REAGAN KENNEDI

The Billboard Book of One- hit Wonders

Record
Research
The Stranglers
have
outlasted and
outsold
virtually every

other band of
their era,
recording ten
hit albums
and releasing
21 Top 40
singles. Their
list of hits,
including
Golden Brown,
were written
against a
background of
spectacular
success,
dismal failure,
drug
dependency,
financial ruin,
infighting and
misfortune. As
a response to
David
Buckley's one-
sided
biography of
the band ("No
Mercy"
Hodder &
Stoughton,
1997) and the
band's

reticence to reveal the true meaning behind their songs, Hugh Cornwell, founding member and songwriter, sets the record straight, displaces the myths and for the first time explains the real stories behind The Stranglers, his departure and the origins of their songs.

Guinness

World

Records

2001 Hal Leonard Corporation (Guitar Recorded Versions). 16 songs

transcribed note for note from the live album that captured Joe's tribute to Muddy Waters and Howlin' Wolf at the iconic Colorado theater.

Includes: All Aboard * The Ballad of John Henry * Evil (Is Going On) * Hey Baby (New Rising Sun) * How Many More Years * I Can't Be Satisfied * Killing Floor * My Home Is on the Delta * Sloe Gin * You Shook Me * and more.

Nothing Ever Happens

HarperCollins

Publishers The musician's personal reflections, accompanied by 350 color images, provide a glimpse of McCartney's most celebrated tour, capturing moments from North America, Europe, and Japan, to his historic appearance in Moscow's Red Square. *A-Ha: Down to the Tracks* Hal Leonard Corporation (Book). If you ever need a quick reference on

any recording artist from the last 60 years, here is your book. From the best source in the business, this handy bio book includes vital stats on every artist who had even one hit on the Billboard charts. Over 8,000 entries! *The Most Incredible Thing* The Feminist Press at CUNY The Essential Reference Guide to America's Most Popular Songs and Artists Spanning More than Fifty Years of

Music Beginning with Bill Haley & His Comets' seminal "Rock Around the Clock" all the way up to Lady Gaga and her glammed-out "Poker face," this updated and unparalleled resource contains the most complete chart information on every artist and song to hit Billboard's Top 40 pop singles chart all the way back to 1955. Inside, you'll find all of the biggest-selling, most-

played hits for the past six decades. Each alphabetized artist entry includes biographical info, the date their single reached the Top 40, the song's highest position, and the number of weeks on the charts, as well as the original record label and catalog number. Other sections—such as "Record Holders," "Top Artists by Decade," and "#1 Singles 1955-2009"—make *The Billboard Book of Top 40 Hits* the handiest and most

indispensable music reference for record collectors, trivia enthusiasts, industry professionals and pop music fans alike. Did you know? • Beyoncé's 2003 hit "Crazy in Love" spent 24 weeks in the Top 40 and eight of them in the #1 spot. • Billy Idol has had a total of nine Top 40 hits over his career, the last being "Cradle of Love" in 1990. • Of Madonna's twelve #1 hits, her 1994 single "Take a Bow" held the spot the longest, for seven weeks—one week longer than her 1984 smash "Like a Virgin." • Marvin Gaye's song "Sexual Healing" spent 15 weeks at #3 in 1982, while the same song was #1 on the R&B chart for 10 weeks. • Male vocal group Boyz II Men had three of the biggest chart hits of all time during the 1990s. • The Grateful Dead finally enjoyed a Top 10 single in 1987 after 20 years of touring. • Janet Jackson has scored an impressive 39 Top 40 hits—more than her megastar brother Michael! *The Swing of Things* Cambridge University Press (Piano Solo Songbook). "I think there is a similarity between the infinite big and the infinite smallness of everything," says Yann Tiersen. "It's the same experiment looking

through a microscope as it is a telescope." Named after a chapel in a small village on the island of Ushant, Kerber marks a new chapter in critically-acclaimed composer Yann Tiersen's career. A chapter still true to Tiersen's nuanced and subtle approach but one that sets out with his most overtly electronic material to date. Beautifully textured, highly immersive

