### **Dina Asher-Smith (Ultimate Sports Heroes)**

Random House  
'Usain was confident. After all, he'd been rewriting the record books of athletics history for a decade.' 9.58 seconds was all it took for Usain Bolt to blaze his way into the history books, with a 100 metres world record that shocked the world. But when Usain was little, he preferred cricket to

running. No one knew that the tall, skinny boy from a small town in Jamaica would go on to become 'The Lightning Bolt' - the fastest man ever.

#### **How to Win** Dino Books

Complete your collection with these limited Ultimate Football Heroes International editions - now with a bonus World Cup chapter. When Harry Kane was released by Arsenal at nine years old for being too small, he had to use all his self-belief to prove that he could make it as a footballer. Now a superstar striker for Tottenham Hotspur and England, his hard

work and determination have paid off. Kane is the amazing story of how the boy from North London became the Premier League's most lethal goalscorer.

#### *All That Man Is* Penguin

This is the story of one of the world's best sprinters and her journey to greatness. Dina Asher-Smith is the fastest British woman in recorded history, an Olympic medallist and the 2019 World Champion at 200 metres. The British sprint superstar was born in London and by the age of seven she was already faster than any of her friends, and even her teachers. Follow

her inspirational story from her lunchtime running club at primary school to the bright lights of the international stage. The Cost of These Dreams HarperCollins Indexes the Times, Sunday times and magazine, Times literary supplement, Times educational supplement, Time educational supplement Scotland, and the Times higher education supplement.

Dino Books

Containing over 1500 questions on a wide range of sports, this book provides a comprehensive test of sporting knowledge. Varied and challenging, the questions are divided into eight chapters, including one on numbers (multiple choice) and two on sporting miscellany. While featuring question categories on over 30 physical sports, the book also includes a category on 'mind sports' such as chess and bridge. The questions have a slight modern bias, but earlier eras are not neglected in order to tap into the rich history of competitive sport. Updated to include events from 2012, this second edition brings out some fascinating facts and both sports fans and quizzers should find it entertaining and informative.

### Against All Odds Routledge

Get Started In Creative Writing: Teach Yourself Teach Yourself  
Emerson Grace has rallied her way through the ranks of the world's top tennis players, but she's yet to reach the ultimate goal—winning a Grand Slam. She's done coming in second—both on and off the court. At least that was the plan until someone leaks risqué photos of her right as her ex Rob Ashton returns to the tennis scene. Rob's had nine years to

regret letting Em go, and nothing is going to stand in the way of proving she's the only match he wants to win. Giving the man who makes her body melt another chance is tempting, but Em has to decide if letting Rob win her heart is worth risking her chance to win a Grand Slam.

Novak Djokovic: the Inspiring Story of One of Tennis' Greatest Legends Michael O'Mara Books

Scotland needs more winners - all kinds of winners - in sport and in life. And with the Olympics heading to London and the Commonwealth Games coming to Glasgow, we now have the major catalysts to inspire us to be winners. But as a nation we need to overcome our natural reserve and tendency to underperform when it really matters. We need to find new levels of self-belief and optimism. We need more winning role models: more Chris Hoy's, Alex Ferguson's, Andy Murrays and Liz McColgans. Packed with significant insights from Scotland's leading sportsmen and women, past and present, Be a Winner takes the reader on a personal journey to help them become a genuine success. It encourages them to set their own sporting goals and identify their own

personal bests, and, most importantly, gives guidance about how to reach them, through the example of great Scottish winners. It also highlights the steps that an individual can take to develop a winning mentality. From motivation to dedication, competitiveness to teamwork, this book covers all the bases. Be a Winner tells it straight when it comes to sport and how to succeed in it, through the advice of the Scottish men and women who have reached the very pinnacle of their various fields. This book will enable a proud Scot to become a 'super Scot'.

