Basé sur des

séries « politiques » récentes et populaires, ce livre analyse et déconstruit l'image qu'elles donnent du jeu politique. Un décryptage transversal des phénomènes de pouvoir et de l'activité politique dans les séries. Rapports de force, meurtres symboliques, suspense des élections... L'activité politique est empreinte d'une dramaturgie dont les séries se sont emparées. Ce

livre est le premier à s'intéresser spécifiquement aux séries politiques, pour comprendre comment elles documentent le réel et comment elles le transforment, le mettent en scène et à distance. Elles ouvrent de nouveaux espaces à l'analyse des sciences sociales et donnent accès à ce qui est habituellement caché : les émotions des hommes et femmes politiques, leur intimité,

leurs manoeuvres, le rôle de leur famille comme de leurs collaborateurs ... Les séries sont-elles alors des modes d'emploi du jeu politique ? Quelles visions en donnent-elles ? Si elles synthétisent en images des processus complexes, elles éduquent également les spectateurs et les confrontent à des dilemmes moraux. La politique politicienne, tout comme les structures sociales les

<p>plus fondamentale s, y sont montrées dans toute leur richesse, sans éviter les clichés, parfois jusqu'au désenchantement, quand l'intérêt général est oublié. Aujourd'hui, par la puissance de leur énonciation et de leur réception, elles sont des arènes de discussion incontournables qui proposent des idées inédites et lancent l'alerte face aux menaces</p>	<p>qui pèsent sur la démocratie. Pour les étudiants, chercheurs et enseignants en science politique, sociologie et sciences sociales ; pour les amateurs de séries politiques qui souhaitent en connaître les codes et les ressorts. <i>Séries politiques : Le pouvoir entre fiction et vérité</i> De Boeck Supérieur Black Morocco: A History of Slavery, Race, and Islam chronicles the experiences,</p>	<p>identity and achievements of enslaved black people in Morocco from the sixteenth century to the beginning of the twentieth century. Chouki El Hamel argues that we cannot rely solely on Islamic ideology as the key to explain social relations and particularly the history of black slavery in the Muslim world, for this viewpoint yields an inaccurate historical record of the people,</p>
--	--	---

<p>institutions and social practices of slavery in Northwest Africa. El Hamel focuses on black Moroccans' collective experience beginning with their enslavement to serve as the loyal army of the Sultan Isma'il. By the time the Sultan died in 1727, they had become a political force, making and unmaking rulers well into the nineteenth century. The emphasis on the political history of the black army is</p>	<p>augmented by a close examination of the continuity of black Moroccan identity through the musical and cultural practices of the Gnawa. <u>Dan Leno and the Limehouse Golem</u> Cambridge University Press Discover the amazing human body, system by system and layer by layer, and the incredible things it is capable of with Inside Out Human Body. Comes</p>	<p>with a real, 3-D model to help you learn faster! What do you think is the most amazing machine in the universe? A superconductor? The modern computer? A rocket ship? Think again: It's the human body! Astonishingly intricate and complex, your body grows, heals itself, and performs a mind-boggling number of complex functions all at the same time! Inside Out: Human Body takes</p>
--	---	--

you on an incredible journey through the powerful muscular system, the "bone zone," the long and windy road of the digestive system, the blood-pumping circulatory system, the forty-seven-mile long nervous system, and beyond! A unique layered model of the human body serves as the center point of each section, revealing key body parts and functions, while

entertaining and informative text explains how the body works. Each section is fully illustrated with colorful diagrams and includes fun, interactive lessons for you to try yourself. You can learn how to take your own pulse, how to make your arms float, and even what the color of your urine means! Sometimes the most incredible wonders are right under our noses.

Shakespeare  
and Modern  
Popular

Culture offers an overview of issues raised in Shakespeare's appropriation in twentieth-century popular culture, and argues that Shakespeare's appearances in these media can be seen as a form of cultural theorizing, a means by which popular culture thinks through its relationship to high culture. Through a series of case studies, the book examines how popular culture actively

constructs, contests, uses, and perpetuates Shakespeare's cultural authority.

