Whether a stopover or final destination, Oman and the UAE are Arabia's two most accessible countries. From Dubai's exuberance and Muscat's elegance to remote wadis and serene oases, this indispensable guide reveals it all. 27 essential maps plus full-colour regional map. Range of transport options, including detailed directions for self-drivers. Where to stay and eat for all budgets. What to do and how to do it, from driving to off-the-beaten-track driving. Essential shopping guide to everything from camel kitsch to Bedouin jewellery.

DUBAI HIGH Global East-West

This book shows how an encounter with everyday nationhood in the northern United Arab Emirates can make us revisit the classics of sociology as continuous analytical world-views. Through the textual universe of Georg Simmel, and in particular his analysis of modern life as the feeling of dualism, the project reflects about how seemingly crucial challenges to the national - the forces of globalization and the wish to be unique - are drawn together with the formation of nationhood in everyday life. It does so not least by attending to the instances of everyday nationhood - like fashion and car-driving - that are at the same time central ways of embodying the modern. This volume appeals to students of nationalism, classical sociology, and the modern Arab Gulf.

Nationalism and Nationhood in the United Arab Emirates WIT Press

Doris Daily zeigt in Ihren BuE chern "e;Traumberuf Pilot?"e; und "e;Wo bleibt denn der Pilot?"e; alle Ausbildungsmoeglichkeiten, den Berufsalltag, die Jobsuche, aber auch die Schattenseiten der Pilotentaetigkeit auf.TRAUMBERUF PILOT? Alles ueber die Piloten Ausbildung, Jobsuche und den BerufsalltagAutor Doris Daily - in deutscher Sprache - fuer (angehende) Piloten in Europa Einer der beliebtesten Berufsziele wird in diesem Ratgeber sehr kritisch beleuchtet... In TRAUMBERUF PILOT? finden Sie all diese Informationen in Deutscher Sprache. Die "e;Bibel fuer angehende Piloten"e; geht nicht nur auf die europaeische Piloten-Ausbildung und die Berufsmoeglichkeiten ein, sondern zeigt auch die weltweiten Perspektiven auf.Der "e;Traum vom Fliegen"e; beeinflusst den Berufswunsch vieler junger Frauen und Maenner. Erstmals haben sie nun die Moeglichkeit, detaillierte und objective Hintergrundinformationen zu ihrer Berufswahl und den Ausbildungswegen weltweit zu finden.Das Buch Traumberuf Pilot? gliedert sich in drei Bereiche: Im ersten Teil werden die Einsatzmoeglichkeiten fuer Berufspiloten erkluert und der Berufsalltag beschrieben. Vom Nachtfrachtpiloten ueber den Executive-Flieger bis hin zum Langstreckenpilot berichten Cockpit-Crews ueber ihren Arbeitsbereich und den Pilotenalltag.** Der zweite Abschnitt beschreibt Ausbildungswege in Europa nach den neuesten europaeischen Ausbildungsvorschriften, den JAR-FCL's, aber auch den vielen Ausbildungsmoeglichkeiten in Canada,

Australien, Sued Afrika und den USA - inklusive der Umschreibemodalitaeten beschrieben. Es wird ausfuehrlich auch auf die Ausbildung "e;ab initio"e; - die durchgehende Ausbildung - oder die Kombination mit einem Studium eingegangen.*Im letzten Teil werden Berufschancen besprochen, DLR Pilotentest-Vorbereitungskurse erklart, Ausbildungskosten aufgelistet, Gehaelter - weltweit - benannt (gemaess den aktuell zur Verfuegung stehenden Informationsquellen), Moeglichkeiten der Jobsuche aufgezeigt (mit einer umfassenden Adressenliste fuer Ihre Bewerbung inclusive der derzeit eingesetzten Fluggeraete von europaeischen Airlines und Luftfahrtunternehmen). Zahlreiche Bewerbungs- und Vorstellungstips vervollstaendigen das Werk. Im Anhang wird der Luftfahrtjargon entschluesselt und Abkuerzungen werden erklart, sowie zahlreiche Suchmoeglichkeiten fuer die weitere Online Recherche fuer den Leser aufgelistet.*Fuer dieses ausfuehrliche, und alle Aspekte der Berufsfliegerei umfassende Informationswerk waren jahrelange Recherchen und zahllosen Interviews notwendig. Eigene Erfahrungen als Berufspilotin und Fluglehrerin runden die Informationen ab. Vor- und vor allem Nachteile dieser Luftfahrt Berufe werden detailliert beschrieben.*Arbeitsbereiche und der Berufsalltag von Airline- und Helikopterpiloten, Executive-Flieger, Testpiloten und Fluglehrer werden in Erlebnisberichten aus der Luftfahrt dargestellt.Anforderungen der Flugschulen, Ausbildungswege, Marktchancen, ein komplettes Adressenverzeichnis von europaeischen Ausbildungsbetrieben und Luftverkehrsgesellschaften, sowie Tips zur Vorbereitung auf den