*The Beautiful Games - Scotland's Hidden Sports* University of Chicago Press

The Beautiful Games: Scotland's Hidden Sports is an immersion into little-seen worlds. Scotland is obsessed with football. Other sports live in its shadow, misunderstood or unheard of by all but a few, their compelling stories and characters ignored or disparaged. Henry Hepburn's growing disillusion with his one-sport country has driven him to explore what else is out there. Who are the diehards keeping their sport alive, the star players who fail to make the back pages? How perilous is their sport's future in

Scotland? And, in a country where their efforts go unheralded, why bother at all? The Beautiful Games illuminates a sporting nation waiting to be discovered.

*The Parliamentary Debates (Hansard)*.

Random House

Meet Kylian Mbappe - Ultimate Football Hero. Kylian Mbappe has the world at his feet. The young French striker's goals, skills and fearless attacking spirit earned him a £166 million transfer to French champions Paris Saint-Germain, to take on the best teams in Europe with new teammate Neymar. And at the 2018 World Cup, Kylian was the star player, his goals firing France to victory in the final. Now as a world champion, he has just one goal left - to become the best player ever. Ultimate Football Heroes is a series of biographies telling the life-stories of the biggest and best footballers in the world and their incredible journeys from childhood fan to super-star professional player. Written in fast-paced, action-packed style these books are perfect for all the family to collect and share.

*Everyday Hockey Heroes, Volume II*

Frances Lincoln Children's Books

Finalist for the 2016 Man Booker Prize

Winner of the 2016 Paris Review Plimpton Prize for Fiction A magnificent and ambitiously conceived portrait of contemporary life, by a genius of realism Nine men. Each of them at a different stage in life, each of them away from home, and each of them striving--in the suburbs of Prague, in an overdeveloped Alpine village, beside a Belgian motorway, in a dingy Cyprus hotel--to understand what it means to be alive, here and now. Tracing a dramatic arc from the spring of youth to the winter of old age, the ostensibly separate narratives of All That Man Is aggregate into a picture of a single shared existence, a picture that interrogates the state of modern manhood while bringing to life, unforgettably, the physical and emotional terrain of an increasingly globalized Europe. And so these nine lives form an ingenious and new kind of novel, in which David Szalay expertly plots a dark predicament for the twenty-first-century man. Dark and disturbing, but also often wickedly and uproariously comic, All That Man Is is notable for the acute psychological penetration Szalay brings to bear on his characters, from the working-class ex-

grunt to the pompous college student, the middle-aged loser to the Russian oligarch. Steadily and mercilessly, as this brilliantly conceived book progresses, the protagonist at the center of each chapter is older than the last one, it gets colder out, and All That Man Is gathers exquisite power. Szalay is a writer of supreme gifts-- a master of a new kind of realism that vibrates with detail, intelligence, relevance, and devastating pathos.

The Way of the Tortoise National Geographic Books

"It's easy to do anything in victory. It's in defeat that a man reveals himself."

—Floyd Patterson Twenty-two notable writers—including Bob Sullivan, Abby Ellin, Mike Pesca, Sir Arthur Conan Doyle, Louisa Hall, and Gay Talese—examine the untold stories of the losers, and in doing so reveal something raw and significant about what it means to be human The locker rooms of winning teams are crowded with coaches, family, and fans. Reporters flock to the athletes, brimming with victory and celebration, to ask, How does it feel? In contrast, the locker rooms of the losing teams are quiet and awkward, and reporters tend to leave quickly, reluctant

to linger too long around loss. But, as sports journalists Mary Pilon and Louisa Thomas argue, losing is not a phenomenon to be overlooked, and in *Losers*, they have called upon novelists, reporters, and athletes to consider what it means to lose. From the Olympic gymnast who was forced to surrender her spot to another teammate, to the legacy of Bill Buckner's tenth-inning error in the 1986 World Series, to LeBron James's losing record in the NBA Finals, these essays range from humorous to somber, but all are united by their focus on defeat. Interweaving fourteen completely new and unpublished pieces alongside beloved classics of the genre, *Losers* turns the art of sports writing on its head and proves that there is inspiration to be found in stories of risk, resilience, and getting up after you've been knocked down.