The Glitter  
Murders**

Editions du Rocher  
Et si la clé du succès de Columbo était sa mise en scène d'un affrontement de classes ?  
Telle est la thèse réjouissante que propose le sociologue Lilian Mathieu à propos de la célèbre série télé américaine des années 1970-1980. En téléphile

perspicace, il démontre comment l'inégalité sociale, culturelle et économique définit les rapports entre le modeste lieutenant à l'imper fripé et les meurtriers de la haute société californienne qu'il doit démasquer. Une analyse jubilatoire pour un revival nourri des ressources des sciences sociales.  
**Revue géographique internationale**  
e Random House (UK)

The “shocking” and “suspense-packed” bestseller about one teacher’s stand against student violence, and the basis for the Academy Award-nominated film (The New York Times Book Review). After serving his country in World War II, Richard Dadier decides to become an English teacher—and for the sin of wanting to make a difference, he’s hired at

North Manual Trades High School. A tough vocational school in the East Bronx, Manual Trades is home to angry, unruly teenagers exiled from New York City’s regular public schools. On his first day, Dadier endures relentless mockery and ridicule and makes an enemy of the student body by rescuing a female colleague from a vicious attack. His fellow educators are bitter,

disillusioned, and too afraid of their pupils to risk turning their backs on them in the classroom. But Dadier refuses to give up without a fight. Over the course of the semester, he tries again and again to break through the wall of hatred and scorn and win his students’ respect. The more he learns about their difficult circumstances, the more convinced he becomes that a good teacher can make a difference in

their lives. His idealism will be put to the ultimate test, however, when a long-simmering power struggle with his most intimidating student explodes into a violent schoolroom showdown. The basis for the blockbuster film starring Glenn Ford and Sidney Poitier, Evan Hunter's *The Blackboard Jungle* is a brutal, unflinching look at the dark side of American education and

an early masterpiece from the author who went on to write the gritty 87th Precinct series as Ed McBain. Drawn from Hunter's own experiences as a New York City schoolteacher, it is a "nightmarish but authentic" drama that packs a knockout punch (Time). **Shooting Columbo** becker&mayer ! kids Depuis 1944, les Fiches du Cinéma éditent, chaque année, l'Annuel du

Cinéma. L'édition 2012 comprend 611 films pour 611 fiches. Chaque fiche comprend : un générique complet, un résumé intégrale, un commentaire, une photo. L'Annuel du Cinéma, c'est aussi une somme d'informations extrêmement complète : un éphéméride, les Films qui ont marqué l'année, un carnet de tendances, composé d'interviews de personnalités invitées à faire le point sur les

<p>mutations que connaît actuellement le cinéma, le Box-Office, les Etoiles de la rédaction, des index (Réalisateurs, titres originaux, premiers longs métrages, nationalités, distributeurs, genres), un répertoire thématique, les Palmarès (festivals français et étrangers, récompenses et prix nationaux et internationaux ), la Nécrologie des artistes disparus durant</p>	<p>l'année. <u>The Blackboard Jungle</u> De Boeck Supérieur If you could go back in time what would you do differently? What mistakes would you correct? For Elliott there is no doubt in his mind. To all appearances, his life has been a success. At sixty, he is an esteemed surgeon with a daughter he adores. The only thing missing is Ilena - a beautiful, generous-</p>	<p>hearted girl who died thirty years ago. But then he is given an extraordinary opportunity to revisit his past: to go back to San Francisco when the seventies were in full swing and find the passionate young doctor who has yet to lose the love of his life . . . What ensues is a story full of intelligence, hope and humour about making the right and wrong choices and trying to deserve what we most desire.</p>

