*The Life of Christ* HarperCollins  
Surveying the history of the Jewish Libyan community, contends that the ambiguous relationship of Jews and Muslims in Libya from 1711 to the 1940s is rooted in Islam, which sees the Jew either as a creature of the handiwork of the blessed, or as a non-believer to be humbled. This ambivalence was maintained by the Ottoman rule (1835-1911) which regarded the Jews and

Muslims as separate and unequal communities. In contrast, during the Italian occupation (1911-43), Libyan nationalism grew, and the Jews were associated with Italy. Ch. 7 (pp. 97-122), "The Anti-Jewish Riots of 1945", contends that the 1945 riot against Tripoli's Jews (during the British occupation, 1943-45) may be viewed as an expression of the will to restore Muslim sovereignty, using the Jew as a representative of the hostile European rule.

This collection of essays offers an

exploration of the meaning and significance of the Catalogue of Women, attributed to Hesiod.

*Life and Letters of John Cairns, D.D., LL.D.*  
Yale University Press

Do you want to be happy? Not waiting-for-the-weekend happy. Not happy-ish. Really, truly happy. Unconditionally satisfied. Every single day. High-performing financial services exec and time-strapped mother of two Barbara Demone thought she'd have to pencil in happiness for later—until she realized she already had everything she needed to enjoy her life, exactly as it was.

Drawing from the writings of prominent spiritual leader Eckhart Tolle, as well as respected psychologists like Dr. Shefali Tsabary, Demone kept a journal every morning on the commuter train, actively training her mind to feel happy. Three years later, she'd hit on a formula for genuine, lasting happiness that really works—even with a jam-packed schedule, a demanding career, and the equally demanding job of parenthood. In this book, Demone shares the collected insights of her journals and reveals her stress-tested formula to enjoying:

- Confident and compassionate leadership
- Effective, guilt-free parenting
- Cool-headed decision-making in heated situations
- Less drama; more harmonious relationships
- And that priceless yet elusive state: abundant, unfettered happiness.

This is it: the family-first career woman's practical guide to peace of mind, right in the busy middle of everyday routines. There's no need to wait for your schedule to clear up to transform your life. A deep wellspring of happiness lies within yourself, there to uncover, moment by moment.

From the esteemed New York Times bestselling and multi-award-winning author Mac Barnett comes a thrilling, hilarious fully-illustrated new spy adventure series! Before Mac Barnett was an author, he was a kid. And while he was a kid, he was a spy. Not just any spy. But a spy...for the Queen of England. James Bond meets Diary of a Wimpy Kid with this groundbreaking fully-illustrated chapter book series Mac B., Kid Spy. The precious Crown Jewels have been stolen, and there's only one person who can help the Queen of England: her newest secret agent, Mac B. Mac travels around the globe in search of the stolen treasure...but will he find it in time? From secret identities to Karate hijinks, this fast-paced, witty and historically inspired chapter book will keep readers guessing until the very last page. With full-color illustrations and fascinating historical facts masterfully sprinkled throughout, this series offers adventure, intrigue, absurdity, history and humor. Discover this totally smart and side-splittingly funny new series, and experience what it's really like to be a kid spy.

**Claudia and the Sad Good-bye: Collector's Edition (The Baby-Sitters Club #26)**

Transaction Publishers  
The World of Sea Cucumbers: Challenges, Advances, and Innovations provides broad coverage of sea cucumber biology, ecology, fisheries, aquaculture, and trade while also bringing forward novel cultural, socioeconomic and scientific topics related to commercial and non-commercial species worldwide. Written by international experts in their respective fields, the book offers a unique outlook into the fascinating world of sea cucumbers while also providing valuable information to various stakeholders and researchers. Commercial fisheries and aquaculture programs are addressed, especially as they relate to emerging species, but the book also covers novel, understudied or lesser-known biological, ecological, and commercial aspects. The involvement of Indigenous peoples and minorities in various community-level initiatives and on the cultural significance/impact of sea cucumbers in many regions are also examined. Finally, breakthroughs and emerging biotechnologies centered on sea

cucumbers are presented. - Brings together a network of experts covering broad sea cucumber topics, from basic biology and commercial trade to socioeconomic value and novel biotechnologies - Offers worldwide coverage, including Asia, the Indo-Pacific, Africa, Northern Europe, North and South America, and the poles - Raises global awareness on little-known facts of sea cucumber importance