Einstellungstest bei der DLR und die Stellensuche sollen kuenftigen PilotInnen bei der Entscheidungsfindung helfen. Ein umfangreicher Index erleichtert die Suche und das Vertiefen einzelner fuer Piloten interessanter Themen.Um den Lesern einen objektiven Leitfaden an die Hand zu geben, wurden natuerlich auch besonders die weniger positiven Seiten des Berufes detailliert aufgezeigt. Diese "e;Bibel fuer angehende Piloten"e; geht nicht nur auf die europaeische Piloten-Ausbildung und die Berufsmoeglichkeiten ein, sondern will auch die weltweiten Perspektiven aufzeigen.*.

Advances in UAE Archaeology Troubador Publishing Ltd

Camels love Dubai gives a wonderful insight into the realities of teen life in contemporary Dubai. The novel also examines from a child's point of view what it can be like being adopted or fostered by someone from a foreign country.

Post Report Springer

Why did the Gulf monarchies – and the UAE in particular - avoid the upheavals and challenges of the Arab uprisings? This book examines how the UAE survived the waves of regional unrest. It departs from attributing regime survival to rentier state theory and instead offers a more nuanced approach to understanding the pillars of regime legitimacy upon which the UAE now rests. In doing so, the book sheds light on the transformation of the UAE from a quietist state, which relied almost entirely upon an overseas security guarantor, to an assertive regional power in its own right. Written by an Emirati author who understands the internal dynamics of the country, the book examines the state's proactive foreign policy and the changing

domestic and regional environment influencing its decisions. The book argues that the UAE leadership encouraged a new national identity to evolve amid the pressures of modernity, particularly at a time when young Emiratis had access to information beyond government control via social media. This is also part of its shift away from a country based on a rentier economy to a situation where the citizens take more initiative, learn more skills, and increasingly enter the private sector to help the country prosper. This has given rise to a new Emirati identity that is politically conservative, economically neo-liberal and socially liberal. In providing an analysis of the policies of the UAE leadership before and after the Arab Spring, this book is a vital contribution to the literature on Emirati domestic and foreign policy and points to where the country might be headed.

Foreign Agriculture Rubbettino Editore
This volume explores the political, cultural, and economic history of the United Arab Emirates, from early antiquity to the present. The United Arab Emirates is a relatively young country in the Middle East, made up of seven emirates: Abu Dhabi, Ajman, Dubai, Fujairah, Ras Al Khaimah, Sharjah, and Umm Al Quwain. How did these seven separate emirates come together to form the United Arab Emirates? This volume explores the long, rich history of these seven emirates, focusing on political history but also highlighting culture, society, economy, and religion. Chronologically arranged chapters examine major eras and turning points in history, such as antiquity, the rise of Islam, British trade, and the discovery of black gold: oil. Readers will learn how today, most of the UAE's citizens are foreigners from other countries, as well

as how much of the country's economy and livelihood depend on oil. An appendix of Notable People in the History of the United Arab Emirates serves to identify key players in the region's history, and an annotated bibliographic essay provides readers with sources for further research. Ideal for students, this volume is an important addition to the Greenwood Histories of the Modern Nations series.

Overseas Business Reports Bloomsbury Publishing USA

New excavations conducted across the United Arab Emirates over the last few years are presented here, revealing a wealth of new data on all periods of UAE archaeology from the Palaeolithic to the recent past. Some of these discoveries fill important gaps in our knowledge, while others have fundamentally revised what we thought we knew already.