**Mane (Ultimate Football Heroes) - Collect Them All!** Dino Books

'A timely, engaging and thought-provoking read from an ideal guide to explore what the future may hold.' Dan Roan, Sports Editor, BBC News 'Matt shows with great insight and wisdom how (sport) can form the foundations for future discovery,

development and ultimately, happiness.' Ben Ryan, Olympic Gold Medal-Winning Rugby Coach and Author *Sevens Heaven*, Daily Telegraph Sports Book of the Year 2019 Sport can save us. After a fractious decade following the 2012 Olympics, sport - one of our few remaining collective rituals - is entering its golden age. An increasingly powerful force for good, it is undergoing a dramatic transformation that will positively impact our lives, on and off the pitch. From the collective shared experience of a nationwide event and the individual benefits gained from lacing up your trainers and getting out there to the political power of a footballer's Twitter account, *All to Play For* is a roadmap for the way that sports can unite us in the worst of times. Illuminated by interviews with a diverse range of sports insiders, including fitness guru Joe Wicks, gold medalist Greg Searle, the mind behind the viral 'This Girl Can' campaign, Tanya Joseph, and running obsessed rockstar Johnny Marr, *All to Play For* dives into the past, present and future of the industry to show how sport will lead us out of the darkness and guide us in a post-pandemic world. Covering the rise of the athlete

activist, the necessity of grassroots organisations, the secret recipe for making sport an effective tool for change and ten bold predictions on how it will guide us in the future, this is an examined look at why sport has the power to heal a divided world.

The Routledge Companion to British Media History The Wild Rose Press Inc  
ROGER FEDERER. RAFAEL NADAL. NOVAK DJOKOVIC. At the highest echelons of tennis, a few names stand out. Dominating the rankings, these famous big hitters are unarguably among the finest players in the world, with multiple Grand Slams to their credit. But how do today's champions compare with those of earlier eras? From 'Big' Bill Tilden and Pancho Gonzalez to Rod Laver and Pete Sampras, who makes the grade as the greatest male singles player of all time? Better known as the Speaker of the House of Commons, John Bercow has enjoyed a successful dual career in the tennis world as competitive junior player and qualified coach. Ideally placed to argue the merits of the maestros, in this fascinating guide he sets

out to determine just who is the greatest of the greats. It is no easy task. Court surfaces and ball speeds have changed, racket technology has revolutionised the game, and trying to distinguish the best from the rest is as challenging as it is enjoyable. Drawing on published records of past glories, and offering his own analysis and reasoning, Bercow describes the accomplishments of twenty all-time tennis heroes and suggests a hall of fame from the unashamed vantage point of the lifelong enthusiast. Let the debate begin...

Tennis Maestros Biteback Publishing  
Learn the Inspiring Story of One of Tennis' Greatest Stars, Novak Djokovic! Read on your PC, Mac, smartphone, tablet or Kindle device! In Novak Djokovic: The Inspiring Story of One of Tennis' Greatest Legends, you will learn the inspirational story of one of tennis' premier legends, Novak Djokovic. Novak Djokovic has come a long way since reaching his first Grand Slam final in the 2007 US Open. There was little doubt that even in his defeat to fellow legend, Roger Federer, that Djokovic was going to be embarking on an illustrious tennis career. He has since validated this belief. At the age of twenty-nine, Novak Djokovic is a 12-time Grand Slam champion, and has held the top spot of the ATP Tour for more than 220 weeks. The most impressive part has been his absolute dominance in the last half decade of tennis, as he has won multiple Australian Opens, Wimbledons, and US

