The Lost Heir (Wings of Fire Graphic Novel #2): A Graphix Book Bloomsbury Publishing

Some curses can't be outrun. The secret to Redd's past is locked away in a 400-year-old box that mysteriously appears every year on her birthday. For her entire life, her mother has kept them running from whatever lurks inside it. But Redd's had enough of not knowing who she is. So when the box shows up where only she can find it, she opens it...and awakens a link to the evil her mother fought to keep dormant. John lives in an old-fashioned village, a place of exquisite beauty and abundance. But such splendor demands that the villagers commit unspeakable acts. When the link with Redd is unlocked, the village council believes they have a solution to simplify their darkest task. John is sent to find the one girl who could possibly save them...if she makes the ultimate sacrifice. Eleanor sets off from England to America in 1587, pregnant and desperate to leave her ties with the devil behind. But when the captain of the ship refuses to take her and the other settlers further than Roanoke Island, what should be the beginning of a better life turns into a horrendous struggle to survive. Eleanor's desire to see her daughter live at any cost will curse her and everyone around her for centuries to come... Redd, John, and Eleanor's stories meld together in a mashup of dark, urban, and historical fantasy, delving into the nuances of good and evil, the price of loyalty, and the extremes we will go to for those we love.

"In 2013, Megan Boyle was unhappy with the life she was living and wanted to document it on the internet for an audience. Her hope was that if she documented each thought and action on the internet, then she would begin to behave in a manner more appropriate to the life she wanted to live. She needed a judge and a jury to see her crimes and non-crimes, her actions and thoughts, and her life. The results are an illuminating text of great length with poetic insight on every page. It is a reading experience that leaves a little bit of Megan Boyle inside of you long after you have finished reading it. This is akin to Karl Ove Knausgaard's *My Struggle* and David Foster Wallace's *Infinite Jest*, yet totally different and new--and it is a book of daring length. Drugs, love, home, parents, friends, life, death, work, and the internet. LIVEBLOG is an historical text, extremely unique and shockingly human." -- Page 4 of cover.