This extremely timely and helpful ready reference will familiarize all students and readers with the Gulf region and Saudi Arabia, Bahrain, Dubai, the UAE, Kuwait, Oman, Yemen, and Qatar. These states are bound by the desert culture, the Gulf, new oil economy, and Islam, to name some commonalities. Most Americans know something about the region, such as oases, dates, camels, oil, Bedouin tribes, and the legends of Lawrence of Arabia to Osama bin Laden. Islamic concepts and practices are still unfamiliar. On one extreme, Saudi Arabia, the cradle of Islam, has been largely closed off to Western tourists. On the other extreme, Dubai courts tourist dollars as it constructs modern architectural showcases. This is the first A-Z encyclopedia to focus on the Gulf, illuminating the land, people, religion, culture and traditions, institutions,

economy, and much more for general readers. The more than 200 essay entries have a current focus with historical context as necessary. The breadth of coverage means that this resource will be of use for a wide range of researchers and browsers. Besides individual entries on each state, major cities and regions are also profiled. The natural environment and human adaptation to it receives significant space. Islamic customs and rules and various interpretations are clearly explained. Essays on topics such as key public figures, institutions, major events, politics, and state structures—some based on sources often not available in English—make this two-volume set the first-choice resource for accurate information. Suggestions for further reading accompany most entries; a chronology, selected bibliography, and photos also complement the text.

Emirati Defence Evolution: From Imports to Autonomy - A Comprehensive Analysis The Business Year

Winner of the Restless Books Prize for New Immigrant Writing "Guest workers of the United Arab Emirates embody multiple worlds and identities and long for home in a fantastical debut work of fiction, winner of the inaugural Restless Books Prize for New Immigrant Writing.... The author's crisp, imaginative prose packs a punch, and his whimsical depiction of characters who oscillate between two lands on either side of the Arabian Sea unspools the kind of immigrant narratives that are rarely told. An enchanting, unparalleled anthem of displacement and repatriation." —Kirkus Reviews, starred review

In the United Arab Emirates, foreign nationals constitute over 80 percent of the population. Brought in to construct and serve the towering monuments to wealth

that punctuate the skylines of Abu Dhabi and Dubai, this labor force is not given the option of citizenship. Some ride their luck to good fortune. Others suffer different fates. Until now, the humanitarian crisis of the so-called "guest workers" of the Gulf has barely been addressed in fiction. With his stunning, mind-altering debut novel *Temporary People*, Deepak Unnikrishnan delves into their histories, myths, struggles, and triumphs. Combining the linguistic invention of Salman Rushdie and the satirical vision of George Saunders, Unnikrishnan presents twenty-eight linked stories that careen from construction workers who shapeshift into luggage and escape a labor camp, to a woman who stitches back together the bodies of those who've fallen from buildings in progress, to a man who grows ideal workers designed to live twelve years and then perish—until they don't, and found a rebel community in the desert. With this polyphony of voices, Unnikrishnan maps a new, unruly global English and gives personhood back to the anonymous workers of the Gulf. "Guest workers of the United Arab Emirates embody multiple worlds and identities and long for home in a fantastical debut work of fiction, winner of the inaugural Restless Books Prize for New Immigrant Writing.... The author's crisp, imaginative prose packs a punch, and his whimsical depiction of characters who oscillate between two lands on either side of the Arabian Sea unspools the kind of immigrant narratives that are rarely told. An enchanting, unparalleled anthem of displacement and repatriation." —Kirkus Reviews, Starred Review

"Inventive, vigorously empathetic, and brimming with a sparkling, mordant humor, Deepak Unnikrishnan has written a book of

Ovidian metamorphoses for our precarious time. These absurdist fables, fluent in the language of exile, immigration, and bureaucracy, will remind you of the raw pleasure of storytelling and the unsettling nearness of the future." —Alexandra Kleeman, author of *You Too Can Have a Body Like Mine* "Inaugural winner of the Restless Books Prize for New Immigrant Writing, this debut novel employs its own brand of magical realism to propel readers into an understanding and appreciation of the experience of foreign workers in the Arab Gulf States (and beyond). Through a series of almost 30 loosely linked sections, grouped into three parts, we are thrust into a narrative alternating between visceral realism and fantastic satire.... The alternation between satirical fantasy, depicting such things as intelligent cockroaches and evil elevators, and poignant realism, with regards to necessarily illicit sexuality, forms a contrast that gives rise to a broad critique of the plight of those known euphemistically as 'guest workers.' VERDICT: This first novel challenges readers with a singular inventiveness expressed through a lyrical use of language and a laserlike focus that is at once charming and terrifying. Highly recommended." —Henry Bankhead, *Library Journal*, Starred Review "Unnikrishnan's debut novel shines a light on a little known world with compassion and keen insight. The Temporary People are invisible people—but Unnikrishnan brings them to us with compassion, intelligence, and heart. This is why novels matter." —Susan Hans O'Connor, *Penguin Bookshop* (Sewickley, PA) "Deepak Unnikrishnan uses linguistic pyrotechnics to tell the story of forced transience in the Arabian Peninsula, where citizenship

