*"Loyalty and Honour" the Indian Army: September 1939 - August 1947: Higher Formations,Deployment,Forces and Columns* V&S Publishers

Walking tall, literally, and figuratively, Lt Gen Harbakhsh Singh, VrC, was one of the most gallant and outstanding officers of the Indian Army. He was among the first batch of officers commissioned from the Indian Military Academy, Dehradun. His military career of nearly 35 years was acknowledged for his distinguished service of an exceptional order. He commanded the 1st Battalion the Sikh Regiment during operations in J&K in 1947-48; the historic battle of Shelatang was fought under his command; Battle of Tithwal won him the award of Vir Chakra. He had the rare distinction of having had combat experience in command of troops of or against many nationalities, at all levels of command from a platoon of 40 men to an Army Group consisting of 400,000 military personnel. Born on 1st October, 1913 he started his military career in a war zone in the North- West Frontier Province of erstwhile British India in 1935. He then participated in Allied operations in Malaya during World War II and was held as a prisoner-of-war by the Japanese. He attended Imperial Defence College, London in 1958. Thereafter he held almost all important and key command and staff appointments in Western Command, and in November 1964, took over as Army Commander. In 1962 during the Chinese invasion he was posted as the Corps Commander NEFA and later on in the Sikkim Sector. In 1965 as Army Commander Western Command, it was under his leadership and overall command of the Western Army both in J&K and the Punjab theatre that the Pakistani attacks were repulsed. He was honoured with both Padma

Bhushan and Padma Vibhushan in recognition of his meritorious services. This is a book about a soldier who had the courage of his convictions and was not afraid to use his judgement and face the consequences. He not only set a standard for himself to perform to the best of his ability but inspired others to do the same. The General has highlighted the shortfalls in strategic thinking on the part of a few military commanders during the J&K operations in 1947, Sino-Indian conflict of 1962 and Indo-Pak war in 1965. At the fag-end of his life he wrote his Magnum opus with the object of passing on his experiences to the younger generation of officers coming up to serve the country. The autobiography recounts all the details of the eventful life of a highly distinguished soldier.

Regular introspection is the key to the continued good health of an organisation. Complacency breeds degeneration. Hence, issues that affect the wellbeing of the forces must be debated objectively to evolve timely corrective measures. The military is a social organisation, consisting of living human beings who yearn for empathy, love and respect of their countrymen. When mistreated, soldiers wonder if the nation understands their trials and tribulations. The organisational structure of the Indian army is like a steep pyramid. Supersession is inevitable and hits hard. On analysing this sensitive issue, the book recommends that the officers who are superseded must be handled with due compassion. The tower of the Indian army is built on the twin pillars of committed leadership and motivated soldiers. Both are intrinsically linked and are mutually contingent. The book highlights the need to diligently follow well-evolved norms for the continued sustenance of the army. Finally, whereas the welfare of ex-servicemen is the hallmark of all great nations, it is equally important for the veterans to help in nation-building programmes.

The Civil War changed the United States in many ways—economic, political, and social. Of these changes, none was more important than Emancipation. Besides freeing nearly four million slaves, it brought agricultural wage labor to a reluctant South and gave a vote to black adult males in the former slave states. It also offered former slaves new opportunities in education, property ownership—and military service. From late 1862 to the spring of 1865, as the Civil War raged on, the federal government accepted more than 180,000 black men as soldiers, something it had never done before on such a scale. Known collectively as the United States Colored Troops and organized in segregated regiments led by white officers, some of these soldiers guarded army posts along major rivers; others fought Confederate raiders to protect Union supply trains, and still others took part in major operations like the Siege of Petersburg and the Battle of Nashville. After the war, many of the black regiments took up posts in the former Confederacy to enforce federal Reconstruction policy. Freedom by the Sword tells the story of these soldiers' recruitment, organization, and service. Thanks to its broad focus on every theater of the war and its concentration on what black soldiers actually contributed to Union victory, this volume stands alone among histories of the U.S. Colored Troops.

**New York City Directory** Arihant Publications India limited

A comprehensive guide for the ultimate guardians of American freedom—the U.S. soldier. The Soldier's Guide applies to every soldier in the Army—active, reserve, and National Guard—in every rank and specialty. It condenses important information from a number of U.S. Army regulations, field manuals, and other publications into one crucial volume. This manual describes the soldier's role in the Army and the soldier's obligations. Other subject areas are Army history, training, and professional development. This manual also describes standards in appearance and conduct and selected individual combat tasks that are important for every soldier to master. Written to answer the many questions asked by soldiers of all ranks in the Army, it covers everything from the history and traditions of the American military to training and service benefits. Find out about such ideals as

The Warrior Ethos that drive soldiers during a mission and the Army's values of loyalty, duty, respect, selfless service, honor, integrity, personal courage, and discipline. In addition, sections cover ethical reasoning, the basic principles of war, military courtesies, individual combat skills, and more. This guide will clarify and reinforce standards and help prepare any soldier to assume a leadership position. Skyhorse Publishing is proud to publish a range of books for readers interested in military tactics and skills. We publish content provided by or of interest to the U.S. Army, Army Rangers, the U.S. Navy, Navy SEALs, the U.S. Air Force, the U.S. Marine Corps, and the Department of Defense. Our books cover topics such as survival, emergency medicine, weapons, guns, weapons systems, hand-to-hand combat, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

**Who's who in New England** Northern Book Centre

Pat Gate, the presenter of Voice of America, invariably concluded her programme with a pronouncement of, ``If you see someone without a smile, give him one of yours''. The book facilities a peek into the ethos of nascent, post-independence army. Army Oh Army packs a ``punch and a pinch'', capable of making even an introvert to chuckle. The soldier-humour of the book is irresistible.
