**The Boy Is Back** HarperCollins

A breezy, funny Regency romance with an unforgettable heroine—from the bestselling author of *The Princess Diaries* series and many well-loved romances. Nicola Sparks has fallen in love, big time. The object of her dreams is the fabulously rich Lord Sebastian, he of the ice-blue eyes, golden hair, and full-on mastery of the dance floor. To Nicky, Lord S. is a god. But are gods always quite as perfect as they are meant to be? Nicola, sixteen and an orphan, always gets what she wants. She's ready to dive headlong into her first glittering London society season. She's also ready to dive headlong into the arms of handsome and debonair Lord Sebastian. Nicola's dream is a proposal from the viscount—a dream she's about to realize at last! So naturally, Nathaniel Sheridan's insinuations about her fiancé's flawed character annoy her mightily. But when Nicola's natural curiosity gets the best of her, she begins to piece together a few things for herself. To her great surprise, Nicola realizes she's had the wrong viscount all along . . . but is it too late to make things right? Nicola could feel Lord Sebastian's heart beating. It was the most delightful feeling in the world. Surely it meant that The God liked her. More than simply liked her—loved her even. It had to! It

just had to!

*Bridal Boot Camp* Pan Macmillan

A ghost falling in love with a mortal? It's just a bunch of hocus pocus... Dani So, I think my apartment is haunted. No.

Really. Spooky things have been happening to me ever since I moved in last year. At first, I ignored them. Later, I got used to the idea that I shared my place with a ghost. I even called him Casper. We got along just fine. Until a sexy hunk showed up the night before Halloween and told me that his name wasn't Casper--it was Zack. And that, on All Hallow's Eve, certain ghosts sometimes have the power to cross over into the human world. Which he did, because he loves me. Okay then. Zack I'm in love. The only problem? She's alive. And me? I'm kinda not. At least, I'm not on every day except for October 31st. Because on Halloween? Anything goes. I want Dani. And even if it's only for the one night when ghosts can cross over to the living world, I'll take what I can get. Because I love a mortal, and it's not just hocus pocus. Danielle Williams doesn't believe in ghosts. But this Halloween, after a year of watching over and falling in love with his mortal houseguest, Zack Banks is ready to prove that this particular ghost might just believe in her. *Halloween Boo* is the first novella in the *Holiday Hunk* series. This sweet and steamy Halloween treat is chock full of paranormal romance, insta-love, over-the-top Halloween magic, and enough Hocus Pocus nods to make you cackle like a sexy witch in between moaning for more. A Sarah Spade HEA guaranteed!

The Princess Diaries, Volume IV: Princess in Waiting Simon and Schuster

Meg Cabot, #1 New York Times

bestselling author of The Princess Diaries, returns to Little Bridge Island with a new story about an author with a case of writer's block and an arrogant novelist who have to set aside their differences as they get through a weekend long book festival that just might change everything - including their feelings for each other. Welcome to Little Bridge, one of the most beautiful islands in the Florida Keys, home to sandy white beaches, salt-rimmed margaritas and sizzling romance . . . Jo Wright always swore she'd never step foot on Little Bridge Island - not as long as her nemesis, bestselling author Will Price, is living there. Then Jo's given an offer she can't refuse: an all-expenses paid trip to speak and sign at the island's first ever book festival. And when she finds out Will won't even be on the island, there's no reason to refuse. But when she arrives on Little Bridge, Jo is in for a shock: Will is not only at the book festival, but seems genuinely sorry for his past actions - and more than willing not only to make amends, but prove to Jo that he's a changed man. Things seem

to be looking up - until disaster strikes, causing Jo to wonder: do any of us ever really know anyone? Why do readers LOVE Meg Cabot? 'With a sunny island backdrop populated with loveable characters, this is the perfect sexy spring/summer read to lose yourself in' Bolu Babalola, bestselling author of Love in Colour 'Funny and enchanting . . . Meg Cabot is a total delight' Popsugar 'Meg Cabot is a fabulous author' USA Today '[Meg Cabot] is the master of her genre' Publishers Weekly 'Her trademark humour makes for compulsive reading' Publishers Weekly

