*A Child's Night Dream*  
Penguin  
An exhilarating,  
wondrous middle grade  
debut about a brother  
and sister on a quest  
that “swoops from  
thrilling to terrifying to  
heartwarming and  
back again”

(BookPage) to defeat a  
tyrannical ruler and  
protect a magical book.  
“[W]ill appeal to  
readers of Kelly  
Barnhill and Lemony  
Snicket” (Publishers  
Weekly). Rachel and  
Robert live a gray,  
dreary life under the  
rule of cruel and  
calculating Charles  
Malstain. That is, until  
one night, when their  
librarian father enlists  
their help to steal a

forbidden book. Before their father is captured, Rachel and Robert are given one mission: find the missing final page. But to uncover the secrets of The Book of Stolen Dreams, the siblings must face darkness and combat many evils to be rewarded with the astonishing, magical truth about the book. Nevertheless, they resolve to do everything in their power to stop it from falling into Charles Malstain's hands. For if it does, he could rule their world forever.

The Shadow Of A Dream W. W. Norton & Company

Lileth Shadow, princess of darkness, is struggling with her growing powers. Castle Gloom is filling with ghosts and zombies roam the country. Then

Lily is attacked by a mysterious sorcerer known as Dreamweaver and his army of jewel-spiders. Can Thorn and his giant bat save Lily from the realm of sleep and help her overcome the evil Dreamweaver?

### **The Way of the Shadow Wolves**

AuthorHouse

"Captured my attention from the very first page." Perfect for fans of Frewin Jones' The Faerie Path and Aprilynne Pike's Wings series! Have you ever learned a secret about yourself that could change your life forever? When a mysterious and handsome boy showed up at my high school, all the girls wanted his attention. But who did he approach? Plain, less-than-ordinary me! Words like changeling

and dreamseer made my head spin as Declan, who claims to be my protector, tried to convince me that I'm actually a creature from the faerie realm, switched at birth with a human infant who is the true child of my parents. Should I follow Declan's lead to discover the truth? How can I not? \*this book ends on a cliffhanger\*

*A Dream of Stone & Shadow* Celadon Books  
The Real Book of Shadows is Book Two of the Spirit Work Series and is written for anyone who follows the path of the Spirit Worker, whether you are a witch, shaman, energy worker, magician, or just someone who is interested in the energetic healing of spirit. Inside this book

you will find ways of clearing psychic debris, reclaiming and healing shadow aspects, and accessing the lost parts of self. These methods work on the level of the mundane as well as within the spirit realms. This book also acts as survival guide for those interested in exploring the many layered realms of spirit and energy while also maintaining a healthy state of well-being, as being a "walker between realms" often includes major energy shifts which can quickly deplete your own personal energy. Discover how to guide yourself or another person through issues of dissolving negative psychic cords, dream walking, shadow work, soul retrieval, and past

life healing, among others. The topics within include: the Energetic Anatomy of Spirit, How to work with Energy, Dream Walking Among the Living, Dream Work with the Dead, Clearing Psychic Debris, How to Dissolve Negative Psychic Cords, Defining Shadow Work, Visioning into the Shadow, Soul Retrieval, and Healing Past Lives.

**Life Is But a Dream**  
Hay House, Inc

Sixteen original essays on women writers from Mexico, Guatemala, Honduras, Costa Rica, Colombia, Ecuador, Uruguay, Argentina, and Brazil are gathered in this book. Each establishes the relationship between the biography of the subject and her literary production. Some of these writers, like

Nobel Prize-winner Gabriela Mistral, Elena Poniatowska, and Victoria Ocampo, are well known; others are still largely undiscovered. All of them defy the limits imposed upon them by society, and all have been able to find freedom through creative imagination. All the writers included here are vitally concerned with the problems women face in Latin America. Children and mothers are the central focus of their lives and of many of their writings. These writers have participated in essential ways in the history of their respective countries and in the intellectual history of Latin America, and at the same time, their greatest contribution

has been in the sharing of the private details of personal stories, their own and others. In the strong connections that many of them have had with each other, Marjorie Agosin sees a culture of sisterhood.

In The Shadow Of The Banyan Macmillan  
Previously published; newly revised by author I like my women like I like my whiskey: liable to kill me. The two parts of being a paranormal private investigator I could really do without are being forced to eat bananas by an animated statue with a potassium fixation, and being put on trial for murder by a self-appointed council of vampire oligarchs. To be fair, I did kind of do it (the murder, not the bananas). But I was

kind of saving my girlfriend, who is kind of one of them. On top of this, I've also wound up with a primordial queen of the damned trying to strangle me in my dreams. And the conspiracy of undead wizards who tried to sacrifice me fifteen years ago has decided that now is the best possible time to give it another go. Throw in the woman who left me for a tech start-up, the old girlfriend who I might sort of owe eternal mystical fealty to and a werewolf "it girl" who can't decide if she wants to eat me in the good way or the bad way, and I'm beginning to think life would be easier if I made better choices. Then again, it'd be a whole lot less fun. This book is approximately 98,000 words

