ANASTASIA KENDAL

Samuel Blink and the Forbidden Forest A-R Editions, Inc.

There's a murderer on the loose—but that doesn't stop the girls of St. Etheldreda's from attempting to hide the death of their headmistress in this rollicking farce. The students of St. Etheldreda's School for Girls face a bothersome dilemma. Their irascible headmistress, Mrs. Plackett, and her surly brother, Mr. Godding, have been most inconveniently poisoned at Sunday dinner. Now the school will almost certainly be closed and the girls sent home—unless these seven very proper young ladies can hide the murders and convince their neighbors that nothing is wrong. Julie Berry's *The Scandalous Sisterhood of Prickwillow Place* is a smart, hilarious Victorian romp, full of outrageous plot twists, mistaken identities, and mysterious happenings.

Night School Harper Collins

Intensiver Kiefernduft, moosbedeckter Erdboden, das dichte Blätterdach der Baumkronen - der Wald übt eine ganz besondere Anziehungskraft auf uns Menschen aus. Dass seine Atmosphäre eine verblüffend heilsame Wirkung besitzt, ist mittlerweile sogar wissenschaftlich erwiesen. Die Natur- und Wildnispädagogin Ina Schmitt eröffnet eine Erlebniswelt, in der wir den Wald ganz neu entdecken können: als Kraft- und Rückzugsort, der uns Energie

schenkt, alle Sinne stimuliert und uns zu uns selbst führt. Mit ihren motivierenden Anregungen, vielen einfachen Übungen und faszinierenden Hintergrundinformationen wird der Aufenthalt in der Natur zu einem wohltuenden, stärkenden und heilenden Erlebnis.

Klingsor's Last Summer Austin Macauley Publishers

Accompanied by his aunt's Norwegian elkhound, Ibsen, twelve-year-old Samuel ventures into a weird forest filled with strange and dangerous creatures to rescue his younger sister, Martha, who has been mute since their parents' recent death.

Moabit Sonnets Penguin

The first *International Handbook of Forest Therapy* defines the scientific domain of this innovative, evidence-based and timely public health approach. More than 50 authors from around the world are brought together to offer their expertise and insights about forest therapy from a variety of research perspectives. The theoretical discussion of the effects related to the biophilia hypothesis presented here is complemented by research results compiled across the last three decades in the fields of forest medicine and biochemistry from Asia. The book also highlights the latest developments with regards to forest therapy in a number of different countries, ranging from China and Australia to Germany and Austria. The handbook constitutes a major milestone in research in this field. It sets the baseline for forest therapy to be implemented worldwide as a powerful and financially prudent public health practice.

Viele Zeitalter hindurch herrscht Frieden und Eintracht auf Tenana. Doch die dunklen Mächte aus der Vorzeit erheben sich erneut und weben ihre verderbenden Fäden in die Schicksale der großen Reiche. Als die Kräfte des Bösen sie gefährlich bedrängen, entschließt sich die Seele Tenanas zu einem verwegenen Plan. Sie erwählt ein tapferes, reines Kind und übergibt ihm den Schlüssel zur Halle der Macht zwischen den Welten, mit der Bitte, dort Hilfe zu suchen. Rikja Feuerkind macht sich mit einer Gruppe von Gefährten auf den Weg, um den Auftrag zu erfüllen. Auf ihrer Reise durch ganz Tenana bestehen die Freunde große Gefahren, entdecken uralte Geheimnisse und geraten in einen Konflikt von kosmischen Ausmaßen ...

The Herbal Lore of Wise Women and Wortcunners BoD – Books on Demand

From internationally acclaimed storyteller Cornelia Funke, this bestselling, magical epic is now out in paperback! One cruel night, Meggie's father reads aloud from a book called INKHEART-- and an evil ruler escapes the boundaries of fiction and lands in their living room. Suddenly, Meggie is smack in the middle of the kind of adventure she has only read about in books. Meggie must learn to harness the magic that has conjured this nightmare. For only she can change the course of the story that has changed her life forever. This is INKHEART--a timeless tale about books, about imagination, about life. Dare to read it aloud.