**Runaway** Scholastic Inc.

From #1 New York Times bestselling author Meg Cabot, a dark, fantastical story about this world . . . and the underworld. Pierce knows what it's like to die, because she's done it before. Though she tries returning to the life she knew before the accident, Pierce can't help but feel at once a part of this world, and apart from it. Yet she's never alone . . . because someone is always watching her. Now she's moved to a new town, but even here, he finds her. Pierce knows he's no guardian angel, and his dark world isn't exactly heaven, yet she can't stay away . . . especially since he always appears when she least expects it, but exactly when she needs him most. If she lets herself fall any further, she may just find herself back in the one place she most fears: the Underworld.

With the release of Disney's sequel to the Princess Diaries movie in August, the princess phenomenon will be in full swing in 2004. Girls will be overjoyed with this hilarious addition to their favorite series, which involves seven minutes in heaven, citywide strikes, and Mia's mission to get asked to the senior prom.

*Size 12 Is Not Fat* Pan Macmillan  
 Heather Wells Rocks! Or, at least, she did. That was before she left the pop-idol life behind after she gained a dress size or two -- and lost a boyfriend, a recording contract, and her life savings (when Mom took the money and ran off to Argentina). Now that the glamour and glory days of endless mall appearances are in the past, Heather's perfectly happy with her new size 12 shape (the average for the American woman!) and her new job as an assistant dorm director at one of New York's top colleges. That is, until the dead body of a female student from Heather's residence hall is discovered at the bottom of an elevator shaft. The cops and the college president are ready to chalk the death off as an accident, the result of reckless youthful mischief. But Heather knows teenage girls . . . and girls do not elevator surf. Yet no one wants to listen - - not the police, her colleagues, or the P.I. who owns the brownstone where she lives -- even when more students start turning up dead in equally ordinary and subtly sinister ways. So Heather makes the decision to take on yet another new career: as spunky girl detective! But her new job comes with few benefits, no cheering crowds, and lots of liabilities, some of them potentially fatal. And nothing ticks off a killer more than a portly ex-pop star who's sticking her nose where it doesn't belong . . .

*No Offense* Harper Collins  
 Shadowland is the first book in the thrilling, romantic Mediator series, from the New York Times bestselling author of the Princess Diaries, Meg Cabot. Suze is a mediator—a liaison between the living and the dead. In other words, she sees dead people. And they won't leave her alone until she helps them resolve their unfinished business with the living. But

Jesse, the hot ghost haunting her bedroom, doesn't seem to need her help. Which is a relief, because Suze has just moved to sunny California and plans to start fresh, with trips to the mall instead of the cemetery, and surfing instead of spectral visitations. But the very first day at her new school, Suze realizes it's not that easy. There's a ghost with revenge on her mind...and Suze happens to be in the way. Don't miss the delightfully funny supernatural Mediator series, from New York Times bestselling author Meg Cabot.

*The Mediator #6: Twilight Perfection* Learning

Sixteen-year-old Carmel, California teenager Suze Simon is a typical high school student except for the fact that she is a "shifter" who can mediate between the living and the dead, and she is in love with a ghost from the nineteenth century.

*The Mediator #5: Haunted Berkley* Books  
 From the #1 New York Times bestselling author of the Princess Diaries series, comes the very first adult installment, which follows Princess Mia and her Prince Charming as they plan their fairy tale wedding—but a few poisoned apples could turn this happily-ever-after into a royal nightmare. For Princess Mia, the past five years since college graduation have been a whirlwind of activity, what with living in New York City, running her new teen community center, being madly in love, and attending royal engagements. And speaking of engagements. Mia's gorgeous longtime boyfriend Michael managed to clear both their schedules just long enough for an exotic (and very private) Caribbean island interlude where he popped the question! Of course Mia didn't need to consult her diary to know that her answer was a royal oui. But now Mia has

a scandal of majestic proportions to contend with: Her grandmother's leaked "fake" wedding plans to the press that could cause even normally calm Michael to become a runaway groom. Worse, a scheming politico is trying to force Mia's father from the throne, all because of a royal secret that could leave Genovia without a monarch. Can Mia prove to everyone—especially herself—that she's not only ready to wed, but ready to rule as well?