Shadow Magic: Dream Magic  
Simon and Schuster

A stunning, powerful debut novel set against the backdrop of the Cambodian War, perfect for fans of Chris Cleave and Chimamanda Ngozi Adichie For seven-year-old Raami, the shattering end of childhood begins with the footsteps of her father returning home in the early dawn hours bringing details of the civil war that has overwhelmed the streets of Phnom Penh, Cambodia's capital. Soon the family's world of carefully guarded royal privilege is swept up in the chaos of revolution and forced exodus. Over the next four years, as she endures the deaths of family members, starvation, and brutal

forced labour, Raami clings to the only remaining vestige of childhood - the mythical legends and poems told to her by her father. In a climate of systematic violence where memory is sickness and justification for execution, Raami fights for her improbable survival. Displaying the author's extraordinary gift for language, In the Shadow of the Banyan's testament to the transcendent power of narrative and a brilliantly wrought tale of human resilience. 'In the Shadow of the Banyan's one of the most extraordinary and beautiful acts of storytelling I have ever encountered' Chris Cleave, author of The Other Hand 'Ratner is a fearless writer, and the

novel explores important themes such as power, the relationship between love and guilt, and class. Most remarkably, it depicts the lives of characters forced to live in extreme circumstances, and investigates how that changes them. To read *In the Shadow of the Banyan* is to be left with a profound sense of being witness to a tragedy of history' Guardian 'This is an extraordinary debut ... as beautiful as it is heartbreaking' Mail on Sunday

 The  
 One of the feature stories of the Cthulhu Mythos, "The Shadow Out of Time" is the tale of a professor of political economics that is thrown into a mind-shattering journey through time and space, while his body is held hostage by an alien mind. Horrified and panic-stricken by the implications of his experiences, he hopes against all reason and evidence that he has merely lost his mind.  
[The Shadow of a Dream](#) Harper Collins  
 From life in the streets and love in the alleys to fame in the spotlight and an untimely

death—raw, biting, and brilliant selections from the personal journals of one of the most uniquely creative artists of the late twentieth century. When his life ended at age thirty-seven—a casualty of the AIDS epidemic that took so many before their time—David Wojnarowicz had long since established himself as one of America’s most vital artists and activists. In *The Shadow of the American Dream* is a stunning collection of riveting and revealing chapters from Wojnarowicz’s extensive personal diaries—thirty volumes’ worth of memories and lucid observations, some bitter, some sweet—that the author began writing when he

was seventeen and continued until his death two decades later. Here is a brilliant chronicle of an artist’s emergence—a young man’s still achingly fresh memories of his unhappy adolescence and his glorious discovery of self. Wojnarowicz recalls his life on Manhattan’s Lower East Side with no shame or regret, and shares his hitchhiking journeys across the country. He talks of art and love and sex—embracing who he is fully and accepting his heartbreaking fate without pathos—while providing fascinating glimpses into the vibrant and colorful New York art scene and poignant views of life and death among the AIDS community. At once frightening and

courageous, joyous and disturbing, enlightening and honest, *In the Shadow of the American Dream* is a treasured addition to the enduring literary legacy of David Wojnarowicz and a true testament to his unique brilliance.

**The Shadow of a Dream** Molly Lavenza  
Imperative duty: The novel deals with the tragic consequences of a recurrent dream as it affects the lives of Douglas Faulkner, his wife Hermia and his dearest friend, the clergyman James Nevil.

*Birth of a Dream Weaver* Harper Collins  
American anti-hero Oliver Stone joins the literary canon with this bold tale of an alienated youth who takes to the road on an odyssey to hell.

*In the Shadow of the*

*American Dream*  
Harper Collins  
Everyone fears what hunts in the shadows...especially the monsters. It takes a monster to hunt one, and for Raine McCord, forged in the maelstrom of magic and science, she's the one for the job. In a world where the supernatural live in a shadowy existence with the mundane, a series of disappearances and deaths threatens the secrecy of her kind and indicates someone knows the monsters are alive and kicking. Partnering up with the sexy and tantalizing Gavin Durand proves to be a challenge as dangerous as the prey she hunts. When the trail points back to the foundation which warped Raine's magic

as a child, her torturous past raises its ugly head. Gavin and Raine sift through a maze of lies, murder and betrayal to discover not only each other, but the emerging threat to them and the entire magical community. *Dreams and Shadows* Hyweb Technology Co. Ltd.