and thoughtfully constructed, Tiersen creates an electronic world, providing an environment in which the piano source exists. A sense of place has often been a central theme in Tiersen's work and here that is no different. Each track is tied to a place mapping out the immediate landscape that surrounds Tiersen's home, linking back to his thoughts on the possibilities of the infinite

smallness. This official, exclusive folio is beautifully printed on high-quality, uncoated paper with striking graphic artwork. All seven pieces are presented for solo piano and follow an exclusive introduction to the project. *A Doll's House* Bobcat Books This pulp classic of motherhood and money introduced the immortal character portrayed on film by Barbara Stanwyck and Bette

Midler—"a feminist gem" (Michael Bronski). An ambitious woman from working-class roots, Stella sets her sights on marrying rich—and hits a bullseye. But her unshakable crudeness becomes too much for her husband. When he leaves her, she keeps their daughter Laurel. And now Stella sets her sights one again—this time, on giving her daughter the life she could never achieve

for herself. Originally published in 1923, this epic tale inspired the first radio soap opera, a Broadway play, and multiple films, including the Oscar-nominated 1937 movie starring Barbara Stanwyck and the 1990 movie *Stella* starring Bette Midler. *Stella Dallas* is a razor-sharp critique of our societal obsession with the judgment of mothers, offering cultural commentary that is still

shockingly relevant nearly one hundred years after its initial publication. [Joel Whitburn's Music Stars](#) Hal Leonard Corporation 'Brilliant' OK! 'Engagingly warm' Heat 'Sensational' The Mirror 'Ronan Keating demolishes his 'Mr Perfect of Pop image in a new warts-and-all book of his amazing ride to stardom.' The Mirror Ronan Keating is a very real idol. In a life-story that received extensive

press and ecstatic reviews as 'a classic - honest, funny and gripping', Ronan Keating tells the full story of his incredible journey. He may be only 23 but he has lived an extraordinary life so far, from playing football on a housing estate in North Dublin to headlining Madison Square Garden with Elton John. But Ronan has never forgotten it's his fans that got him there. It's an

inspirational story of a boy from modest beginnings who confounded the critics and made his mark with talent, boyish good looks and, above all, an integrity that has helped him move from the teen market to a broader, adult audience. In a surprisingly honest, remarkably frank style he talks openly of his background and his beloved mother, Boyzone's extraordinary

catapult to fame, his friends and band-mates and his new solo career and his wife and son. Brimming with anecdote and revelation, this is a brilliantly written book by a true star - Ronan. *The Beatles Complete Chord Songbook* Walter de Gruyter GmbH & Co KG This softback edition has a bonus extras section which contains an additional 100 stories from OMD fans. **Yann Tiersen**

- Kerber

Lindhardt og Ringhof (Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.

Pretending to See the Future

Verso Books
The second all-new, all-great Rocketeer Adventures anthology is crammed with great creators doing terrific

Rocketeer stories by these high-flying talents: Marc Guggenheim, Sandy Plunkett, Peter David, Paul Dini, Bill Morrison, Bill Sienkiewicz, Walter Simonson, Louise Simonson, John Paul Leon, Tom Taylor, Colin Wilson, Stan Sakai, David Lapham, Chris Sprouse, Matt Wagner, Eric Canete, David Mandel, J Bone, and Michael Golden.
Fiddler on the Roof Hal Leonard

Corporation
Is research on antisemitism even necessary in countries with a relatively small Jewish population? Absolutely, as this volume shows. Compared to other countries, research on antisemitism in the Nordic countries (Denmark, the Faroe Islands, Finland, Greenland, Iceland, Norway, and Sweden) is marginalized at an institutional and staffing level, especially as

far as antisemitism beyond German fascism, the Second World War, and the Holocaust is concerned. Furthermore, compared to scholarship on other prejudices and minority groups, issues concerning Jews and anti-Jewish stereotypes remain relatively underresearched in Scandinavia – even though antisemitic stereotypes have been present and flourishing in the North ever

since the arrival of Christianity, and long before the arrival of the first Jewish communities. This volume aims to help bring the study of antisemitism to the fore, from the medieval period to the present day. Contributors from all the Nordic countries describe the status of as well as the challenges and desiderata for the study of antisemitism in their respective

countries.

