Of Thee I Sing

KENDAL EVELIN

**The Complete Book of
1930s Broadway
Musicals** W. W. Norton &
Company
Franklin D. Roosevelt
famously called December
7, 1941, "a date which will
live in infamy." History
would prove him correct;
the events of that day --
when the Japanese

bombed Pearl Harbor --
ended the Great
Depression, changed the
course of FDR's
presidency, and swept
America into World War II.
In Pearl Harbor, acclaimed
historian Steven M. Gillon
provides a vivid, minute-
by-minute account of
Roosevelt's skillful
leadership in the wake of
the most devastating
military assault in
American history. FDR
proved both decisive and

deceptive, inspiring the
nation while keeping the
real facts of the attack a
secret from congressional
leaders and the public.
Pearl Harbor explores the
anxious and emotional
events surrounding the
attack on Pearl Harbor,
showing how the
president and the
American public
responded in the pivotal
twenty-four hours that
followed, a period in
which America burst from

precarious peace into total war.

We've Got the Whole World in Our Hands

Penguin

Photographer Richard Sharum travelled across Cuba to document the lives of isolated farmers, or 'Campesinos,' and their wider communities at a time of national transition. The histories of these communities have formed the backbone of Cuba, and yet they are rarely depicted in photographic representations of the country. Sharum began

researching Campesino communities in late 2015 and his resulting black and white photographs depict the intertwined relationship of people and the land they depend on. George Gershwin Henry Holt and Company (BYR) *Nibbles* is a very naughty book monster - he's chomping, munching and nibbling his way through fairytales that don't belong to him! Can you help catch him and put him back in his own story? Children will love to lift the flaps, peek through the peep holes, and chase

Nibbles through a fantastical world of books, in this quirky story, exquisitely illustrated by Emma Yarlett (*My Daddy's Going Away* and *Bear's Big Bottom*). Jam-packed full of your kids' favourite fairy tales including *Little Red Riding Hood*, *Jack and the Beanstalk* and *Goldilocks and the Three Bears*.

George Gershwin W. W. Norton

The Smithsonian Institution Theatre-On-The-Mall, Musical Theatre presents "Of Thee I Sing," by George S. Kaufman

and Morrie Ryskind, music and lyrics by Ira and George Gershwin, directed by James R. Morris, sets and lighting by Richard Lusher, choreography by Jimmy Mack, costume director Jane Stanhope, musical director and conductor Robert Schaaf, choral direction by Leann Hillmer, orchestra manager and contractor Joseph Williams. Theatre-On-The-Mall, Smithsonian Institution produced by the Division of Performing Arts.
Fly High! Vintage

In this welcome addition to the immensely popular Yale Broadway Masters series, Larry Starr focuses fresh attention on George Gershwin's Broadway contributions and examines their centrality to the composer's entire career. Starr presents Gershwin as a composer with a unified musical vision—a vision developed on Broadway and used as a source of strength in his well-known concert music. In turn, Gershwin's concert-hall experience enriched and strengthened his

musicals, leading eventually to his great "Broadway opera," *Porgy and Bess*. Through the prism of three major shows—*Lady Be Good* (1924), *Of Thee I Sing* (1931), and *Porgy and Bess* (1935)—Starr highlights Gershwin's distinctive contributions to the evolution of the Broadway musical. In addition, the author considers Gershwin's musical language, his compositions for the concert hall, and his movie scores for Hollywood in the light of

his Broadway experience. *Sing a Song* Knopf Books for Young Readers
 In the 1930s, Broadway's lights still burned brightly. Ethan Mordden completes his history of the Broadway musical by taking a look at this forgotten era. Shows like *Anything Goes* brought the glitter of Cole Porter and Merman's brass to the public. Innovations in dance were pioneered by Balanchine and others. Scenic advancements made *Astaire's The Band Wagon* move across the stage in novel ways.

Gershwin's revolutionary *Porgy and Bess* entered the canon of American Classics. And *The Cradle Will Rock* and Johnny Johnson took the American political temperature. With his trademark wit and style, Ethan Mordden shines the spotlight on Broadway's forgotten decade. *Of Thee I Sing* Penguin
 This comprehensive biography of George Gershwin (1898-1937) unravels the myths surrounding one of America's most celebrated composers and

establishes the enduring value of his music. Gershwin created some of the most beloved music of the twentieth century and, along with Jerome Kern, Irving Berlin, and Cole Porter, helped make the golden age of Broadway golden. Howard Pollack draws from a wealth of sketches, manuscripts, letters, interviews, books, articles, recordings, films, and other materials—including a large cache of Gershwin scores discovered in a Warner Brothers warehouse in 1982—to

create an expansive chronicle of Gershwin's meteoric rise to fame. He also traces Gershwin's powerful presence that, even today, extends from Broadway, jazz clubs, and film scores to symphony halls and opera houses. Pollack's lively narrative describes Gershwin's family, childhood, and education; his early career as a pianist; his friendships and romantic life; his relation to various musical trends; his writings on music; his working methods; and his tragic death at the age of

38. Unlike Kern, Berlin, and Porter, who mostly worked within the confines of Broadway and Hollywood, Gershwin actively sought to cross the boundaries between high and low, and wrote works that crossed over into a realm where art music, jazz, and Broadway met and merged. The author surveys Gershwin's entire oeuvre, from his first surviving compositions to the melodies that his brother and principal collaborator, Ira Gershwin, lyricized after his death. Pollack

concludes with an exploration of the performances and critical reception of Gershwin's music over the years, from his time to ours.

