another home run from the beloved team of Laura

Numeroff and Felicia Bond.

*Ghosts: A Graphic Novel* Harper Collins  
NEWBERY MEDAL WINNER • TIME  
MAGAZINE'S 100 BEST FANTASY BOOKS  
OF ALL TIME • NOW A MAJOR MOTION  
PICTURE FROM DISNEY Read the ground-  
breaking science fiction and fantasy  
classic that has delighted children for  
over 60 years! "A Wrinkle in Time is one  
of my favorite books of all time. I've read  
it so often, I know it by heart." —Meg  
Cabot Late one night, three otherworldly  
creatures appear and sweep Meg Murry,  
her brother Charles Wallace, and their  
friend Calvin O'Keefe away on a mission  
to save Mr. Murray, who has gone

missing while doing top-secret work for the government. They travel via tesseract--a wrinkle that transports one across space and time--to the planet Camazotz, where Mr. Murray is being held captive. There they discover a dark force that threatens not only Mr. Murray but the safety of the whole universe. A Wrinkle in Time is the first book in Madeleine L'Engle's Time Quintet.

Frozen in Time Macmillan  
 25 years and over 1 million copies in print: An updated, repackaged edition of the bestselling divination tool and party favorite - ask a yes or no question, open the book, find your answer. Should you ask your boss for a raise? Call that cutie you met at a party? Sell your Google stock? Tell your best friend her boyfriend's cheating? The answer to

these questions (and hundreds of others) is in this fun and weirdly wise little book that's impossible to put down. It's simple to use: just hold it closed in your hands and concentrate on your question for a few seconds. While visualizing or speaking your question, place one palm down on the book's front and stroke the edge of the pages back to front. When you sense the time is right, open to the page your fingers landed on and there is your answer! Fun, satisfying, and a lot less time-consuming than asking everyone you know for advice.

Among the Hidden Knopf Books for Young Readers  
 Earth's past is littered with the mysterious and unexplained: the pyramids, Easter Island, Stonehenge, dinosaurs, and the list goes on and on as

science looks for clues to decipher these puzzles. One such mystery surrounds the now-extinct creature called the woolly mammoth. Author and meteorologist Michael Oard has studied the mammoth and its equally mysterious time period, the Ice Age, for many years and has come to some fascinating conclusions to help lift the fog engulfing the facts. Some of the questions he addresses include: What would cause the summer temperatures of the northern United States and European to plummet more than 50 degrees Fahrenheit? Why did mammoths become extinct across the entire earth at the same time as many other large mammals? Why are the mammoth carcasses found generally in standing positions? How could large lakes exist in what are today very dry, desert-

like places? What was the source of the abnormal of moisture necessary for heavy snow? What caused the cold summer temperatures and heavy snowfall to persist for hundreds of years? In logical progression many other Ice Age topics are explained including super Ice Age floods, ice cores, man in the Ice Age, and the number of ice ages. This is one of the most difficult eras in geological history for a uniformitarian scientist (one who believes the earth evolved by slow processes over millions of years) to explain, simply because long ages of evolution cannot explain it. Provided here are plausible explanations of the seemingly unsolvable mysterious about the Ice Age and the woolly mammoths - Frozen in Time.

"Bark, George," says George's mother, and George goes: "Meow," which definitely isn't right, because George is a dog. And so is his mother, who repeats, "Bark, George." And George goes, "Quack, quack." What's going on with George? Find out in this hilarious new picture book from Jules Feiffer.

Parliamentary Papers Penguin

Far off the coast of California looms a harsh rock known as the island of San Nicholas. Dolphins flash in the blue waters around it, sea otter play in the vast kelp beds, and sea elephants loll on the stony beaches. Here, in the early 1800s, according to history, an Indian girl spent eighteen years alone, and this beautifully written novel is her story. It is a romantic adventure filled with drama and heartache, for not only was mere

subsistence on so desolate a spot a near miracle, but Karana had to contend with the ferocious pack of wild dogs that had killed her younger brother, constantly guard against the Aleutian sea otter hunters, and maintain a precarious food supply. More than this, it is an adventure of the spirit that will haunt the reader long after the book has been put down. Karana's quiet courage, her Indian self-reliance and acceptance of fate, transform what to many would have been a devastating ordeal into an uplifting experience. From loneliness and terror come strength and serenity in this Newbery Medal-winning classic.

*A Lesson Before Dying* Harper Collins

With more than 2 million books sold, the Baseball Card Adventures bring the greatest players in history to life! Like

every other kid in his class, Joe Stoshack has to write a report on an African American who's made an important contribution to society. Unlike every other kid in his class, Joe has a special talent: with the help of old baseball cards, he can travel through time. So, for his report, Joe decides to go back to meet one of the greatest baseball players ever, Jackie Robinson, to find out what it was like to be the man who broke baseball's color barrier. Joe plans on writing a prize-winning report. But he doesn't plan on a trip that will for a short time change the color of his skin—and forever change his view of history and his definition of courage. With historical photos and back matter to separate the facts from the fiction, New York Times bestselling author Dan Gutman takes

readers on a page-turning trip through baseball's past.

**Speak** Farrar, Straus and Giroux (BYR)  
The Giver, the 1994 Newbery Medal winner, has become one of the most influential novels of our time. The haunting story centers on twelve-year-old Jonas, who lives in a seemingly ideal, if colorless, world of conformity and contentment. Not until he is given his life assignment as the Receiver of Memory does he begin to understand the dark, complex secrets behind his fragile community. This movie tie-in edition features cover art from the movie and exclusive Q&A with members of the cast, including Taylor Swift, Brenton Thwaites and Cameron Monaghan.

