FRANKLIN BRAIDEN

Annual Bibliography of English Language and Literature Gale,
Cengage Learning

A timely and moving collection from the renowned inaugural poet on issues facing our country and people—immigration, gun violence, racism, LGBTQ issues, and more. Through an oracular yet intimate and accessible voice, Richard Blanco addresses the complexities and contradictions of our nationhood and the unresolved sociopolitical matters that affect us all. Blanco digs deep into the very marrow of our nation through poems that interrogate our past and present, grieve our injustices, and note our flaws, but also remember to celebrate our ideals and cling to our hopes. Charged with the utopian idea that no single narrative

is more important than another, this book asserts that America could and ought someday to be a country where all narratives converge into one, a country we can all be proud to love and where we can all truly thrive. The poems form a mosaic of seemingly varied topics: the Pulse nightclub massacre; an unexpected encounter on a visit to Cuba; the forced exile of 8,500 Navajos in 1868; a lynching in Alabama; the arrival of a young Chinese woman at Angel Island in 1938; the incarceration of a gifted writer; and the poet's abiding love for his partner, who he is finally allowed to wed as a gay man. But despite each poem's unique concern or occasion, all are fundamentally struggling with the overwhelming question of how to love this country.

Rubber Side Down Stahlecker Selections

Along with his childhood friend Sir Philip Sidney, Fulke Greville

(1554–1628) was an important member of the court of Queen Elizabeth I. Although his poems, long out of print, are today less well known than those of Sidney, Spenser, or Shakespeare, Greville left an indelible mark on the world of Renaissance poetry, both in his love poems, which ably work within the English Petrarchan tradition, and in his religious meditations, which, along with the work of Donne and Herbert, stand as a highpoint of early Protestant poetics. Back in print for a new generation of scholars and readers, Thom Gunn's selection of Greville's short poems includes the whole of Greville's lyric sequence, *Caelica*, along with choruses from some of Greville's verse dramas. Gunn's introduction places Greville's thought in historical context and in relation to the existential anxieties that came to preoccupy writers in the twentieth century. It is as revealing about Gunn himself, and the reading of earlier English verse in the 1960s, as it is about Greville's own poetic achievement. This reissue of *Selected Poems of Fulke Greville* is an event of the first order both for students of early British literature and for readers of Thom Gunn and English poetry generally.

[A Study Guide for Thom Gunn's "The Missing"](#) Princeton University Press

Maverick gay poetic icon Thom Gunn (1929–2004) and his body of work have long dared the British and American poetry establishments either to claim or disavow him. To critics in the UK and US alike, Gunn demonstrated that formal poetry could successfully include new speech rhythms and open forms and that experimental styles could still maintain technical and intellectual rigor. Along the way, Gunn's verse captured the social upheavals of the 1960s, the existential possibilities of the late

twentieth century, and the tumult of post-Stonewall gay culture. The first book-length study of this major poet, *At the Barriers* surveys Gunn's career from his youth in 1930s Britain to his final years in California, from his earliest publications to his later unpublished notebooks, bringing together some of the most important poet-critics from both sides of the Atlantic to assess his oeuvre. This landmark volume traces how Gunn, in both his life and his writings, pushed at boundaries of different kinds, be they geographic, sexual, or poetic. *At the Barriers* will solidify Gunn's rightful place in the pantheon of Anglo-American letters.

Charles Brandon Catapult

In the midst of an international crisis, Heidi Milligan, a beautiful, brilliant American naval commander, accidentally discovers an obscure reference to the long-buried North American Treaty, a precedent-shattering secret pact between the United States and Great Britain. The President believes that the treaty offers the single shot at salvation for an energy-starved, economically devastated nation, but the only two copies plummeted into the watery depths of the Atlantic in twin disasters long ago. The original document must be found—and the one American who can do the job is Dirk Pitt. But in London, a daring counterplot is being orchestrated to see that the treaty is never implemented. Brian Shaw, a master spy who has often worked hand in hand with American agents, now confronts his most challenging command. Pitt's mission: Raise the North American Treaty. Shaw's mission: Stop Pitt. Praise for *Night Probe!* and the Dirk Pitt® novels "A rich tale . . . an absorbing, carefully told mystery with plenty of surprises."—Los Angeles Times "Dirk Pitt is a combination James Bond and Jacques Cousteau."—New York

Ronald Johnson Edinburgh : Oliver and Boyd

Thom Gunn's *The Man With Night Sweats* shows him writing at the height of his powers, equally in command of classical forms and of looser, more colloquial measures, and ready to address a wide range of themes, both intimate and social. The book ends with a set of poems about the deaths of friends from AIDS. With their unflinching directness, compassion and grace, they are among the most moving statements yet to have been provoked by the disease.