Opens. In this unauthorized biography, we'll explore Djokovic's journey to becoming one of the greatest, and learn what it has taken him to reach where he is today. Here is a preview of what is inside this book: Early Life and Childhood Junior Years and Early Career Djokovic's First Major Title, The 2008 Australian Open Years of Dominance and Key Majors Most Notable Rivalries Djokovic's Personal Life Djokovic's Impact on Tennis and Beyond The Legacy of Novak Djokovic An excerpt from the book: He is combustible while competitive; temperamental, yet oh so talented. He is prickly, yes, but a definite prodigy. The owner of a swashbuckling style he has ridden to success. He is controversial at times, sure, but a champion without a doubt. No one word is ever going to fully fit all of who Novak Djokovic is because the sum of all who he is transcends a mere one-word description. He is one of the greatest tennis players of his generation who has transcended into being one of the most impactful tennis players of any generation. He has willed himself from a talented yet scrawny Serbian teenager into a multiple-time Grand Slam winner who has the

chance to do the unthinkable - surpass Roger Federer's record haul of Grand Slam titles, something once thought impossible for Federer himself to achieve. But how did he get here from there? How did the tennis player adored by many with chants of "No-le" arrive at the crossroads of greatness in a sport in which he has shared traits of both its heroes and villains? How has he come to thrive at a time where the division is enjoying some of its greatest depth of talent in its extensive history? Sacrifices were made by both him and his family. There were the perseverance and persistence to improve, first to simply be one of the "Big Four" who has defined the current state of men's tennis, and then to hold its throne. There was also an emotional maturing, one that has created a grounding in both his professional and personal worlds which helped him reach the pinnacle of his sport as the number one ranked player in the world and stay among its elite for a prolonged period. *Daily Graphic* Dino Books  
 Remember when you were young and you emulated your sporting heroes in the streets or school playground? Remember the days when you were going to win the 100m sprint/ The World Cup? Wimbledon? 'Confessions of an Ageing Tennis Player' is a short story about our dreams and our disappointments, our failures and our triumphs. It's about a man of a certain age who lived those fantasies when he was young and never quite moved on as he grew up. It's a story of how he becomes sporting zero to hero and back again set against the backdrop of Wimbledon in 2013 when Andy Murray was the first British player to win there in decades. Unsurprisingly, Andy makes surprise appearances throughout the book. The must-go-to guide book for all of us who have never quite managed to succeed on the tennis court: or indeed anywhere else

in life.

*Love Game* McFarland

'As the two players walked on to the court, they were greeted by an ear-splitting roar. The crowd rose to their feet.' As a boy, Andy found the courage to give up football and leave behind his family, moving abroad to join a tennis camp in Spain. Nervous about his new life, he had no idea of the rewards for his bravery. Wimbledon titles, Olympic gold medals and the pride of being Britain's greatest ever tennis player all awaited.

**Confessions of an Ageing Tennis Player** Lulu.com

A story of obsession, glory, and the wild early days of Ultimate Frisbee. David Gessner devoted his twenties to a cultish sport called Ultimate Frisbee. Like his teammates and rivals, he trained for countless hours, sacrificing his body and potential career for a chance at fleeting glory without fortune or fame. His only

goal: to win Nationals and go down in Ultimate history as one of the greatest athletes no one has ever heard of. With humor and raw honesty, Gessner explores what it means to devote one's life to something that many consider ridiculous. Today, Ultimate is played by millions, but in the 1980s, it was an obscure sport with a (mostly) undeserved stoner reputation. Its early heroes were as scrappy as the sport they loved, driven by fierce competition, intense rivalries, epic parties, and the noble ideals of the Spirit of the Game. *Ultimate Glory* is a portrait of the artist as a young ruffian. Gessner shares the field and his seemingly insane obsession with a cast of closely knit, larger-than-life characters. As his sport grows up, so does he, and eventually he gives up chasing flying discs to pursue a career as a writer. But he never forgets his love for this misunderstood sport and the rare sense of purpose he attained as a member of its priesthood.
