Regarded by many as the most comprehensive anthology of all time, 'The Harvard Classics' was first

published in 1909 under the supervision of the Harvard president Charles W. Eliot. An esteemed academic, Eliot had argued that the elements of a liberal education could be gained by spending 15 minutes a day reading from a collection of books that could fit on a five-foot shelf. The publisher P. F. Collier challenged Eliot to make good on this statement and 'Dr. Eliot's Five Foot Shelf' was the result. Eight years later Eliot added a further 20 volumes as a sub-collection titled 'The Harvard Classics Shelf of Fiction', offering some of the greatest novels and short stories of world literature. The exhaustive anthology of the 'The Harvard Classics' comprises every major literary figure, philosopher, religion, folklore and historical subject up to the twentieth century. This comprehensive eBook presents the complete anthology, with Eliot's original introductions, numerous illustrations, rare texts and the usual Delphi bonus material. Okay, so they're not the Obligatory/Iconic Suburban Golden Retriever or Chocolate Labrador, but they've got a much better chance of taking home the Best in Show ribbon than their Undead rivals, the vampires. In some suburban households, if it brings home a trophy, who cares if it also brings home bloody chunks of the neighbors every time the full moon shines? And let's not forget one more advantage to the suburban werewolf: If his lupine side does something nasty on your lawn, his human side can come by later with the Pooper Scooper. In your face, Dracula! Therefore, welcome to the fur-sprouting, mall-browsing, moon-howling, latt_sipping world of Strip Mauled. You'll like what you find. Sit. Stay. Good reader. reconstructs that momentous event. Separate sections cover planning and preparation; the preliminary artillery barrage; the charges of Pickett's, Pettigrew's, and Trimble's Divisions; and defensive actions up and down the Federal line. From the generals who devised the assault to the lower-level officers and men who bravely walked through shell and shot, Rollins offers a comprehensive, panoramic view of the charge, with more than 150 firsthand accounts—including accounts from Lee, Longstreet, Pickett, Meade, and Hancock—many of them long forgotten and previously unpublished. The Catholic Encyclopedia University of Hawaii Press This full-color and amply illustrated book is written for film, television, and theatre makeup artists who need to know the basics on how to accomplish flawless makeup applications. It begins with fundamental practices and continues through more complex techniques usually known only by Hollywood makeup artists. Written by two expert authors who have experience doing makeup for

television, commercials, and blockbuster films, readers will learn about beauty, time periods, black and white film, as well as cutting edge techniques such as air brushing makeup for computer-generated movies, and makeup effects. High definition (HD) technology has revolutionized the techniques needed by makeup artists--you need to know more, have more talent, and be more detailed than ever before. Because HD emphasizes every detail on screen, it's essential for makeup artists to know how to achieve a desired "look" that fits the director's requirements. This book will help professional and aspiring makeup artists to hone their craft in both conventional and HD techniques.

It is the result of two years of field work by Swiss anthropologist Felix Speiser between 1910 and 1912. Speiser attempted to collect everything that could still be obtained of the objects constituting Vanuatu's native culture. Ethnology

of Vanuatu presents culturally and historically significant photographs and drawings by Speiser assembled during the expedition, along with color photos taken in the Basel Museum, which, taken together, represent the Speiser collection. Through the use of Speiser's collection of cultural photographs and illustrations, it has been possible to revive certain art forms thought to have already vanished.