Critical Bibliography of Religion in America, Volume IV, parts 3, 4, and 5 University of Chicago Press

A 112 page volume, whose publication is timed to coincide with the poet's latest collection, *Boss Cupid* (Faber, March 2000). The book contains an extended interview, a career sketch, and an updated version of Hagstrom and Bixby's comprehensive 1979 bibliography. It also contains several pages of quotations from Gunn's critics. Also included is Gunn's recent poem, *Clean Clothes: a Soldier's Song* What the critics said: This volume gives us an informative, friendly 42 page Q A between Gunn and critic, biographer, and TLS eminence James Campbell, conducted in January 1999, after Gunn had completed what's his new book,

Boss Cupid ... As usual, Gunn comes across as admirable: reserved about his private life, thoughtful about his principles. He's someone who's quite devoted to nightlife, to sex of course, to fun, and yet he's articulated a liveable moral stringency, and an entirely appealing way of connecting art to ethical choice ... It's dangerous to take anyone's life as exemplary - that must be one of the differences between people and poems - but Gunn's in some ways can seem so. Stephen Burt, 'Nightlife and Morality', *Poetry Review*, Summer, 2000

The Lost City of Z Between the Lines

The account of 75 Years of St Giles, re-lives the drama of closed streets, limited travel and the polio deaths of the 1937 epidemic as well as delivering you to St Giles today. This book holds stories and pictures of many people who have crossed paths with St Giles. This community's generous financial response to the powerful Examiner Newspaper headline of 1937: "It Might Have Been Your Child" is as true today as then.

At the Barriers Vintage

Volume IV (bound as two volumes) provides a critical and descriptive bibliography of religion in American life that is unequalled in any other source. Arranged topically, so that books and articles on a single subject are discussed in relation to each other, and carefully cross-referenced and indexed, it will be an indispensable tool for anyone exploring further into American religion or related subjects. Originally published in 1961. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important

books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Straight Razor CUP Archive

Infused with hope, heartbreak, and humor, this book gathers our greatest poets from antiquity to the present, prescribing new perspectives on doctors and patients, remedies and procedures, illness and recovery. A literary elixir, *Poetry in Medicine* displays the genre's capacity to heal us.

On Elizabeth Bishop Macmillan

The *Letters of Thom Gunn* presents the first complete portrait of the private life, reflections, and relationships of a maverick figure in the history of British and American poetry. "I write about love, I write about friendship," remarked Thom Gunn. "I find that they are absolutely intertwined." These core values permeate his correspondence with friends, family, lovers, and fellow poets, and they shed new light on "one of the most singular and compelling poets in English during the past half-century" (Hugh Haughton, *The Times Literary Supplement*). The *Letters of Thom Gunn*, edited by August Kleinzahler, Michael Nott, and Clive Wilmer, reveals the evolution of Gunn's work and illuminates the fascinating life that informed his poems: his struggle to come to terms with his mother's suicide; settling in San Francisco and his complex relationship with England; his changing relationship with his life partner, Mike Kitay; the LSD trips that led to his celebrated collection *Moly* (1971); and the deaths of friends from AIDS that inspired the powerful, unsparing elegies of *The Man with Night*

Sweats (1992).

Thom Gunn, a Bibliography National Geographic Books

Bawdy yet elegant poems depicting the debaucheries and traumas of growing up amid San Francisco's gay scene. Randall Mann combines the regal and ribald, his ear for poetic form matched by his unrelenting eye for lasciviousness, in this fetching chronicle of oversexed youth. "Craft and bravura mix well...Mann shows himself [Thom Gunn's] apt pupil...The clarity startles." -

Richard Rayner, *Los Angeles Times*

Thom Gunn and Ted Hughes Princeton University Press

Thom Gunn, a Bibliography, 1940-1978

Thom Gunn, a Bibliography, Selected Poems Farrar, Straus and Giroux

Selected Poems of Thom Gunn Skyhorse Publishing Inc.

Thom Gunn served as a mouthpiece for his time, illustrating the social, cultural, and historical transformations that have characterized western civilization from World War II until today. Starting with theoretical premises drawn from philosophy, anthropology, and sociology, this work examines Thom Gunn's entire poetic career. In Gunn's early poetry, the author argues, the predominant theme is the desire for freedom from the painful prison of the intellect and from the masks that the individual feels compelled to wear even in his sexual relationships. In Gunn's later poetry, the author notes a gradual opening to human relationships and to Nature, which is also Gunn's vindication and reevaluation of his own nature and the liberation of his long repressed and hidden homosexuality.

Poetry in Medicine Farrar, Straus and Giroux

One Today is a poem celebrating America. President Barack Obama invited Richard Blanco to write a poem to share at his

second presidential inauguration. That poem is *One Today*, a lush and lyrical, patriotic commemoration of America from dawn to dusk and from coast to coast. Brought to life here by beloved, award-winning artist Dav Pilkey, *One Today* is a tribute to a nation where the extraordinary happens every single day.