**A Northern Light** Macmillan  
This Newbery Honor winner and #1 New

York Times bestseller is a beloved modern classic. Hoot features a new kid and his new bully, alligators, some burrowing owls, a renegade eco-avenger, and several extremely poisonous snakes. Everybody loves Mother Paula's pancakes. Everybody, that is, except the colony of cute but endangered owls that live on the building site of the new restaurant. Can the awkward new kid and his feral friend prank the pancake people out of town? Or is the owls' fate cemented in pancake batter? Welcome to Carl Hiaasen's Florida—where the creatures are wild and the people are wilder!

**Things Fall Apart** Scholastic Inc. In this zany twist on the legend of King Midas and his golden touch, a boy acquires a magical gift that turns

everything his lips touch into chocolate! Kids will eat this up for summer reading or anytime! Can you ever have too much of your favorite food? John Midas is about to find out.... The Chocolate Touch has remained a favorite for millions of kids, teachers, and parents for several generations. It's an enjoyable story that pulls in even reluctant readers.

In 1906, sixteen-year-old Mattie, determined to attend college and be a writer against the wishes of her father and fiance, takes a job at a summer inn where she discovers the truth about the death of a guest. Based on a true story. The Book of Answers Farrar, Straus and Giroux (BYR)

In this wrenching sequel to *Divided We Fall*, Danny and friends fight to defend

Idaho against a Federal takeover and the ravages of a Burning Nation. At the end of *Divided We Fall*, Danny Wright's beloved Idaho had been invaded by the federal government, their electricity shut off, their rights suspended. Danny goes into hiding with his friends in order to remain free. But after the state declares itself a Republic, Idaho rises to fight in a second American Civil War, and Danny is right in the center of the action, running guerrilla missions with his fellow soldiers to break the Federal occupation. Yet what at first seems like a straightforward battle against governmental repression quickly grows more complicated, as more states secede, more people die, and Danny discovers the true nature of some of his new allies. Chilling, powerful, and all too plausible, *Burning Nation*

further establishes Trent Reedy as a provocative new voice in YA fiction.

**Bark, George** Harper Collins

*Goosebumps* now on Disney+! While staying with his weird great-aunt Kathryn, Evan visits an eerie old toy store and buys a dusty can of *Monster Blood*. It's fun to play with at first. And Evan's dog, Trigger, likes it so much, he eats some. But then Evan notices something weird about the slimy green ooze. It keeps growing. And growing. And growing. And all that growing has given the *Monster Blood* a monstrous appetite. . . .

For a girl like Melody and a dog like Mo, life can be both sticky and sweet. Melody has lived in Royal, Indiana, for as long as she can remember. It's been just her and

her father, and she's been okay with that. But then she overhears him calling someone Honey -- and suddenly it feels like everyone in Royal has a secret. It's up to Melody and her best friend, Nick, to piece together the clues and discover why Honey is being hidden. Meanwhile, a dog named Mo is new to Royal. He doesn't remember much from when he was a puppy . . . but he keeps having dreams of a girl he is bound to meet someday. This girl, he's sure, will change everything. In **HONEY**, Sarah Weeks introduces two characters -- one a girl, one a dog-- who are reaching back further than their memories in order to figure out where they came from and where they're going. It's a total treat from beginning to end.

With more than 2 million books sold, the **Baseball Card Adventures** bring the greatest players in history to life! With historical photos and back matter to separate the facts from the fiction, New York Times bestselling author Dan Gutman takes readers on a page-turning trip through baseball's past. Perfect for young readers who love time travel stories and dream about meeting history's greatest baseball players! Joe Stoshack lives for baseball. He knows everything there is to know about the game—except how to play well. His specialty is striking out. Stosh feels like a real loser, and when he takes a low-paying job cleaning a bunch of junk out of his neighbor's attic, he feels even worse—until he comes across a little piece of cardboard that takes his breath

away. His heart is racing. His brain is racing. He can hardly believe his eyes. Stosh has stumbled upon a T-206 Honus Wagner—the most valuable baseball card in the world! But he's about to find out that it's worth a lot more than money. Because it turns out Stosh has the incredible ability to travel through time using baseball cards—and now he's headed back to 1909, when Honus Wagner played for the Pittsburgh Pirates in a World Series for the record books. But will the legendary Honus Wagner be able to teach Joe how to be a better baseball player?

**Go Big or Go Home** Oxford University Press

"A true classic of world literature . . . A masterpiece that has inspired generations of writers in Nigeria, across

Africa, and around the world." —Barack Obama "African literature is incomplete and unthinkable without the works of Chinua Achebe." —Toni Morrison Nominated as one of America's best-loved novels by PBS's The Great American Read Things Fall Apart is the first of three novels in Chinua Achebe's critically acclaimed African Trilogy. It is a classic narrative about Africa's cataclysmic encounter with Europe as it establishes a colonial presence on the continent. Told through the fictional experiences of Okonkwo, a wealthy and fearless Igbo warrior of Umuofia in the late 1800s, Things Fall Apart explores one man's futile resistance to the devaluing of his Igbo traditions by British political and religious forces and his despair as his community capitulates to

the powerful new order. With more than 20 million copies sold and translated into fifty-seven languages, *Things Fall Apart* provides one of the most illuminating and permanent monuments to African experience. Achebe does not only capture life in a pre-colonial African village, he conveys the tragedy of the loss of that world while broadening our understanding of our contemporary realities.
