[Conquering the Mental Game](#) UNC Press Books

For the first time, champion Tiger Woods reveals the five secrets to his amazing success--a combination of physical, metaphysical and psychological practices he uses daily to keep his game in top shape.

[Golf All-in-One For Dummies](#) Simon and Schuster

"Was golf better (to use one of Tiger's favorite phrases) back in the day? In [this book], Michael Bamberger, who fell for the game as a teenager in its wild Sansabelt-and-persimmon 1970s heyday, goes on a quest to try to find out. The result is a candid, nostalgic, intimate portrait of golf's greatest generation--then and now"--Dust jacket flap.

**The Battle for the Soul of a Game in an Age of Science** Golf Is Not a Game of Perfect

A collection of wit and wisdom on golf offers practical advice to everyone from golf pros--including Tom Kite, Ben Crenshaw, and Sandra Palmer--to high-handicap amateurs. 20,000 first printing.

**Mastering the Mental Game** Rowman & Littlefield

'You drive for show, you putt for dough'. This old saying is familiar to all golfers and Bob Rotella, one of the foremost authorities on golf today, is a

firm believer in its truth. In Putting out of Your Mind he reveals the unique mental approach that great putting requires and helps golfers of all levels master this essential skill. Much like Golf Is Not a Game of Perfect and Golf Is a Game of Confidence, Putting out of Your Mind is a resonant and informative guide to achieving a better golf game. While most golfers spend their time trying to perfect their swing so they can hit the ball further, Rotella encourages them to concentrate on their putting, the most crucial yet overlooked aspect of the game. Great players are not only aware of the importance of putting, they go out of their way to master it. And of course mastery begins with an understanding of the attitude needed to be a better putter. Rotella's mental rules, which have helped some of the greatest golfers in the world to become champion putters can now work for golfers everywhere. With everything from true-life stories from some of the greats to dozens of game-changing practice drills, Putting out of Your Mind is the new bible of putting, and is sure to bring about immediate results for anyone who plays the game.

**Golf It's a Funny Old Game** Random House

NEW YORK TIMES BESTSELLER \* "One of the best golf books this century." —Golf Digest Tom Coyne's A Course Called Scotland is a heartfelt and humorous celebration of his quest to play golf on every links course in Scotland, the birthplace of the game he loves. For much of his adult life, bestselling author Tom Coyne has been chasing a golf ball around the globe. When he was in college, studying abroad in London, he entered the lottery for a prized tee time in Scotland, grabbing his clubs and jumping the train to St. Andrews as his friends partied in Amsterdam; later, he golfed the entirety of Ireland's coastline, chased pros through the mini-tours, and attended grueling Qualifying Schools in Australia, Canada, and Latin America. Yet, as he watched the greats compete, he felt something was missing. Then one day a friend suggested he attempt to play every links

course in Scotland and qualify for the greatest championship in golf. The result is *A Course Called Scotland*, “a fast-moving, insightful, often funny travelogue encompassing the width of much of the British Isles” (GolfWeek), including St. Andrews, Turnberry, Dornoch, Prestwick, Troon, and Carnoustie. With his signature blend of storytelling, humor, history, and insight, Coyne weaves together his “witty and charming” (Publishers Weekly) journey to more than 100 legendary courses in Scotland with compelling threads of golf history and insights into the contemporary home of golf. As he journeys Scotland in search of the game’s secrets, he discovers new and old friends, rediscovers the peace and power of the sport, and, most importantly, reaffirms the ultimate connection between the game and the soul. It is “a must-read” (Golf Advisor) rollicking love letter to Scotland and golf as no one has attempted it before.

*How GOLF54 Can Make You a Better Player* Pocket Books

From the best-selling author of *ZEN GOLF: Mastering the Mental Game* and the tennis champion and world record holder of the Golden Set comes the most innovative and powerful book since *The Inner Game of Tennis*. Combining deep Eastern wisdom and practical tennis expertise, *ZEN TENNIS* will help you get out of your own way and into the Zone.