Over 50 contributors ask and answer all your questions in this ultimate eBook

compendium of everything related to the most iconic and 'talked-about' series in Television history. Each Chapter and Guide is made up of multiple associated articles from the likes-of award-winning sci-fi authors David Brin and Peter Watts, academics including Dr Kristine Larsen and Alan Shapiro, Lost community leaders such as Jon Lachonis, news producers, comedy writers ... and professional and lay bloggers who spawned a revolution in television criticism. Just the 'Ending' chapter alone has over 30 articles, opinions and insights to further challenge your perspective. The sumptuous Episode Guide is a definitive resource of over 350 articles with at least two reviews of each episode as well as synopses, tidbits and a comprehensive archive of intertextual references within each episode. Other chapters include; - Cast and Characters which gives an incite to the characters role in the overall drama ... as well provide juicy titbits about the actors careers; - Mythology,' which includes posts on the Smoke Monster, DHARMA, the Frozen Donkey Wheel, and how religion was reflected on the series; - Philosophy, ranging from scholarly but accessible

posts on the philosophy and philosophers referenced in the show, to a post on how the series affected one writer's personal philosophy; - Structure, including discussions on the flashback/forward/sideways, the DHARMA stations, and a physicist's explanation of the science of time travel; - Interviews with the showrunners and writers throughout the lifetime of the series. and much much more.

*The Bite, the Breast and the Blood* Simon and Schuster

With well over one-hundred episodes, the podcast Welcome to Night Vale has spawned several international live tours, two novels set in the Night Vale universe, and an extensive volume of fan fiction and commentary. However, despite its immense popularity, Welcome to Night Vale has received almost no academic scrutiny. This edited collection of scholarly essays—the very first of its kind on a podcast—attempts to redress this lack of attention to Night Vale by bringing together an international group of scholars from different disciplines to consider the program's form, themes, politics, and fanbase. After a thorough introduction by

the volume's editor, Jeffrey Andrew Weinstock, the eight contributors not only offer close analysis of *Night Vale*, but use the program as the impetus for broader explorations of new media, gender, the constitution of identity, the construction of place, and the human relationship to meaning and the non-human.

*Marriage After God* Baker Academic

In the 21st century and in a globalized world, how can an ethic of responsibility orient the powerful human striving for the enhancement of life? – This question is at the center of the program of theological humanism developed by the American ethicist William Schweiker. His ethic of responsibility takes the integrity of all human as well non-human life as a central criterion for the enhancement of life. The contributions of this collection dedicated to William Schweiker discuss and explore key elements of his work, in exemplary studies and from a variety of disciplinary perspectives. They examine the contours of this ethic, analyze the claims of a moral realism, and investigate the backgrounds of his theological humanism.

[Verantwortung und Lebensverbesserung]  
Wie kann eine Ethik der Verantwortung im

21. Jahrhundert in einem globalen Horizont des Handelns das machtvolle menschliche Streben nach einer Verbesserung des Lebens orientieren? – Diese Frage steht im Mittelpunkt des Programms eines theologischen Humanismus des amerikanischen Ethikers William Schweiker. Die von ihm vertretene Verantwortungsethik beansprucht die Integrität des menschlichen wie nicht-menschlichen Lebens als Maßstab. Die Beiträge dieses William Schweiker gewidmeten Bandes diskutieren und befragen aus philosophischen, ethischen, historischen und systematischen Perspektiven anhand exemplarischer Studien zentrale Elemente dieses Entwurfs. Sie beleuchten die Konturen dieser Ethik, analysieren deren Grundlagen in einem moralischen Realismus und erforschen die Hintergründe eines theologischen Humanismus. Mit Beiträgen von Svend Andersen, Maria Antonaccio, Phil Blackwell, Kris Culp, Michael Fishbane, Clark Gilpin, David Hall, Markus Höfner, Kevin Jung, Nico Koopman, Robin Lovin, Jean-Luc Marion, Terence Martin, Charles Mathewes, Paul Mendes-Flohr, Elena

Namli, Douglas Ottati, Willemien Otten, Kang Phee Seng, Heike Springhart, Per Sundmann, Günter Thomas, Darlene Fozard Weaver und Michael Welker. *Good Morning, Life!* Penguin  
Surveys the online social habits of American teens and analyzes the role technology and social media plays in their lives, examining common misconceptions about such topics as identity, privacy, danger, and bullying.

Firestorm Read Books Ltd

"Frightening...Firestorm comes alive when Struzik discusses the work of offbeat scientists." —New York Times Book Review  
"Comprehensive and compelling."  
—Booklist "A powerful message." —Kirkus  
"Should be required reading." —Library Journal  
For two months in the spring of 2016, the world watched as wildfire ravaged the Canadian town of Fort McMurray. Firefighters named the fire "the Beast." It acted like a mythical animal, alive with destructive energy, and they hoped never to see anything like it again. Yet it's not a stretch to imagine we will all soon live in a world in which fires like the Beast are commonplace. A glance at international headlines shows a