can never be earned no matter the commitment of blood, sweat, years of life, or brains. The accoutrements of migration—languages, body parts, passports, losses, wounds, communities of strangers—are packed and carried along with ordinary luggage, blurring the real and the unreal with exquisite skill. Unnikrishnan sets before us a feast of absurdity that captures the cruel realities around the borders we cross either by choice or by force. In doing so he has found what most writers miss: the sweet spot between simmering rage at a set of circumstances, and the circumstances themselves." —Ru Freeman, author of *On Sal Mal Lane* "Deepak writes brilliant stories with a fresh, passionate energy. Every page feels as if it must have been written, as if the author had no choice. He writes about exile, immigration, deportation, security checks, rage, patience, about the homelessness of living in a foreign land, about historical events so strange that, under his hand, the events become tales, and he writes tales so precisely that they read like history. Important work. Work of the future. This man will not be stopped." —Deb Olin Unferth, author of *Revolution* "From the strange Kafka-esque scenarios to the wholly original language, this book is amazing on so many different levels. Unlike anything I've ever read, *Temporary People* is a powerful work of short stories about foreign nationals who populate the new economy in the United Arab Emirates. With inventive language and darkly satirical plot lines, Unnikrishnan provides an important view of relentless nature of a global economy and its brutal consequences for human lives. Prepare to be wowed by the immensely talented new voice." —Hilary Gustafson, *Literati Bookstore* (Ann Arbor, MI)

“Absolutely preposterous! As a debut, author Unnikrishnan shares stories of laborers, brought to the United Arab Emirates to do menial and everyday jobs. These people have no rights, no fallback if they have problems or health issues in that land. The laborers in Temporary People are sewn back together when they fall, are abandoned in the desert if they become inconvenient, and are even grown from seeds. As a collection of short stories, this is fantastical, imaginative, funny, and even more so, scary, powerful, and ferocious.” —Becky Milner, Vintage Books (Vancouver WA)

Business America Bloomsbury Publishing

This book provides an overview of the evolution of education in the United Arab Emirates from its humble beginnings in palm frond huts, to today’s proliferation of prestigious international schools and global university branch campuses. The chapter authors are academic experts who have extensive first-hand experience of contemporary developments in the country’s various educational sectors. The book addresses innovations and transformations in Early Childhood Education, Higher Education, K-12 Schooling, Language Education in Arabic and English, Quality Assurance, Special Needs, STEM Education, and Teacher Education and Professional Development.

Federal Register Bloomsbury Publishing USA

Collins Arabic Big Cat is a guided reading series for ages 3 to 11. The series is structured with reference to the learning progression of Arabic at nursery and primary schools researched especially for Collins. This carefully graded approach allows children to build up their reading knowledge of Arabic step by step. Level 6 books provide an

advance on level 5. Sentences are still highly repetitive but slightly longer, with simple story development supported by illustrations. Double spacing is used between words to ensure children see where each new word in a sentence begins and ends. Although the focus at level 6 remains on reading the core words, the concept of reading hamzat al-wasl and sun letters correctly is introduced in non-verbal sentences of up to 4-5 words. Read about children from different parts of the United Arab Emirates. Includes the sight words 'l' and 'from', and names for the seven Emirates and key landmarks.

Education in the United Arab

Emirates Archaeopress Publishing Ltd

The purpose of this business guide is to illustrate important considerations, as well as outlining the decisions that need to be made when considering starting to do business in the United Arab Emirates (U.A.E). Furthermore it offers an overview of the prevalent political, legal, social and economical environments that are an important basis for making the decision to expand to that region. After describing country-specific variables of the U.A.E., the business environment including business culture, industry sectors, legal and fiscal conditions, and various possible business forms will be analysed. The insights gained will be used to suggest business opportunities and to develop concrete steps on how to start business relations and set up a business in the U.A.E.