**In Sports and in Life** Simon and Schuster

John Updike wrote about the lure of golf for five decades, from the first time he teed off at the age of twenty-five until his final rounds at the age of seventy-six. *Golf Dreams* collects the most memorable of his golf pieces, high-spirited evidence of his learning, playing, and living for the game. The camaraderie of golf, the perils of its present boom, how to relate to caddies, and how to manage short putts are among the topics he addresses, sometimes in lyrical essays, sometimes in light verse, sometimes in wickedly comic fiction. All thirty pieces have the lilt of a love song, and the crispness of a firm chip stiff to the pin.

**The Funniest Quotes about Golf** Grand Central Publishing

My purpose in developing this book is twofold. As a golf and club industry consultant I hope to help more clubs thrive economically by providing food for thought about how to make the game grow. As a lifelong and socially sensitive golfer, I hope to help the game grow while making it more inclusive and look more like society in general. Golf has been my avocation and my vocation for nearly 40 years. It's the greatest game there is and I feel like its culture is the game's own worst enemy. *The Culture of Golf - Isn't it Just a Game?* is intended to provoke thought among golfers, golf leaders, course owners, club leaders and others about how the game can grow while preserving the game's best traditions and evolving beyond some of the others. I believe golf should be reaching a broader segment of the population, not be elitist and aspirational. It's the game of a lifetime and its virtues can be shared more widely and benefit more people, all while making the game healthier.

**Techniques, Stats, and Strategies to Shoot Lower Scores on the Golf Course NOW** Createspace Independent Publishing Platform

Most people think talent is genetically determined. Either you can sing or you can't. You get calculus or it's beyond you. You have what it takes to succeed -- or you don't. The truth about human performance is far more encouraging, says Dr. Bob Rotella in *Life Is Not a Game of Perfect*. Dr. Rotella, the bestselling author of *Golf Is Not a Game of Perfect* and *Golf Is a Game of Confidence*, believes that talent, as conventionally defined and measured, plays a secondary role in determining one's fate. Far more important is real talent, a combination of character, attitude, and devotion, which makes greatness possible. And the good news is that anyone can develop real talent. As always, Dr. Bob Rotella speaks from experience. He has made a career of helping people chase and catch their dreams. His authority as a sports psychologist is well known. Golfers from Tom Kite to David Duval to Pat Bradley have relied on him to help them break through to triumphs on the PGA Tour. But Bob Rotella's practice extends beyond the sports world. He is a consultant on performance enhancement to leading businesses such as Merrill Lynch, General Electric, and PepsiCo. He has worked with successful people in businesses ranging from law to entertainment. From hundreds of clients and countless students, Dr. Bob Rotella has learned what works. In *Life Is Not a Game of Perfect*, he shares what he has learned and what he teaches his clients. Real talent, he explains, is "brilliance of a different sort." It is the nerve to choose a career doing something you love or the ability to learn to love what you do. It is courage, persistence, and determination. It is the ability to handle failure and honor commitments. Whether you think so or not, real talent is within your grasp. In *Life Is Not a Game of Perfect*, Dr. Bob Rotella will help you make it a decisive element in your life. He can show you how to identify and cultivate the qualities that lead to success, prosperity, and happiness.

**Golf is a Game of Confidence** CreateSpace

Thanks to *The Complete Book of Golf Games*, if you can't make par, you can at least make a few bucks!

**Why Golf?** Simon and Schuster

Dr Bob Rotella is one of the hottest golfing performance consultants in the world today. Unlike other performance consultants, Rotella goes beyond the usual mental aspects of the game and the reliance on specific techniques. In this extraordinary book, and with his clients, he creates an attitude and a mindset about all aspects of the golfer's game, from mental preparation to competition. And, as some of the world's greatest golfers will attest, the results are spectacular. Filled with charming and insightful stories about golf and the golfers Rotella works with, *GOLF IS NOT A GAME OF PERFECT* will improve the game of even the most casual weekend player.