Let 'em Eat Cake

Perfection Learning

This popular collection of 280 musical pieces from both the African American and Gospel traditions has been compiled under the supervision of the Office of Black Ministries of the Episcopal Church. It includes service music and several psalm settings in addition to the Negro spirituals, Gospel

songs, and hymns.

Of Thee I Zing Oxford University Press
 "Lyons delivers the history of a song that has inspired generations of African-Americans to persist and resist in the face of racism and systemic oppression. . . . A heartfelt history of a historic anthem."-- Publishers Weekly
 Sing a song full of the faith that the dark past has taught us. Sing a song full of the hope that the present has brought us. In Jacksonville, Florida, two brothers, one of them the

principal of a segregated, all-black school, wrote the song "Lift Every Voice and Sing" so his students could sing it for a tribute to Abraham Lincoln's birthday in 1900. From that moment on, the song has provided inspiration and solace for generations of Black families. Mothers and fathers passed it on to their children who sang it to their children and grandchildren. Known as the Black National Anthem, it has been sung during major moments of the Civil Rights Movement and at family gatherings

and college graduations. Inspired by this song's enduring significance, Kelly Starling Lyons and Keith Mallett tell a story about the generations of families who gained hope and strength from the song's inspiring words. --A CCBC Choice --A Notable Social Studies Trade Book for Young People --An ALSC Notable Children's Book
Songs of America Simon and Schuster
 Collects plays written by George Kaufman in collaboration with other writers, including "Dinner

at Eight," "Animal Crackers," "Stage Door," and "You Can't Take It With You."

Simon and Schuster Interprets the patriotic song, America (My country, 'tis of thee), with photographs.

George S. Kaufman & Co.: Broadway Comedies (LOA #152) Gost Books

Taking a "Sing First, Talk Later" approach, The Singing Book gets students singing from the very first day. Combining a simple introduction to

basic vocal technique with confidence-building exercises and imaginative repertoire--with 30 new songs--The Singing Book teaches beginners the vocal skills they need to get started, gives them exciting music to sing, and provides the tools they need to develop the voice and keep it healthy. A new recordings disc included free with every new book provides the melodies and accompaniments for all 78 songs for practice and performance.

Campesino Cuba

Scholastic Inc.

More than any other, one song traces America's history of patriotism and protest. Everyone knows the words to "My Country, 'Tis of Thee." What most don't realize is that this iconic song has been a beacon of change for hundreds of years. Generations of protesters and civil rights pioneers have created new lyrics, beginning in royalist Britain and continuing through conflicts in colonial times, the American Revolution, the suffragist and labor

movements, and the struggles for black and Native American civil rights. With spectacular illustrations by Caldecott Honor-winning artist Bryan Collier, *My Country, 'Tis of Thee* offers a fascinating insight into the American fight for freedom.

Shut Up and Sing

Samuel French, Inc.
Children of all ages are invited to a bright and colorful multicultural celebration with *We've Got the Whole World in Our Hands!* Award-winning illustrator Rafael

Lopez brings new life with his adaptation of "He's Got the Whole World in His Hands," saluting the lives of all young people. The rhythmic verse and repetitive emphasis on "we" and "our" encourages inclusive communities and the celebration of unity and diverse friendships all around the world. "We've got you and you got me in our hands. We have the whole world in our hands." Come and read along and sing along as we celebrate the magic of unity. From the rivers to

the mountains to the oceans and to the sea -- we've got the whole world in our hands. As an added bonus the sheet music is included in the back of the book for piano, guitar, and recorder for classroom, library, and home sing-alongs.

America, I Hear You

Random House
Winner of the 2016 Whiting Award One of Publishers Weekly's "Most Anticipated Books of Spring 2016" One of Lit Hub's "10 must-read poetry collections for April" "Reading Vuong is

like watching a fish move: he manages the varied currents of English with muscled intuition. His poems are by turns graceful and wonderstruck. His lines are both long and short, his prose narrative and lyric, his diction formal and insouciant. From the outside, Vuong has fashioned a poetry of inclusion."—The New Yorker "Night Sky with Exit Wounds establishes Vuong as a fierce new talent to be reckoned with...This book is a masterpiece that

captures, with elegance, the raw sorrows and joys of human existence."—Buzzfeed's "Most Exciting New Books of 2016" "This original, sprightly wordsmith of tumbling pulsing phrases pushes poetry to a new level...A stunning introduction to a young poet who writes with both assurance and vulnerability. Visceral, tender and lyrical, fleet and agile, these poems unflinchingly face the legacies of violence and cultural displacement but they also assume a

