Good Night, Little Blue Truck Ballantine Books

Read the beloved classic that captures the powerful bond between man and man's best friend. This edition also includes a special note to readers from Newbery Medal winner and Printz Honor winner Clare Vanderpool. Billy has long dreamt of owning

not one, but two, dogs. So when he's finally able to save up enough money for two pups to call his own—Old Dan and Little Ann—he's ecstatic. It doesn't matter that times are tough; together they'll roam the hills of the Ozarks. Soon Billy and his hounds become the finest hunting team in the valley. Stories of their great achievements spread throughout the region, and the combination of Old Dan's brawn, Little Ann's brains, and Billy's sheer will seems unbeatable. But tragedy awaits these determined hunters—now friends—and Billy learns that hope can grow out of despair, and that the seeds of the future can come from the scars of the past.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn

what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

The Stand ABRAMS

From the bestselling author of *Kafka on the Shore*: A magnificent coming-of-age story steeped in nostalgia, "a masterly novel" (The New York Times Book Review) blending the music, the mood, and

the ethos that were the sixties with a young man's hopeless and heroic first love. Now with a new introduction by the author. Toru, a serious young college student in Tokyo, is devoted to Naoko, a beautiful and introspective young woman, but their mutual passion is marked by the tragic death of their best friend years before. As Naoko retreats further into her own world, Toru finds himself drawn to a fiercely independent and sexually liberated young woman. Stunning and elegiac, *Norwegian Wood* first propelled Haruki Murakami into the forefront of the literary scene. [Everywhere Blue](#) Clarion Books
