CAMACHO GREGORY

Self-Working Mental Magic

Princeton
University Press
Exclusive Magical Secrets
was originally published
by The Magician Ltd as a
limited edition of 1000 in
1912. It was bound with a
lock on the cover and
became known as "The

Locked Book of Magical
Secrets." The author, Will
Goldston, was born in
1878 in Liverpool and first
went on stage under the
name Carl Devo. He later
became the
manager/buyer of
Gamage's Theatrical and
Entertainment
Department. Goldston
was an early member of
the Magic Circle but
resigned and formed his
own society - The

Magicians' Club of London
with Harry Houdini as
President, a post he held
until his death. He set up
in business as William
Goldston Ltd in Aladdin
House near Leicester
Square in London where
he sold "magic tricks."
The business was later
bought by Davenport's,
the famous London magic
shop. He edited a number
of publications: Magician
Annual (1907-1912),

Magician Monthly (1904-1913), Magazine of Magic (1914-1930) and Golston's Magical Quarterly (1934-1940). If he had been alive today it is likely that Will Goldston would have been one of the most famous people in the world of magic. As it is his legacy stands, not only in his writings but also in the inspiration he gave to future generations of magicians. Like many other books of this era some of the tricks described use substances and methods that would be considered dangerous

today and are most likely unobtainable. However, as magicians are always re-inventing old tricks in many cases there are simple substitutes. You are warned, however, not to take any risks. As with other offerings in The Golden Age of Magic series this volume is not a straightforward reproduction of the original text. There are a number of reasons for this. The main one, as with almost all early books, is that the typefaces used frequently make reading a chore

rather than a pleasure. There is also the fact that the original printings were poorly edited, resulting in spelling errors and sometimes mistakes which completely alter the meaning of the text. Wherever possible we have endeavored to reproduce illustrations from the original to the highest possible standard and, in many cases, have been able to improve them. However, you should be aware that some illustrations in the original books were, themselves, copied from

documents that were then many years old and some reproductions may not be to present day standards. However, we have taken the liberty of producing the book to make it both accurate and accessible. We would hope that, were the author alive today, he would very much approve of this edition.

How to Be a Mentalist

Courier Corporation

A steamy, romantic suspense novel by USA TODAY Bestselling author, L.P. Dover. If you love strong and sexy football players that'll make your panties drop and wildly hot motocross racers then this book is definitely for you!! Both have what

she wants ... but only one has what she needs.

Working with professional athletes and helping them recover from their injuries has always been Kate Townsend's dream, but after an accident left her scarred and heartbroken years ago she refuses to let what happened in her past happen again. Staying focused is the key, as well as not letting her feelings interfere with her job ... no matter the circumstances. All of that is easier said than done when not only one, but two men crave her

healing touch, igniting every single desire she's denied herself for so long. Cooper Davis, NFL's star quarterback and most eligible bachelor, packs up and leaves his home to move across the states to the East Coast after an injury results in the embarrassing trade to another team. Bitter from the pain, he deals with his problems through drugs and alcohol—almost ruining his football career—until he meets the one woman who makes him want to feel; the same woman who

refuses to give up on him no matter how many times he screws up. He has to have her, and he's not going to stop until he makes her his. Especially, now that someone else threatens to take her away. Motocross champion and local bad boy Luke Collins never takes no for an answer. For the past four months he's used his charms to get what he wants, and now he's so close to getting the girl of his dreams ... if she'll give in just once. One time is all he needs, and he's never

been known to fail, but he's also never had to fight for a woman's affections. Only one man will win their way into Kate's heart, but which one will intercept the other and take what they want? Which one will she choose?