This volume presents results from the rescue excavations of the Qidfa' 1 site, a multi-period tomb (Wadi Suq-Late Bronze /Early Iron Age). The richness of the discoveries demonstrates the wealth and significance of the culture of the 2nd millennium BC in southeast Arabia.

Export Administration Regulations Bloomsbury Publishing

The British withdrawal from the Gulf in 1971 brought to an end the British Imperial era in the history of the Trucial States and marked the birth of the United Arab Emirates. This book, first published in 1978, establishes the political, social, economic and cultural heritage of the UAE and explains the formative issues in the development of the new state. From 1892 to 1971 the history of the Gulf was determined by the British presence. Initially the region was regarded by the British as no more than a part of the strategic defence of India, but by 1945 oil and international

air communication had given the region a new strategic importance. This volume examines both the early India Office policy of non-interference in the internal affairs of the region and the circumstances after 1947 which prompted the Foreign Office to interfere in certain internal issues. The second half of the book seeks to explain the development of Arab nationalism, the growth of Iranian activities and the relations of the Trucial States with their Western neighbours, Saudi Arabia and Qatar. The last chapter provides an historical explanation for the present interstate boundaries and political geography of the region.

I'm the dream maker Collins

"Dubai High is that very rare thing: an honest account of a failure. This unsparing memoir of twelve months spent creating Dubai's cultural authority, in a climate of mingled idealism and opportunism, intimately describes the complexities of working in an epicentre of globalization. It offers a dry but sympathetic view of Dubai's bewildered Emiratis as they construct, or have constructed for them, a unique 21st-century urban prototype. It is a record not only of how the writer tried to change Dubai, but of how Dubai changed the writer." Rem Koolhaas, December 2010

The Birds of Turkey Routledge

Series of pamphlets on countries of the world; revisions issued.

In this meticulously researched work, authored by the France-based GEW Intelligence Unit, we delve into the intricate nuances of the United Arab Emirates (UAE's) military development trajectory. Our focus? The UAE's

strategic shift from reliance on imports to achieving self-sufficiency in defence. This authoritative book offers valuable insights into the evolution of the UAE's defence strategy for policymakers, scholars, and defence experts alike. By examining key milestones and initiatives, we shed light on the country's journey towards enhancing its defence capabilities and strengthening national security. A Journey Towards Autonomy and Innovation The UAE has emerged as a formidable player in military affairs on the global stage. This book explores the strategic decisions and investments that have propelled the nation's defence capabilities, highlighting its focus on autonomy and innovation in defence technologies. Throughout the pages of "Emirati Defence Evolution," the GEW Intelligence Unit analyses the UAE's transition from heavily relying on defence imports to developing its own indigenous defence industry. This shift towards self-sufficiency has bolstered the country's national security and positioned it as a leader in defence innovation. Unraveling the Intricacies of UAE's Defence Strategy Evolution This comprehensive analysis leaves no stone unturned as it unravels the intricacies of the evolution of the UAE's defence strategy. It explores the historical context, examining the factors influencing the country's defence decisions. From the establishment of the UAE Armed Forces and the formation of strategic alliances to the development of domestic defence capabilities, this book provides a holistic perspective on the UAE's defence journey. It highlights the key players, policies, and initiatives that have shaped the nation's defence landscape. Valuable Insights for Policymakers, Scholars, and Defence Experts Whether you are a policymaker,

scholar, or defence expert, “Emirati Defence Evolution” offers valuable insights that will inform your understanding of the UAE’s defence trajectory. Our meticulously researched analysis is a resource for those seeking a comprehensive understanding of the nation’s defence strategy. By examining the UAE’s journey towards autonomy and innovation, this book provides a roadmap for other nations striving to enhance their defence capabilities. The UAE’s success story inspires countries looking to reduce their reliance on

imports and achieve self-sufficiency in defence. Join the Conversation “Emirati Defence Evolution: From Imports to Autonomy” is not just a book; it’s an opportunity to join the conversation on defence strategy and innovation. We invite policymakers, scholars, and defence experts to engage with the GEW Intelligence Unit’s research and contribute to the ongoing dialogue on enhancing national security. Discover how a nation can transform from reliance on imports to achieving autonomy, becoming a global player in military affairs.