Die Tiere des Waldes W W Norton & Company Incorporated

An extensive look at all the aspects of multi-natured Shiva • Explores the shamanic roots of world spirituality as exemplified by this Hindu god who shares many of the attributes of the Norse Odin and the Celtic Cernunnos • Looks at Shiva's relation to contemporary culture, Tantra, and the dualistic religions of the West To his devotees Shiva is the entire universe and the core of all beings. Hindu myth shows him appearing at the beginning of creation as a giant pillar of fire from which this world sprang forth. Yet he is also the most approachable of gods, for he is the lover of lovers and the devotee of his devotees. Of the 1,008 names of Shiva, Pashupati, Lord of Animals, is one of the most common. His special relation to animals along with his trickster nature reveal the deep connection of Shiva to shamanism and other gods such as the Norse Odin and the Celtic Cernunnos that came out of the Paleolithic traditions. Ethnologist Wolf-Dieter Storl was first captivated by Shiva when he was in India as a visiting scholar at Benares Hindu University. In this book he invites readers to join in the lively and mythical world of Shiva, or Mahadev, God of All Gods. Shiva is a study in contrasts: As the lord of dance he loses himself in ecstatic abandon; with his consort Parvati he can make love for 10,000 years. Both men and women worship him for his ability to unite and balance masculine and feminine energies. But as the ascetic Shankar he sits in deep meditation, shunning women, and none dare disturb him lest he open his third eye and immolate the entire universe. Lord of intoxicants and poisons, he is the keeper of secret occult knowledge and powers, for which he is worshipped by yogis and demons alike. Shiva dances both the joy of being and the dance of doom--but in every aspect he breaks through the false ego to reveal the true self lying within. This is his true power.

A Rosicrucian Notebook North Atlantic Books

Nachdem Jimmi und seine Freunde den Berg Nagur bezwungen haben, geht ihre Reise weiter. Wieder müssen sie sich unvorstellbaren Gefahren entgegenstellen und schnell wird der tollkühnen Gruppe bewusst, dass sie sich beeilen müssen. Das Böse erhebt sich aus der Dunkelheit hervor und will um jeden Preis verhindern, dass Jimmi und seine Freunde in die Stadt der Elfen nach Maskara und zu der dort vermuteten Waffe gelangen. Das Abenteuer geht weiter.

Plachutta Minotaur Books

Was ist Glück? Was braucht es, um zufrieden zu sein? Hast du dich auch schon gefragt, wie aufmerksam du durchs Leben gehst und was du dazu beiträgst, dass du ganz in deinem Element bist? Worauf richtest du deinen Blick: Auf Vorhandenes oder Fehlendes? Du bist ein einzigartiger Mensch und es ist Zeit, in deine volle Energie zu kommen. Zeige deine Fähigkeiten, welche du für dein Leben auf dieser Welt als Geschenk erhalten hast. Dieses Buch gibt dir Anregungen, deine Achtsamkeit zu schärfen, deine Fähigkeiten wahrzunehmen und deine Zufriedenheit mit dir zu erhöhen. Die Veränderung in der Welt fängt bei dir an.

Der Türmer North Atlantic Books

These eighty sonnets were written by a man expecting to be executed for his resistance to the Nazi regime.

Hunter's Moon Integral

A passionate naturalist explores what it's really like to be an animal—by living like them How can we ever be sure that we really know the other? To test the limits of our ability to inhabit lives that are not our own, Charles Foster set out to know the ultimate other: the non-humans, the beasts. And to do that, he tried to be like them, choosing a badger, an otter, a fox, a deer, and a swift. He lived alongside badgers for weeks, sleeping in a sett in a Welsh hillside and eating earthworms, learning to sense the landscape through his nose rather than his eyes. He caught fish in his teeth while swimming like an otter; rooted through London garbage cans as an urban fox; was hunted by bloodhounds as a red deer, nearly dying in the snow. And he followed the swifts on their migration route over the Strait of Gibraltar, discovering himself to be strangely connected to the birds. A lyrical, intimate, and completely radical look at the life of animals—human and other—Being a Beast mingles neuroscience and psychology, nature writing

and memoir to cross the boundaries separating the species. It is an extraordinary journey full of thrills and surprises, humor and joy. And, ultimately, it is an inquiry into the human experience in our world, carried out by exploring the full range of the life around us.

Culture and Horticulture Christian Brandstätter Verlag

This captivating history of medicine traces healing practices from the Stone Age to modern times, highlighting ancient knowledge and plant-based treatments. This absorbing history of medicine takes the reader on a sweeping journey, revealing that Western medicine has its origins not only in the academic tradition of doctors and pharmacists, but in the healing lore of Paleolithic hunters and gatherers, herding nomads, and the early sedentary farmers. Anthropologist and ethnobotanist Wolf D. Storl vividly describes the many ways that ancient peoples have used the plants in their immediate environment, along with handed-down knowledge and traditions, to treat the variety of ailments they encountered in daily life.