The Tracks of My Years

Random House Solo by Kwame Alexander and Mary Rand Hess is a New York Times bestseller! Kirkus Reviews said Solo is, “A contemporary hero’s journey, brilliantly told.” Through the story of a young Black man searching for answers about his life, Solo empowers, engages, and encourages teenagers to move from heartache to

<p>healing, burden to blessings, depression to deliverance, and trials to triumphs. Blade never asked for a life of the rich and famous. In fact, he'd give anything not to be the son of Rutherford Morrison, a washed-up rock star and drug addict with delusions of a comeback. Or to no longer be part of a family known most for lost potential, failure, and tragedy, including the loss of his mother. The</p>	<p>one true light is his girlfriend, Chapel, but her parents have forbidden their relationship, assuming Blade will become just like his father. In reality, the only thing Blade and Rutherford have in common is the music that lives inside them. And songwriting is all Blade has left after Rutherford, while drunk, crashes his high school graduation speech and effectively rips</p>	<p>Chapel away forever. But when a long- held family secret comes to light, the music disappears. In its place is a letter, one that could bring Blade the freedom and love he's been searching for, or leave him feeling even more adrift. Solo: Is written by New York Times bestselling author and Newbery Medal and Coretta Scott King Book Award-winner Kwame Alexander</p>
---	--	--

Showcases Kwame's signature intricacy, intimacy, and poetic style, by exploring what it means to finally go home An #OwnVoices novel that features a BIPOC protagonist on a search for his roots and identity Received great reviews from Publishers Weekly, School Library Journal, Booklist, and Kirkus. If you enjoy Solo, check out Swing by Kwame Alexander and

Mary Rand Hess. Go All the Way This Day in Music Books Newly revised with all-new photos and features The must-have, fun-to-read guide to every amazing fact, figure, and feat for the new millennium From the world's largest teddy bear to the smallest handheld cell phone, from the biggest lottery jackpot to the youngest winner of the Nobel Prize, Guinness World Records is an

indispensable compendium, filled with every vital statistic you'll ever need -- as well as the pictures to back them up! Did you know... * The world record for most body piercings belongs to a Scottish woman who sports a total of 462 -- including 192 on her head! * The world's most valuable bikini -- handsewn and encrusted with diamonds -- is worth nearly \$200,000. * The world's longest

human chain spanned 370 miles, when 2 million people in Latvia joined hands to celebrate the 50th anniversary of a peace treaty. Featuring over 1,000 extraordinary new records and 300 stunning photographs, the 2001 edition of Guinness World Records includes updated sections on computer games, the Internet, special effects, martial arts, dance music,

the prehistoric world, and much more. It is the world's favorite family reference book -- the undisputed authority on world records for almost 50 years. Guinness World Records and the Star Figure Logo are trademarks of Guinness World Records Ltd., London. Used under license by Bantam Books, a division of Random House, Inc. **The Sunshine Revolution** Hal Leonard

Corporation Jo is in a strange new country for university and having a more peculiar time than most. In a house with no walls, shared with a woman who has no boundaries, she finds her strange home coming to life in unimaginable ways. Jo's sensitivity and all her senses become increasingly heightened and fraught, as the lines between bodies and plants, dreaming and wakefulness,

blur and mesh. This debut novel from critically acclaimed artist and musician Jenny Hval presents a heady and hyper-sensual portrayal of sexual awakening and queer desire. *When I Was Your Man* Sheet Music Hal Leonard Corporation Lists the selling and buying prices for chart-hitting singles, EPs, and LPs from 1950-1978, includes prices for 78s, and lists

uncharted songs by charted artists. *Sight and Sound* Urbane Publications (Guitar Chord Songbook). This great collection features all 194 songs written and sung by the Beatles, specially transcribed here for strumming guitarists, from the actual recordings, in the original keys. Each song includes chord symbols, guitar chord boxes and complete

lyrics. Also features a helpful playing guide and a full discography. Songs include: Across the Universe * All My Loving * All You Need Is Love * Back in the U.S.S.R. * The Ballad of John and Yoko * Blackbird * Day Tripper * Dear Prudence * Drive My Car * Eight Days a Week * Eleanor Rigby * The Fool on the Hill * Good Day Sunshine * A Hard Day's Night * Help! * Helter Skelter * Hey Jude * I Saw Her Standing There * I Want