position of wonder before the world."—2016 Whiting Award citation "Night Sky with Exit Wounds is the kind of book that soon becomes worn with love. You will want to crease every page to come back to it, to underline every other line because each word resonates with power."—LitHub "Vuong's powerful voice explores passion, violence, history, identity—all with a tremendous humanity."—Slate "In his impressive debut collection, Vuong, a 2014 Ruth Lilly fellow, writes

beauty into—and culls from—individual, familial, and historical traumas. Vuong exists as both observer and observed throughout the book as he explores deeply personal themes such as poverty, depression, queer sexuality, domestic abuse, and the various forms of violence inflicted on his family during the Vietnam War. Poems float and strike in equal measure as the poet strives to transform pain into clarity. Managing this balance becomes the crux of the collection, as when

he writes, 'Your father is only your father/ until one of you forgets. Like how the spine/ won't remember its wings/ no matter how many times our knees/ kiss the pavement.'"—Publishers Weekly "What a treasure [Ocean Vuong] is to us. What a perfume he's crushed and rendered of his heart and soul. What a gift this book is."—Li-Young Lee *Torso of Air* Suppose you do change your life. & the body is more than a portion of night—sealed with bruises. Suppose you

woke & found your shadow replaced by a black wolf. The boy, beautiful & gone. So you take the knife to the wall instead. You carve & carve until a coin of light appears & you get to look in, at last, on happiness. The eye staring back from the other side— waiting. Born in Saigon, Vietnam, Ocean Vuong attended Brooklyn College. He is the author of two chapbooks as well as a full-length collection, *Night Sky with Exit Wounds*. A 2014 Ruth Lilly Fellow and winner of the

2016 Whiting Award, Ocean Vuong lives in New York City, New York. [Sing for Your Supper](#) Hal Leonard Publishing Corporation
The Oxford Handbook of The American Musical offers new and cutting-edge essays on the most important and compelling issues and topics in the growing, interdisciplinary field of musical-theater and film-musical studies. Taking the form of a "keywords" book, it introduces readers to the concepts and terms that define the history of the

musical as a genre and that offer ways to reflect on the specific creative choices that shape musicals and their performance on stage and screen. The handbook offers a cross-section of essays written by leading experts in the field, organized within broad conceptual groups, which together capture the breadth, direction, and tone of musicals studies today. Each essay traces the genealogy of the term or issue it addresses, including related issues and controversies,

positions and problematizes those issues within larger bodies of scholarship, and provides specific examples drawn from shows and films. Essays both re-examine traditional topics and introduce underexplored areas. Reflecting the concerns of scholars and students alike, the authors emphasize critical and accessible perspectives, and supplement theory with concrete examples that may be accessed through links to the handbook's

website. Taking into account issues of composition, performance, and reception, the book's contributors bring a wide range of practical and theoretical perspectives to bear on their considerations of one of America's most lively, enduring artistic traditions. The Oxford Handbook of The American Musical will engage all readers interested in the form, from students to scholars to fans and aficionados, as it analyses the complex

relationships among the creators, performers, and audiences who sustain the genre.

NEW YORK TIMES
BESTSELLER • A celebration of American history through the music that helped to shape a nation, by Pulitzer Prize winner Jon Meacham and music superstar Tim McGraw “Jon Meacham and Tim McGraw form an irresistible duo—connecting us to music as an unsung force in our nation's

history.”—Doris Kearns Goodwin Through all the years of strife and triumph, America has been shaped not just by our elected leaders and our formal politics but also by our music—by the lyrics, performers, and instrumentals that have helped to carry us through the dark days and to celebrate the bright ones. From “The Star-Spangled Banner” to “Born in the U.S.A.,” Jon Meacham and Tim McGraw take readers on a moving and insightful journey through eras in

American history and the songs and performers that inspired us. Meacham chronicles our history, exploring the stories behind the songs, and Tim McGraw reflects on them as an artist and performer. Their perspectives combine to create a unique view of the role music has played in uniting and shaping a nation. Beginning with the battle hymns of the revolution, and taking us through songs from the defining events of the Civil War, the fight for women's suffrage, the two

world wars, the Great Depression, the civil rights movement, the Vietnam War, and into the twenty-first century, Meacham and McGraw explore the songs that defined generations, and the cultural and political climates that produced them. Readers will discover the power of music in the lives of figures such as Harriet Tubman, Franklin Roosevelt, Eleanor Roosevelt, and Martin Luther King, Jr., and will learn more about some of our most beloved

musicians and performers, including Marian Anderson, Elvis Presley, Sam Cooke, Aretha Franklin, Bob Dylan, Duke Ellington, Carole King, Bruce Springsteen, and more. Songs of America explores both famous songs and lesser-known ones, expanding our understanding of the scope of American music and lending deeper meaning to the historical context of such songs as "My Country, 'Tis of Thee," "God Bless America," "Over There,"

“We Shall Overcome,”
and “Blowin’ in the Wind.”
As Quincy Jones says,
Meacham and McGraw
have “convened a concert
in Songs of America,” one
that reminds us of who we
are, where we’ve been,
and what we, at our best,
can be.