Shiva Haymarket Books

In *The Precipice*, Noam Chomsky sheds light into the phenomenon of Trumpism, exposes the catastrophic nature and impact of Trump's policies on people, the environment, and the planet as a whole, and captures the dynamics of the brutal class warfare launched by the masters of capital to maintain and even enhance the features of a dog-eat-dog society to the unprecedented mobilization of millions of people against neoliberal capitalism, racism, and police violence/

Bring the Noise Macmillan

Beneath a Hunter's Moon blood turns from crimson to black . . . Once upon a time they called me Ms. Tyler, Leigh to my friends, a kindergarten teacher who dreamed of love, children and that cliché picket fence. Then my worst mistake came back and brutally took away everything I ever loved. Mistakes . . . they can haunt you. Until you make them stop. I became a hunter, a Jäger-Sucher. Specialty: Werewolves. Just because my starry-eyed dreams might be dead, that doesn't mean everyone else's has to be. But there's a bigger, badder beast in town and it's doing my work for me. Distractions can be deadly and Damien Fitzgerald, a drifter with a questionable past is the ultimate distraction. When I gave up love, I gave up sex. Damien makes me wonder if maybe, just maybe, that was a mistake. However, people who hang around me too long wind up dead, and I can't live with any more souls on my conscience. In the end, the only way to save anyone, including myself, is to come face-to-face with my past. But am I strong enough to triumph over an evil no one else has ever vanquished before? exciting must read with fast paced action, romantic plot line fantasy with strong heroine, fantastic plot line paranormal romance, fast wit romance, unique supernatural plot line, fast paced werewolf plot, paranormal full of tension cannot put down

International Handbook of Forest Therapy Bold Type Books

Vier kleine Kätzchen, ausgesetzt im Wald, allein. Gefunden werden sie von der Kunstmalerin Gudrun Stark und ihrem Mann, dem Autor Matthias Stark. Eines der Katzenkinder wird sie nach Hause begleiten. Welche Abenteuer Mensch und Tier auf dem Weg zum erwachsenen Stubentiger erleben, wurde in Wort und Bild festgehalten. Mit einfühlsamen Zeichnungen und kurzweiligen Texten beschreiben die beiden das erste Jahr im Leben ihres Findelkaters.

Die Sturmfels Chroniken Band 4: Der Weg des Kriegers Roaring Brook Press

DAS Herzenthema des Bestsellerautors Wolf-Dieter Storl : Sein gesammeltes Wissen zur geliebten "grünen Lunge" Wolf-Dieter Storl möchte uns in "Wir sind Geschöpfe des Waldes" den Wald wieder näherbringen. Er gibt uns einen Einblick in die Tiefen des Waldes mit seiner Geschichte, seinen Mythen, Bildern und Symbolen. Die erste Biographie zwischen dem Wald und dem Menschen wird damit eine Reise zu unseren wahren traditionellen Wurzeln. Denn der Wald ist nicht nur ein "Ökosystem" irgendwo da draußen; der Wald ist auch in uns, er ist Teil unserer Seelenlandschaft. Unsere Verbundenheit mit den Bäumen hat innige und tiefe evolutionäre Wurzeln: Sie entstand vor 70 Millionen Jahren, als wir als Primaten durch das Geäst der tropischen Urwälder Afrikas huschten. Über Millionen Jahre hinweg waren die Bäume unsere Welt; sie prägten uns physisch, seelisch und geistig. Wer kennt noch die Bäume im Wald, die Kräuter, die da in den Ritzen der Mauern und Gehsteine wachsen? Was wissen wir noch über ihre Heilkraft, ihrem Duft, ihre Eigenschaft als nahrhaftes Wildgemüse? Heutzutage haben wir diese Verbindung mit dem Wald (fast) verloren. Die meisten Zeitgenossen leben in Megastädten, mit Beton statt Moos und Humuserde unter den Füßen und elektronischer Musik statt Insektensummen in den Ohren. Dabei rückt die wahre Natur in die Ferne. Es würde uns gut tun, dieses Band zwischen Mensch und Natur wieder herzustellen und zu stärken.

Die deutsche Romantiker-Seele Lori Handeland

This "deep excursion into the heart of herbalism" pulls back the curtain on centuries of herbal medicine and offers an inventory of useful plants for the modern herb gardener or homesteader (Rosemary Gladstar) Traditional herbalists or wise women were not only good botanists or pharmacologists; they were also shamanic practitioners and keepers of occult knowledge about the powerful properties of plants. Traveling back to the healing arts of the ancient Egyptians, Greeks, and Romans, *The Herbal Lore of Wise Women and Wortcunners* takes readers deep into this world, through the leechcraft of heathen society and witches' herb bundles to the cloister gardens of the Middle Ages. It also examines herbal medicine today in the traditional Chinese apothecary, the Indian ayurvedic system, homeopathy, and Native American medicine. Balancing the mystical with the practical, author Wolf Storl explains how to become an herbalist, from collecting material to distilling and administering medicines. He includes authoritative advice on herb gardening, as well as a holistic inventory of plants used for purposes both benign and malign, from herbs for cooking, healing, beauty, and body care to psychedelic plants, witches' salves for opening alternative realities, and poisonous herbs that can induce madness or cause death. Storl also describes traditional "women's plants" and their uses: dyeing cloth, spinning and weaving, or whipping up love potions. *The Herbal Lore of Wise Women and Wortcunners* is written for professional and amateur herbalists as well as gardeners, urban homesteaders, and plantspeople interested in these rich ancient traditions.