Abandon (The Abandon Trilogy, Book 1)

Meg Cabot expands her huge fan base with this slightly darker, more mysterious novel - without losing any of her signature heart and humor. EM WATTS IS GONE. Emerson Watts didn't even want to go to the new SoHo Stark Megastore grand opening. But someone needed to look out for her sister, Frida, whose crush, British heartthrob Gabriel Luna, would be singing and signing autographs there-along with the newly appointed Face of Stark, teen supermodel sensation Nikki Howard. How was Em to know that disaster would strike, changing her, and life as she'd known it, forever?

Girls Night in Random House

When beautiful, spirited Finnula Crais kidnaps the dashing knight Hugh Fitzstephen, she has no idea that she's ensnared the new Earl of Stephensgate on his way home from the Crusades. Nor does she realize that Hugh is quite happy to be kidnapped by an enchanting tomboy, and will do anything it takes to avoid being rescued. With Finnula determined to hold Hugh to ransom, and Hugh equally determined to steal Finnula's heart, it isn't long before the fireworks start! And just when it looks as if there might be a happy ending, disaster strikes. When an attempt is

made on the new Earl's life, there is only one suspect - and even if he loves her dearly, Hugh can't let her get away with it . . . Ransom My Heart is a risqué historical romance written by Princess Mia Thermopolis of Genovia (with a little help from Meg Cabot), as featured in The Princess Diaries series.

Ransom My Heart Penguin

#1 New York Times bestselling author Meg Cabot's first middle-grade series! Allie Finkle is excited when a new girl, who comes all the way from Canada, joins her class at Pine Heights Elementary. Now Allie won't be the new girl anymore! But her excitement turns to dismay when the new girl, Cheyenne, starts telling everyone in the fourth grade what to do! Soon Cheyenne has everyone, including Allie's best friends, Caroline, Sophie, and Erica, believing that if they don't do what she says, they'll be what Cheyenne accuses them of being - babies!

The Mediator #6: Twilight Red Dress Ink

Sixteen-year-old Susannah Simon is a mediator, one who communicates with the dead, and she also happens to be in love with Jesse, a 19th-century ghost. *Love You to Death and High Stakes*  
Harper Collins

New York Times-bestselling author Meg Cabot returns with a charming romance between a children's librarian and the town sheriff in the second book in the Little Bridge Island series. Welcome to Little Bridge, one of the smallest, most beautiful islands in the Florida Keys, home to sandy white beaches, salt-rimmed margaritas, and stunning sunsets—a place where nothing goes under the radar and love has a way of sneaking up when least expected... A broken engagement only gave Molly Montgomery additional incentive to follow her dream job from the Colorado

Rockies to the Florida Keys. Now, as Little Bridge Island Public Library's head of children's services, Molly hopes the messiest thing in her life will be her sticky-note covered desk. But fate—in the form of a newborn left in the restroom—has other ideas. So does the sheriff who comes to investigate the “abandonment”. When John Hartwell folds all six-feet-three of himself into a tiny chair and insists that whoever left the baby is a criminal, Molly begs to differ and asks what he's doing about the Island's real crime wave (if thefts of items from homes that have been left unlocked could be called that). Not the best of starts, but the man's arrogance is almost as distracting as his blue eyes. Almost... John would be pretty irritated if one of his deputies had a desk as disorderly as Molly's. Good thing she doesn't work for him, considering how attracted he is to her. Molly's lilting librarian voice makes even the saltiest

remarks go down sweeter, which is bad as long as she's a witness but might be good once the case is solved—provided he hasn't gotten on her last nerve by then. Recently divorced, John has been having trouble adjusting to single life as well as single parenthood. But something in Molly's beautiful smile gives John hope that his old life on Little Bridge might suddenly hold new promise—if only they can get over their differences. Clever, hilarious, and fun, *No Offense* will tug at readers' heartstrings and make them fall in love with Little Bridge Island and its unique characters once again.