Simon and Schuster

*New York Times* Bestseller From the archives of Golf Channel comes the ultimate book on the sport—a must for every fan—a comprehensive and engaging full-color compendium of the best moments of the past 20 years, filled with stories from top players, colorful insights from on-air talent and celebrity viewers, essential lists and sidebars, and stunning photographs of legendary golf courses around the world. Foreword by Arnold Palmer. Over the past two decades, golf has witnessed some of the most exciting play, interesting players, biggest technological advances, deepest controversies, increased participation and viewership, and unprecedented engagement between professionals and fans in its history. Year by year, shot by shot around the globe, Golf Channel has been there to cover it all. Now, for the first time, the network that features more live golf coverage than all others combined opens its archives and offers unprecedented access to its top on-air talent. The result is a dazzling illustrated digest that pays tribute to the sport and the extraordinary players and events that have shaped it over the course of a generation. *The Golf Book* includes: Stories and anecdotes from on and off the course from famous contributors, including Nick Faldo, Brandel Chamblee, Kelly Tilghman, Rich Lerner, David Feherty, Johnny

Miller, and many others Up-close profiles of legendary players and up-and-coming stars Features and photos on the best courses Technological developments that are revolutionizing the game Top 20 lists, unforgettable quotes, and sidebars spotlighting amusing characters, bad lies, and stunning scrambles and more. Engaging, instructive, and fun, *The Golf Book* is an essential resource and keepsake sure to be treasured by every golfer and fan.

**Life is Not a Game of Perfect** Penguin

A leading sports psychologist and performance enhancement coach discusses the inner mental game of golf and the tools golfers need to transform their games

**Twenty Years of the Players, Shots, and Moments That Changed the Game** Doubleday

The fun way to get a grip on every aspect of golf Golf is a popular spectator sport, but for those who play it's a great source of low impact cardiovascular, strength, and aerobic exercise. In addition, golf is by nature a social game that provides the opportunity to meet new people. *Golf All-In-One For Dummies* shows you not only how to get the most physical benefit from a round of golf, but also the tools you need to truly enjoy the game. From perfecting your swing to avoiding injuries, the proven techniques presented in this book give you everything you need to have the time of your life every time you hit the links. The basics of golf Details on the latest golf equipment and technology Tips on how to improve the short game, including putting, chipping, and getting out of tough spots Rules and etiquette that every golfer needs to know Plans for keeping fit and designing workouts to improve your game Mental tricks and exercises to help you succeed Tips on grips, stances, and swings New tips from top players on how to improve your game Great new courses, tournaments, players who have changed the game, and a review of golf's greatest moments Whether you already have some golf experience or are completely new to the game, *Golf All-In-One For Dummies* will have you playing like a pro in no time.

**The Game of Golf** UPNE

America's first golf hero reminisces about the game and his career, from his early years, to his upset 1913 U.S. Open victory as an amateur, to his sentimental win at the 1931 U.S. Amateur Championship at the Beverly Country Club in Chicago. Along the way, he gives sage advice about the game.

**Be a Player** Doubleday

The professional golfer provides tips on the grip, stance, and swing of successful golf shots

*Before Brooklyn* HarperCollins

"Golf is a beloved yet technical game, so a sound swing and precise technique are essential. Most golfers who want to improve their skills go to the range and work painstakingly on their swings, not realizing it's often their performance state on the course that needs work, not their technique. Simple things such as awareness of your balance, tension, and tempo, as well as the ability to control mental, emotional, and social variables you encounter while playing can quickly take your game to a new performance level. Pia Nilsson and Lynn Marriott, founders of VISION54's ... golf program, are here to help"--

