Valerian - The Complete Collection - Volume 7 Das grosse Comic-Lexikon Nachschlagewerk zu Autoren, Zeichnern, Verlagen, Genres, Themen, Serien u.a.m. German books in print Baby Prinz In the rain forest of South America lives a legendary creature: friendly, playful, intelligent ... and with a simply extraordinary tail. The 5th adventure of the Marsupilami, one of the most endearing creations of a comics genius ... Bull Run The hilarious adventures of a pair of unlikely friends across the bloody fields of the American Civil War. The 15th volume of a humorous series that does not shy from the horror and absurdity of war. Franquin's Last Laugh Renowned Franco-Belgian gag cartoonist Andre Franquin suffered from depression. With his late-career "Idees Noires" series of gags from the late 1970s and early 1980s, created mostly for the independent/underground comics magazine *Fluide Glacial*, Franquin harnessed his still-virtuoso graphic style to his increasingly morbid worldview. Fantagraphics is proud to present the complete "Idees Noires" collection under the title *Franquin's Last Laugh*. The Marsupilami - Volume 4 - The Pollen of Monte Urticando

Game of Thrones: In Memoriam HP Books

Comics are a uniquely autonomous art form, one that has its own rich traditions that have given rise to a remarkably vibrant contemporary scene. In this richly illustrated book, Paul Gravett traces the history of comics from the late 19th century right through to the huge current interest in manga and graphic novels and the explosion of comics on the Internet.

The Marsupilami's Nest Macmillan

The biggest selling DVD of all time comes to comics! Marlon and Nemo take to the waves, gathering up their old friends to help bring Dory back. But what father and son don't realize is that there is something far more sinister going on and many dangerous surprises await them all! Can Dory be saved in time?

General Alexander's Union army is out of horses, and it is now facing none other than Robert E. Lee himself. To rebuild the

Northern Cavalry before the coming battle, Blutch and Chesterfield are sent to buy new mounts, with the help of legendary horse trainer Ben "Bronco Benny" Wilcox. But, first, they'll have to cross Rebel lines, face angry Indians, and deal with Benny's fascination with a very special horse named "Traveller" ... Comics; Anatomy of a Mass Medium 9th Cinebook

A groovy spy thriller and coming-of-age tale set in the Go-go days of the 1960s, done in a chic, retro style sure to charm readers. For 15-year old Antoine, the summer of 1967 will prove to be an unforgettable one full of new discoveries: a secret agent from nowhere, a mysterious troubled girl, and the disappearance of his father--all happening within two days! These events and more conspire to turn his life upside down and into something he could never have imagined. The creators of *Atomic Empire* turn their vintage-inspired style to the spy-thriller genre that harkens back to a time when James Bond was the biggest action-hero in the world.

Ghost Squadron Hachette UK

"Left behind with the wounded, Blutch and Chesterfield must defend their fellow Union soldiers against Southern troops ... and civilians! After an even bloodier battle than usual, the Union Army is out of men. But so are the Confederates, and General Alexander decides to retreat and come back with reinforcements before the enemy can do the same. To move faster, he leaves his wounded--including Stark and Chesterfield--behind in the nearby town of Rumberley, in the care of its inhabitants and Corporal Blutch. But Rumberley's a Rebel village ..."--P [4] of cover.

HIS DARK MATERIALS IS NOW AN HBO ORIGINAL SERIES

STARRING DAFNE KEEN, RUTH WILSON, JAMES McAVOY, AND LIN-MANUEL MIRANDA! The world of Philip Pullman's internationally bestselling *His Dark Materials* saga is brought to visual life in book

1 of a three-volume graphic adaptation of *The Golden Compass*. Lyra Belacqua is content to run wild among the scholars of Jordan College, with her *dæmon* familiar always by her side. But the arrival of her fearsome uncle, Lord Asriel, draws her to the heart of a terrible struggle—a struggle born of Gobblers and stolen children, and a mysterious substance known as Dust. As she hurtles toward danger in the cold far North, Lyra never suspects the shocking truth: she alone is destined to win—or to lose—this more-than-mortal battle. The stunning full-color art offers both new and returning readers a chance to experience the story of Lyra, an ordinary girl with an extraordinary role to play in the fates of multiple worlds, in an entirely new way. "Superb . . . all-stops-out thrilling." —The Washington Post Don't miss Philip Pullman's epic new trilogy set in the world of *His Dark Materials*! ** THE BOOK OF DUST ** La Belle Sauvage The Secret Commonwealth

Winner of the prestigious Grand Prize of the 2010 Angouleme Comics Festival, *5,000 Kilometers Per Second* tells—or almost tells—the love story between Piero and Lucia, which begins with a casual glance exchanged by teenagers across the street through a window and ends with a last, desperate hook-up between two older, sadder one-time lovers. Executed in stunning watercolors and broken down into five chapters (set in Italy, Norway, Egypt, and Italy again), *5,000 Kilometers Per Second* manages to refer to Piero and Lucia's actual love story only obliquely, focusing instead

on its first stirrings and then episodes in their life during which they are separated—a narrative twist that makes it even more poignant and heart-wrenching. 5,000 Kilometers Per Second is another delicate graphic-novel masterpiece from Europe.

Rumberley Legare Street Press

Since the 1.34 a.m. wake up calls began, Elena, Matt, and Tima had all had the power to talk to animals, birds and insects like no other human could. None of them would ever trade that for a full eight hours sleep. It was too amazing. But an amazing life has its complications. Like finding a body in the dark. Like having to stop the world from ending. You can fit a lot in your day when you don't sleep. New from award-winning author, Ali Sparkes, with huge appeal for both boys and girls. Fast-paced action adventure about contemporary children with mysterious powers, told with Ali's classic humour and lightness of touch.

The Art of Monsters, Inc. opens the door into Pixar's colorful archives of concept art and to the endearing story of Monsters,

Inc. Since the very first bedtime, children around the world have known that once their parents tuck them into bed and shut off the light, monsters lie waiting behind closet doors, ready to emerge. But what they don't realize is that these monsters scare children because they have to. It's their job. This superb film from Pixar Studios, the people who brought you *Toy Story*, *A Bug's Life*, and *Toy Story 2*, reveals the truth about monsters with the brilliant techniques that have earned them their reputation as a groundbreaking animation studio. This incredible body of artwork was commissioned from the top artists, illustrators, and animators in the industry and from it the ultimate visual approach of the film was defined. From sketches scribbled on napkins and quickly inked marker drawings, to finished oil paintings and fabulous pastel color scripts, this behind-the-scenes artwork reveals the elaborate creative process behind a blockbuster film.
