BALLARD YOSEF

The Fate of the Tearling Faber & Faber
 For more than sixteen hundred years, Nick Medea has followed and guarded the Gate that keeps the mortal realm and that of Feirie separate, seeking in vain absolution for the fatal errors he made when he slew the dragon. All that while, he has tried and failed to keep the woman he loves from dying over and over. Yet in the fifty years since the Night the Dragon Breathed over the city of Chicago, the Gate has not only remained fixed, but open to the trespasses of the Wyld, the darkest of the Feiriefolk. Not only does that mean an evil resurrected from Nick's own past, but the reincarnation of his lost Cleolinda, a reincarnation destined once more to die. Nick must turn inward to that which he

distrusts the most: the Dragon, the beast he slew when he was still only Saint George. He must turn to the monster residing in him, now a part of him...but ever seeking escape. The gang war brewing between Prohibition bootleggers may be the least of his concerns. If Nick cannot prevent an old evil from opening the way between realms...then not only might Chicago face a fate worse than the Great Fire, but so will the rest of the mortal realm. From the Trade Paperback edition.

The Selection Series 1-5 HarperTeen
"Greeley's storytelling is intricate, masterly, and delightfully imaginative. Highly recommended."—*Library Journal* (starred review) In this gorgeously written and spellbinding historical novel based on *Pride and Prejudice*, the author of *The Clergyman's Wife* combines the knowing eye of Jane Austen with the eroticism and Gothic intrigue of Sarah Waters to reimagine the life of the mysterious Anne de Bourgh. As a fussy baby, Anne de Bourgh was prescribed laudanum to quiet her, and now the young woman must take the opium-heavy tincture every day. Growing up sheltered and confined, removed from sunshine and fresh air, the pale and overly slender Anne grew up with few companions except her cousins, including Fitzwilliam Darcy. Throughout their childhoods, it was understood that Darcy and Anne would marry and combine their vast estates of Pemberley and Rosings. But Darcy does not love Anne or want her. After her father dies unexpectedly, leaving her his vast fortune, Anne has a moment of clarity: what if her life of fragility and illness isn't truly real? What if she could free herself from the medicine that clouds her sharp mind and leaves her body weak and lethargic? Might there be a better life without the medicine she has been told she cannot live without? In a frenzy of desperation, Anne discards her laudanum and flees to the London home of her cousin, Colonel John Fitzwilliam, who helps her through her painful recovery. Yet once she returns to health, new challenges await. Shy and utterly inexperienced, the wealthy heiress must forge a new identity for herself, learning to navigate a "season" in society and the complexities of love and passion. The once wan, passive Anne gives way to a braver woman with a keen edge—leading to a powerful reckoning with the domineering mother determined to control Anne's fortune . . . and her life. An extraordinary tale of one woman's liberation, *The Heiress* reveals both the darkness and light in Austen's world, with wit, sensuality, and a deeply compassionate understanding of the human heart.

As a Korean adoptee, Hara Wilson doesn't need anyone telling her she looks different from her white parents. She knows.
