Dirk Pitt, the sea-loving protagonist of 22 of Cussler's novels, remains among the most popular and influential adventure series heroes of the past half-century. This first critical review of Cussler's work features an overview of Pitt and the supporting characters and other heroes, an examination of Cussler's themes and influences, a review of his

most important adventures, such as *Raise the Titanic!* and *Iceberg*, and a look at adaptations of his work in other media.
