Learn all you need to know about acrylic painting as you create 50 stunning mini paintings. Following an overview of painting fundamentals, illustrated step-by-step instructions accompanied by lessons on specific techniques lead your way. This unique book is a complete course in acrylic painting, built up from key techniques. As you progress through the sections of the book, the author demonstrates each technique with the creation of a mini painting, measuring 5-inches squared. So by the time you have worked right through to the end, you will have an amazing collection of 50 mini paintings—on board, paper, or canvas—that will be a testament to your skill and creativity. The subject matter for these squares varies from abstracts and simple color-mixing exercises, through to figurative subjects: a flower, a sunset, a busy street scene—and many more. These can be mounted, exhibited, or simply collected in a portfolio, or given away as gifts for friends to cherish. If you are coming to acrylics for the first time, or keen to improve your skills and sometimes daunted by the thought of

filling a large empty canvas or blank piece of board, this is your ideal guide. Instead, it will free you from creative hang-ups and replace them with an addictive desire to create that next 5-inch square!

Approaching the subject of pastoral landscapes with his typical verve, beloved instructor Terry Harrison guides beginning watercolor artists through five country scenes in this step-by-step guide. From a country estate beyond an open gate to a small church nestled among a bluebell wood, each scene is carefully selected to give new artists confidence and offer intermediate artists a handful of satisfying challenges. All projects are accompanied by pull-out tracing paper that easily transfers each scene onto watercolor paper - artists need only a soft graphite pencil and a rubbing tool to achieve the transfer -

eliminating the need for prerequisite drawing abilities. Additional scenes include a snowy winter pasture and a small footbridge crossing a ford among autumn leaves.

Bestselling artist and writer Hazel Soan presents a concise and approachable guide to colour in painting. Whether you are using watercolour, oils or acrylic,

Learn Colour In Painting Quickly

demonstrates how to make the most of colour in your painting. The book is filled with easy-to-follow instructions and step-by-step exercises, and written in an accessible way for all artists to learn about colour. The book begins with the Basics of Colour: what it is, how pigments are made and our emotional responses to colour, it then moves on to The Colours in the Palette: properties of different colours, transparent and opaque colours and granulating and sedimentary colours. Next comes Warm and Cool Colours: how colours are classified and how to use temperature bias. The Interaction of Colours looks at which colours work best together and how to use a colour wheel. In The Mixing of Colours, Hazel explains the differences between mixing on palette

and paper and how to blend by eye, as well as primary and secondary colours and layering. The Effect of Light and Shade on Colour looks at how depth and form are created by tone. Finally, Hazel looks at suggested colour palettes and

winning colour combinations. Illustrated with Hazel's magnificent, colourful paintings, and with exercises and expert guidance throughout, this book is the perfect way to master colour in your painting.