BRILL  
Fungal Wilt  
Diseases of  
Plants focuses  
on wilt  
diseases  
caused by the  
fungal genera  
Verticillium,  
Fusarium, and  
Ceratocystis.  
Special  
attention is  
given to the  
interactions of  
physiological,  
biochemical,  
and  
anatomical  
factors, as  
these relate to  
pathogenesis  
and  
mechanisms  
of disease  
resistance.  
Organized into  
16 chapters,  
this book  
begins with a  
description, in  
a historical  
perspective,  
of the major  
research  
themes in  
fungal wilt  
diseases. It  
then looks into  
the worldwide  
status of this  
plant disease.  
The three  
subsequent  
chapters  
describe the  
epidemiology  
and life cycle  
of the major  
fungal wilt  
pathogens in  
Fusarium,  
Verticillium,  
and  
Ceratocystis.  
This book also  
provides an  
in-depth view  
of the  
genetics and  
biochemistry  
of these  
pathogens;  
the nature of  
pathogenesis  
and the  
effects of wilt  
pathogens on  
host-water  
relations; and  
the sources  
and genetics  
of host  
resistance in  
field and fruit  
crops,  
vegetable  
crops, and  
shade trees.  
Other  
chapters are  
dedicated to  
the  
biochemistry,  
physiology,  
and the  
anatomical  
aspects of  
resistance and  
to the  
progress in  
the biological  
and chemical  
control of  
these  
pathogens.

This text will be of great value to graduate students and senior research scientists in plant pathology, physiology, and biochemistry, who are specifically involved in studying wilt diseases and host-parasite interactions. It will provide them the detailed background information needed to supplement their specialized research interests.  
Cahiers du

cinéma EUP  
La philosophie enfin accessible grâce aux séries ! Vous ne verrez plus Socrate, Descartes, Kant ou Nietzsche de la même manière après les avoir (re)découverts à la lumière des séries !  
Un nouvel éclairage pour intégrer différemment les concepts et les enjeux de la philosophie.  
Basé sur 16 séries populaires, ce guide propose de progresser en philo de manière

ludique et motivante en explorant différentes thématiques :  
• Le désir est-il le moteur de l'action ?  
• Y a-t-il des limites à la science ?  
• Suffit-il de vouloir pour pouvoir ?  
• Une dictature peut-elle être nécessaire ?  
... Avec : • 16 sujets philosophiques au programme • Les grands auteurs expliqués par sujet • Les citations clés  
• Des bibliographies ciblées pour aller plus loin  
Sujets/séries :

la morale dans Game of Thrones ; l'État dans The Walking Dead ; le pouvoir dans The Handmaid's Tale ; la conscience dans Westworld ; l'inconscient dans Twin Peaks ; le bonheur dans Friends ; la liberté dans Naruto ; le travail dans Columbo ; l'art dans Malcolm ; la justice dans Breaking Bad ; la religion dans The Young Pope ; la technique dans Black Mirror ; la	science dans Stranger Things ; le désir dans La Casa de papel ; l'absurde dans Kaamelott ; le jeu dans Squid Game. <u>AMETHYST</u> <u>COUNTRY</u> Yale University Press Devastated by the collapse of her marriage, Helen Bradshaw flees London for Achill Island on the West Coast of Ireland hoping that her new job researching painter, Grace Henry, will offer her an escape. Achill is wild and	beautiful, but island life poses many challenges, she feels isolated, lonely. <b>Shakespeare and Modern Popular Culture</b> Routledge Offers a unique analysis of globally iconic and cult favourite television show, Columbo. <u>The Cultural Sociology of Art and Music</u> Open Road Media Stanley Cavell looks closely at America's most popular art and our perceptions of
--	--	---

it. His explorations of Hollywood's stars, directors, and most famous films—as well as his fresh look at Godard, Bergman, and other great	European directors—will be of lasting interest to movie-viewers and intelligent people everywhere. <i>L'Annuel du Cinéma 2012</i> CABI Novel exploring	Victorian popular culture and its association with the darker sides of nineteenth-century London life. By the author of 'The house of Doctor Dee'.