remarkable increase in higher temperatures, stronger winds, and drier lands— a trifecta for igniting wildfires like we've rarely seen before. This change is particularly noticeable in the northern forests of the United States and Canada. These forests require fire to maintain healthy ecosystems, but as the human population grows, and as changes in climate, animal and insect species, and disease cause further destabilization, wildfires have turned into a potentially uncontrollable threat to human lives and livelihoods. Our understanding of the role fire plays in healthy forests has come a long way in the past century. Despite this, we are not prepared to deal with an escalation of fire during periods of intense drought and shorter winters, earlier springs, potentially more lightning strikes and hotter summers. There is too much fuel on the ground, too many people and assets to protect, and no plan in place to deal with these challenges. In *Firestorm*, journalist Edward Struzik visits scorched earth from Alaska to Maine, and introduces the scientists, firefighters, and resource managers making the case for a radically different approach to managing

wildfire in the 21st century. Wildfires can no longer be treated as avoidable events because the risk and dangers are becoming too great and costly. Struzik weaves a heart-pumping narrative of science, economics, politics, and human determination and points to the ways that we, and the wilder inhabitants of the forests around our cities and towns, might yet flourish in an age of growing megafires.

*New Spring* InterVarsity Press

An understanding of personal debt requires an understanding of the complex social systems that produce poverty. By drawing upon international perspectives, this book investigates why more and more people are in debt, why it is causing so much mental distress and exactly who is benefiting from what has become the world's number one growth industry.

[Jewish Life in Muslim Libya](#) University of Chicago Press

We live in an increasingly isolated and lonely world. How do we find genuine relational connection? According to psychologist Todd Hall, real human growth doesn't come through head knowledge alone but through relational knowledge

and strong attachment bonds. This accessible introduction invites us into lasting relationships—with God and others—that lead to authentic transformation.

*The Pastor in a Secular Age (Ministry in a Secular Age Book #2)* Take2 Publishing  
Christians love superhero movies, just like everybody else. But should they? How do the themes in the world's most popular movies relate to Christ's teachings? How do believers reconcile superhero violence with Jesus's message of peace? How does the Sermon on the Mount relate to superhero power fantasies? *The Superpowers and the Glory* helps readers answer those questions by teaching them how to identify the themes in superhero movies and examine them through Christian theology. With deep dives into nearly every superhero movie ever released, the book trains readers in understanding the worldviews behind movies such as Iron Man, Spider-Man, and Wonder Woman. Each chapter includes discussion questions, perfect for small groups, Sunday school classes, or personal inquiry. From Marvel hits like Black Panther and The Avengers to DC

blockbusters Batman and Justice League to indie characters Hellboy and Teenage Mutant Ninja Turtles, *The Superpowers and the Glory* is an easy-to-read guide to using superhero movies to strengthen your relationship with Christ.

What if God has purposed your marriage for something so much more than "happily ever after?" Since the very beginning, God's design for marriage has been for husbands and wives to be ambassadors of holy love to a hurting world. Still, too many couples stop short at happy and wonder why they feel unsatisfied. Rather than "you and me against the world," God calls each couple to the rich and meaningful mission of "you and me for the world." In *Marriage After God*, Aaron and Jennifer Smith, popular marriage bloggers at [HusbandRevolution.com](http://HusbandRevolution.com) and [UnveiledWife.com](http://UnveiledWife.com), transparently share their own journey of turning a marriage in crisis into a marriage built on Christ's redemptive love. With fresh biblical insight and intimate stories of their own struggles and victories, this book will guide you toward a God-centered, ministry-minded,

and thriving marriage. Throughout *Marriage After God*, you'll learn to: Discover the signature marks of a marriage after God Find principles for building an unshakable marriage foundation Let God's story take the lead in your love story Recognize the tools God has already equipped you with for a missional life together Filled with timeless wisdom, this thorough and practical book will empower you and your spouse to dream, decide, and do as you step hand in hand into God's ultimate purpose for your marriage. God has created your remarkable, romantic, and redemptive relationship to be a powerful light to a dark and hurting world. Let *Marriage After God* be your invitation to marriage as God intended--a life-saving, hope-inspiring, and transforming force of God's love. Praise for *Marriage After God*: "This book is an incredible resource for anyone trying to grow or step into a healthier and more life-giving marriage. Aaron and Jen pull no punches; are honest, raw, and authentic; and show that a marriage in pursuit of Jesus can change the world." --Jefferson Bethke, New York Times bestselling author of *Jesus > Religion* "There is a short list of

books I'm stashing away for my three small kiddos to read when they are older-- *Marriage After God* is one of them. Dear couples of the world, you have picked up a treasure! This book will give you clear direction to live out God's will for your marriage. There is no greater gift you can give yourselves than to run after Him together. *Marriage After God* will show you how!" --Lara Casey, author of *Cultivate and Make It Happen*  
*The Life of Trade* Wm. B. Eerdmans Publishing  
Discerning a calling is a messy undertaking. You are already involved in many good things now, even as you are being called to many good things in your future. The good life—good work, good relationships, good citizenship, good faith—is to be enjoyed now and pursued on every horizon. We are living out the Kingdom of God even as we seek it. *Ready or Not* is a much-needed resource for young people on exploring the complexity of vocation in empowering, not prescriptive, ways. After exploring four foundational questions for emerging adulthood—Who is God? Who am I? How have I been shaped? What are my

contexts?—you will work through interactive chapters covering the contours of adulthood, including: spirituality, family, community, and work. Explore the full depths of your twenties with bravery and vulnerability! With insight into life skills, personal growth, and spirituality, *Ready or Not* will set you on a faithful trajectory for a good and meaningful life.