**Make Your Next Shot Your Best Shot** Simon and Schuster

A detailed plan for conquering the FEAR that sabotages swings and ruins psyches, from the pioneering psychologist whose techniques have benefited Davis Love III, Justin Leonard, and numerous other world-class golfers. As Jack Nicklaus once observed, fear is the golfer's greatest enemy, inspiring Tiger Woods to "refuse" to give in to this debilitating emotion. It can turn professionals into jelly and dominate the games of most amateurs. It alters swing paths, causes “tap-in” putts to go awry, and transforms a golfer from a brilliant shot-maker on the practice range into an incompetent hack on the course. Most golfers understand this, but do not have the tools to overcome it. That's where Dr. Gio Valiante comes in. A pioneering sports psychologist, Valiante has studied the sources of an athlete's fear, investigated the physiological and neurological impact of fear on performance, and, most important of all, developed a groundbreaking program for conquering it. With Valiante's help and by applying *Fearless Golf*, Justin Leonard went from three consecutive missed cuts to three consecutive top tens, and Chad Campbell recently moved from 98th in the world to 7th. Davis Love III went from zero wins in 2002 to four wins in 2003, and Chris DiMarco made the 2004 Ryder Cup Team. Emphasizing the need to replace a fixation-on-results with a commitment to mastery of one's body and one's mind, Valiante's approach will not only help golfers reach their true potential, it will make playing every round fun again. Through concrete confidence and mastery drills, he presents specific ways readers can break free of fear's grasp and perform at their best—even under the most extreme pressure. With detailed quotes and anecdotes given exclusively to Dr. Valiante from the best players in the game—including Jack Nicklaus, Ernie Els, and other tour professionals, *Fearless Golf* is the ultimate guide to the mental game, the hottest topic in golf today.

**The Culture of Golf - Isn't It Just a Game?** Simon and Schuster

As Michael Lewis's bestseller *Moneyball* captured baseball at a technological turning point, this “highly entertaining, very smart book” (James Patterson) takes us inside golf's clash between its hallowed artistic tradition and its scientific future. The world of golf is at a crossroads. As technological innovations displace traditional philosophies, the golfing community has splintered into two deeply combative factions: the old-school teachers and players who believe in feel, artistry, and imagination, and the technical minded who want to remake the game around data. In *Golf's Holy War*, “an obvious hole-in-one for golfers and their coaches” (Publishers Weekly, starred review), Brett Cyrgalis takes us inside the heated battle playing out from weekend hackers to PGA Tour pros. At the Titleist Performance Institute in Oceanside, California, golfers clad in full-body sensors target weaknesses in their biomechanics, while others take part in mental exercises designed to test their brain's psychological resilience. Meanwhile, coaches like Michael Hebron purge golfers of all technical information, tapping into the power of intuitive physical learning by playing rudimentary games. From historic St. Andrews to manicured Augusta, experimental communes in California to corporatized conferences in Orlando, William James to Ben Hogan to theoretical physics, the factions of the spiritual and technical push to redefine the boundaries of the game. And yet what does it say that Tiger Woods has orchestrated one of the greatest comebacks in sports history without the aid of a formal coach? But *Golf's Holy War* is more than just a book about golf—it's a story about modern life and how we are torn between resisting and embracing the changes brought about by the advancements of science and technology. It's also an exploration of historical legacies, the enriching bonds of education, and the many

interpretations of reality.

[The Golf of Your Dreams](#) John Wiley & Sons

For us rabbits the game of golf is a constant battle between fantasy and reality. The great hopes and ambitions that accompany us on the first tee quickly evaporate by a combination of mother nature, gravity and the cruelest of luck. One of the charms of the Great Game is that we are constantly

chasing what is, in theory, attainable but in reality highly elusive. It is a perpetual series of occasions for hope. David Feherty summed it up when he said; "Golf can best be defined as an endless series of tragedies obscured by the occasional miracle." It is astonishing how long the occasional miracle can remain in the memory to the total eclipse of all else. Golf is a game whose hook is baited with hope. This book is a compendium of quotes from players who have been similarly troubled by the journey from great hopes to cruel reality. I hope you enjoy their reflections.