<p>to Hold Your Hand * In My Life * Lady Madonna * Let It Be * The Long and Winding Road * Michelle * Norwegian Wood (This Bird Has Flown) * Ob-La-Di, Ob-La-Da * Paperback Writer * Penny Lane * Revolution * Sgt. Pepper's Lonely Hearts Club Band * She Loves You * and more!</p> <p>The Very Best of the Rat Pack (Songbook)</p> <p>Barnacle Book</p> <p>From his childhood in 1950s Glasgow,</p>	<p>when he was affectionately known to his older brothers as 'the wee bastard', to his wilderness years as an accountant when he longed to achieve his dream and join the BBC, Tracks of My Years tells the story of Ken Bruce's remarkable career.</p> <p>Starting work for Radio Scotland in 1977, he was soon interviewing legends like Sean Connery, Billy Connolly and Peter Ustinov, and</p>	<p>in the eighties was lured to Radio 2 to take over Terry Wogan's spot. He has been with the station ever since. Ken writes with insight into the world of radio and delivers lots of brilliant anecdotes from his interviews with celebrities as diverse as Rod Stewart, Keane and Burt Bacharach, who came out with the immortal line (edited out of the final version) "Phil Spector never</p>
--	--	--

put a foot wrong," before adding thoughtfully, "until he shot that girl, of course." He also writes about bringing up his autistic son and – unusually – the happiness it brings him and his wife and the many positives of what is so often portrayed as a heartbreaking situation.

Life Is A Rollercoaster
 Omnibus Press
 An electrifying new biography about the four Essex lads who became award-winning

stadium superstars and champions of synth pop! Jonathan Miller's groundbreaking book features in-depth interviews with founder member Vince Clarke and producers Gareth Jones and Mark Bell, and contains never-before seen interviews with the band members themselves. With additional input from Gary Human, Howard Jones and Thomas Dolby this is a

unique portrait of a band that almost lost control when their lives went off the rails and lead singer Dave Gahan's heroin addiction nearly killed him. In the end Depeche Mode not only survived, they triumphed, racking up a staggering 40 million-plus album sales on the way. This is their amazing story, told in full for the first time. Born out of the post-punk backlash in the early 80's, Depeche

Mode took their name from a phrase in a French style magazine and became the definitive international synth-pop group. Vince Clarke, Andy Fletcher and Martin Gore had started out as an Essex guitar band but it was their bright and upbeat synthesizer-driven brand of pop fronted by Dave Gahan that was to find global acceptance and enjoy unlikely success in the

US. Despite a handful of early plaudits in the music press, the group won only intermittent critical acceptance over the years, its often light musical approach contrasting with lyrics that sometimes plunge into darker topics like S&M, religious fetishism and the scourge of capitalism. But whatever the music press said, the fans finally bought into Depeche Mode in a big

way. Their Violator tour at the start of the 90s sold millions of records and turned them into major US concert stars. In true rock style, Depeche Mode's members have suffered their share of internal strife over a long career. Dave Gahan reinvented himself as a lead singer with both a harder musical edge and a near-fatal drug habit, while internal acrimony often marred

the later stages of their career. Jonathan Miller has made an exemplary job of telling the Depeche Mode saga in its entirety and goes a long way towards explaining how the group have

managed to thrive when almost all their post-punk contemporaries fell by the wayside long ago. Billboard Hal Leonard Corporation All kinds of music are profiled in this guide, indexed by artist and organized by

label, format, manufacturer's selection number, and date of issue. Featured are prices for over 1 million records, listings for 45,000 artists, a color eight-page insert of record cover art, and a buyers-sellers directory.