Life After Why Wm. B. Eerdmans Publishing

This volume deals with a key concept concerning the future: change. It is omnipresent and yet is often only perceived in retrospect. The book's editor and founder of Psychological Future Management argues that we are currently experiencing the beginning of the most radical and profound change in human history. This is the right moment to analyze people's ability to change more precisely. In this first, representative study, Germany was chosen as an example. The results serve as a basis for further psychological, sociological and prospective considerations. The Germans obviously have great resilience and problem-solving competence. At the same time, however, they are one-sidedly

fixated on maintaining the economic status quo and fear negative changes in the future. Their social milieus are permeated by contradictions. The wealthy, in particular, are tied to security concerns and are therefore unwilling to experiment and take risks, two qualities without which a future in times of exponential change can hardly be managed. What could other countries and societies learn from these descriptions of the current state of one of the world's leading countries? The entire subject revolves around this question. The psychological effects of digitization and artificial intelligence also play a role, as they put our neuronal and emotional habits under enormous pressure. How can we improve our future competence and learn to adapt new knowledge more quickly and continuously? Against this background, the phenomenon of change will be examined and discussed from various national and international perspectives.

The Shape of Things to Come NavPress  
Jesus came to bring joy to the world. What happened? In a world full of suffering, the declaration that God wants us to be joyful can sound tone-deaf at best or hypocritical

at worst. In *An Invitation to Joy*, Daniel J. Denzler invites readers to cast off hopelessness and rediscover joy. Yet, as Denzler reminds us, "we don't find joy by pursuing joy; we find it by pursuing something else," namely, the kingdom of God. This joy is not naive optimism but a profound sense of purpose and peace. Throughout his reflections, Denzler approaches the topic of Christian joy with sensitivity and nuance, supporting his argument with Scripture and theological scholarship. But *An Invitation to Joy* is not primarily academic—Denzler is just as likely to share his personal experience or his favorite passages from *Lord of the Rings*, all in an easy manner akin to a friendly conversation over coffee. Life-affirming, empathetic, and, above all, joyful, *An Invitation to Joy* is a salve for the wounds of the world-weary. If you have lost your joy, this book will help you find it again.

Radical Change in Everyday Life Routledge  
Since the beginning of the twentieth century, critics have predominantly offered a negative estimate of John Donne's *Metempsychosis*. In contrast, this study of *Metempsychosis* re-evaluates the poem as one of the most vital and

energetic of Donne's canon. Siobhán Collins appraises Metempsychosis for its extraordinary openness to and its inventive portrayal of conflict within identity. She situates this ludic verse as a text alert to and imbued with the Elizabethan fascination with the processes and properties of metamorphosis. Contesting the pervasive view that the poem is incomplete, this study illustrates how Metempsychosis is thematically linked with Donne's other writings through its concern with the relationship between body and soul, and with temporality and transformation. Collins uses this genre-defying verse as a springboard to contribute significantly to our understanding of early modern concerns over the nature and borders of human identity, and the notion of selfhood as

mutable and in process. Drawing on and contributing to recent scholarly work on the history of the body and on sexuality in the early modern period, Collins argues that Metempsychosis reveals the oft-violent processes of change involved in the author's personal life and in the intellectual, religious and political environment of his time. She places the poem's somatic representations of plants, beasts and humans within the context of early modern discourses: natural philosophy, medical, political and religious. Collins offers a far-reaching exploration of how Metempsychosis articulates philosophical inquiries that are central to early modern notions of self-identity and moral accountability, such as: the human capacity for autonomy; the place of the human in the 'great chain of being'; the relationship between cognition and

embodiment, memory and selfhood; and the concept of wonder as a distinctly human phenomenon.

[Narrative Research in Health and Illness](#)  
Springer

Central to every vampire story is the undead's need for human blood, but equally compelling is the human ingestion of vampire blood, which often creates a bond. This blood connection suggests two primal, natural desires: breastfeeding and communion with God through a blood covenant. This analysis of vampire stories explores the benefits of the bonding experiences of breastfeeding and Christian and vampire narratives, arguing that modern readers and viewers are drawn to this genre because of our innate fascination with the relationship between human and maker.