A sweeping history of the years after Martin Luther King's assassination—and the struggle to keep the civil rights movement alive and realize King's vision of an equal society "The previously untold story of continuing struggle and posthumous inspiration that dominates this compelling and groundbreaking book will forever change the way civil rights

historians view this era."—Raymond Arsenault, author of *Freedom Riders* In this arresting and groundbreaking account, David L. Chappell reveals that, far from coming to an abrupt end with King's murder, the civil rights movement entered a new phase. It both grew and splintered. These were years when decisive, historic victories were no longer within reach—the movement's achievements were instead hard-won, and their meanings unsettled. From the fight to pass the Fair Housing Act in 1968, to debates over unity and leadership at the National Black Political Conventions, to the campaign for full-employment

legislation, to the surprising enactment of the Martin Luther King holiday, to Jesse Jackson's quixotic presidential campaigns, veterans of the movement struggled to rally around common goals. Waking from the Dream documents this struggle, including moments when the movement seemed on the verge of dissolution, and the monumental efforts of its members to persevere. For this watershed study of a much-neglected period, Chappell spent ten years sifting through a voluminous public record: congressional hearings and government documents; the archives of pro- and anti-civil rights activists, oral and

written remembrances of King's successors and rivals, documentary film footage, and long-forgotten coverage of events from African American newspapers and journals. The result is a story rich with period detail, as Chappell chronicles the difficulties the movement encountered while working to build coalitions, pass legislation, and mobilize citizens in the absence of King's galvanizing leadership. Could the civil rights coalition stay together as its focus shifted from public protests to congressional politics? Did the movement need a single, charismatic leader to succeed King, and who would that be? As the movement's leaders

pushed forward, they continually looked back, struggling to define King's legacy and harness his symbolic power. Waking from the Dream is a revealing and resonant look at civil rights after King as well as King's place in American memory. It illuminates a time, explores a cause, and explains how a movement labored to overcome the loss of its leader.

### *Shadow Fallen*

Jazzybee Verlag  
Sabrina, an artist, is diagnosed with schizophrenia, and her parents check her into the Wellness Center. There she meets Alec, who is convinced it's the world that's crazy, not the two of them. They are meant to be together; they are special. But when Alec

starts to convince Sabrina that her treatment will wipe out everything that makes her creative, she worries that she'll lose hold of her dreams and herself. Should she listen to her doctor? her decision may have fatal consequences. Brian James calls *Life is But a Dream* "the most intense book I've written. Bringing this unique character to life and seeing the world through her eyes, with all its beauty and confusion, was an immense challenge that I hope is just as rewarding to read as it was to write." Intense--yes. Unforgettable--definitely.

Moll Pecksniff and her friends are living as outlaws in a secret cave by the sea, desperate to stay

hidden from the Shadowmasks. But further along the coast lies the Amulet of Truth, the only thing powerful enough to force the Shadowmasks back and contain their dark magic. So, together with Gryff, the wildcat that's always by her side, and her best friends Alfie and Sid, Moll must sneak past smugglers, outwit mer creatures and crack secret codes to save the Old Magic. With more at stake than ever before and the dark magic rising fast, can Moll and her friends stop the Shadowmasks before it's too late? Catapult into this page-turning adventure from the author of *Sky Song*, perfect for fans of J.K. Rowling, Michelle Harrison and Eva

Washington Post From one of the world's greatest writers, the story of how the author found his voice as a novelist at Makerere University in Uganda

*Birth of a Dream*

Weaver charts the very beginnings of a writer's creative output. In this wonderful memoir, Kenyan writer Ngũgĩ wa Thiong'o recounts the four years he spent at Makerere University in Kampala, Uganda—threshold years during which he found his voice as a journalist, short story writer, playwright, and novelist just as colonial empires were crumbling and new nations were being born—under the shadow of the rivalries, intrigues, and assassinations of the Cold War. Haunted by the memories of the

carnage and mass incarceration carried out by the British colonial-settler state in his native Kenya but inspired by the titanic struggle against it, Ngũgĩ, then known as James Ngugi, begins to weave stories from the fibers of memory, history, and a shockingly vibrant and turbulent present. What unfolds in this moving and thought-provoking memoir is simultaneously the birth of one of the most important living writers—lauded for his "epic imagination" (Los Angeles Times)—the death of one of the most violent episodes in global history, and the emergence of new histories and nations with uncertain futures.

*The Shadow of a Dream* Grove Press

"Wright has long been

one of the best-informed American journalists covering the Middle East, and her reputation is born out here....Her book will be essential reading for anybody who wants to know where it is heading." -The New York Times Book Review

The transformation of the Middle East is an issue that will absorb-and challenge-the world for generations to come. Dreams and Shadows is the book to read to understand the sweeping political and cultural changes that have occurred in

recent decades. Drawing on thirty-five years of reporting in two dozen countries, including Israel, Palestine, Iran, Egypt, and Syria, through wars, revolutions, and uprisings as well as the birth of new democracy movements and a new generation of activists, award-winning journalist and Middle East expert Robin Wright has created a masterpiece of the reporter's art and a work of profound and enduring insight into one of the most confounding areas of the world.