The Poetry of Thom Gunn Bantam

Named a Best Book of Fall by Vulture, Chicago Review of Books and Amazon From the award-winning author of the bestselling epic Ibis trilogy comes a globetrotting, folkloric adventure novel about family and heritage *Bundook*. *Gun*. A common word, but one that turns Deen Datta's world upside down. A dealer of rare books, Deen is used to a quiet life spent indoors, but as his once-solid beliefs begin to shift, he is forced to set out on an extraordinary journey; one that takes him from India to Los Angeles and Venice via a tangled route through the memories and experiences of those he meets along the way. There is Piya, a fellow Bengali-American who sets his journey in motion; Tipu, an entrepreneurial young man who opens Deen's eyes to the realities of growing up in today's world; Rafi, with his desperate attempt to help someone in need; and Cinta, an old friend who provides the missing link in the story they are all a part of. It is a journey that will upend everything he thought he knew about himself, about the Bengali legends of his childhood, and about the world around him. Amitav Ghosh's *Gun Island* is a beautifully realized novel that effortlessly spans space and time. It is the story of a world on the brink, of increasing displacement and unstoppable transition. But it is also a story of hope, of a man whose faith in the world and the future is restored by two remarkable women.

Modern Book Collecting Faber & Faber

Gay presence is nothing new to American verse and theater. Homoerotic themes are discernible in American poetry as early as the 19th century, and identifiably gay characters appeared on the American stage more than 70 years ago. But aside from a few notable exceptions, gay artists of earlier generations felt compelled to avoid sexual candor in their writings. Conversely, most contemporary gay poets and playwrights are free from such constraints and have created a remarkable body of work. This reference is a guide to their creative achievements.

Alphabetically arranged entries present 62 contemporary gay American poets and dramatists. While the majority of included writers are younger artists who came of age in the post-Stonewall U.S., some are older authors whose work has continued or persisted into recent decades. A number of these writers are well known, including Edward Albee, Harvey Fierstein, and Allen Ginsberg. Others, such as Alan Bowne, Timothy Liu, and Robert O'Hara, merit wider recognition. Each entry is written by an expert contributor and includes a biography, a discussion of major works and themes, an overview of the author's critical reception, and primary and secondary bibliographies.

Selected Poems Coffee House Press

When Oliver Sacks was twelve years old, a perceptive schoolmaster wrote in his report: "Sacks will go far, if he does not go too far." It is now abundantly clear that Sacks has never stopped going. From its opening pages on his youthful obsession with motorcycles and speed, *On the Move* is infused with his restless energy. As he recounts his experiences as a young neurologist in the early 1960s, first in California, where he

struggled with drug addiction, and then in New York, where he discovered a long-forgotten illness in the back wards of a chronic hospital, we see how his engagement with patients comes to define his life. With unbridled honesty and humor, Sacks shows us that the same energy that drives his physical passions—weight lifting and swimming—also drives his cerebral passions. He writes about his love affairs, both romantic and intellectual; his guilt over leaving his family to come to America; his bond with his schizophrenic brother; and the writers and scientists—Thom Gunn, A. R. Luria, W. H. Auden, Gerald M. Edelman, Francis Crick—who influenced him. *On the Move* is the story of a brilliantly unconventional physician and writer—and of the man who has illuminated the many ways that the brain makes us human.

Gun Island Gale, Cengage Learning

Poetry. "I count Ronald Johnson as one of the defining peers of my own imagined company of poets, ageless and yet insistently specific to all one's life might seem to be here and now. The very title of his major long poem cycle, *ARK*--with its determining echoes, its senses of a contiguous, innumerable event, its measure of heart and time, all the wondrous, intimate, particularizing reflection and record--proposes the character of this work I so value"--Robert Creeley. "I have always thought Ron Johnson a terrific poet: everything he has written has surprised and delighted me"--Thom Gunn. "Poetry with a passion for exact,

even scientific scrutiny"--Guy Davenport.

Transcendental Little, Brown Books for Young Readers

A compelling portrait of a beloved poet from one of today's most acclaimed novelists In this book, novelist Colm Tóibín offers a deeply personal introduction to the work and life of one of his most important literary influences—the American poet Elizabeth Bishop. Ranging across her poetry, prose, letters, and biography, Tóibín creates a vivid picture of Bishop while also revealing how her work has helped shape his sensibility as a novelist and how her experiences of loss and exile resonate with his own. What emerges is a compelling double portrait that will intrigue readers interested in both Bishop and Tóibín. For Tóibín, the secret of Bishop's emotional power is in what she leaves unsaid. Exploring Bishop's famous attention to detail, Tóibín describes how Bishop is able to convey great emotion indirectly, through precise descriptions of particular settings, objects, and events. He examines how Bishop's attachment to the Nova Scotia of her childhood, despite her later life in Key West and Brazil, is related to her early loss of her parents—and how this connection finds echoes in Tóibín's life as an Irish writer who has lived in Barcelona, New York, and elsewhere. Beautifully written and skillfully blending biography, literary appreciation, and descriptions of Tóibín's travels to Bishop's Nova Scotia, Key West, and Brazil, *On Elizabeth Bishop* provides a fresh and memorable look at a beloved poet even as it gives us a window into the mind of one of today's most acclaimed novelists.
