From one of the 20th century's great writers comes one of the finest autobiographies of our time. • "Scintillating ... One finds here amazing glimpses into the life of a world that has vanished forever." —The New York Times Speak, Memory was

first published by Vladimir Nabokov in 1951 as *Conclusive Evidence* and then assiduously revised and republished in 1966. Nabokov's memoir is a moving account of a loving, civilized family, of adolescent awakenings, flight from Bolshevik terror, education in England, and émigré life in Paris and Berlin. The Nabokovs were eccentric, liberal aristocrats, who lived a life immersed in politics and literature on splendid country estates until their world was swept away by the

Russian revolution when the author was eighteen years old. *Speak, Memory* vividly evokes a vanished past in the inimitable prose of Nabokov at his best.

The first book-length study of the vital role Regular Baptists played in creating the modern Southern Baptist denomination. The origins of the Southern Baptist Convention, the world's largest Protestant denomination, is most often traced back to the

colorful, revivalist Separate Baptist movement that rose out of the Great Awakening in the mid-1700s. During that same period the American South was likewise home to the often-overlooked Regular Baptists, who also experienced a remarkable revitalization and growth. Regular Baptists combined a concern for orderly doctrine and church life with the ardor of George Whitefield's evangelical awakening. In *Order and Ardor*, Eric C. Smith examines the vital

role of Regular Baptists through the life of Oliver Hart, pastor of First Baptist Church in Charleston, South Carolina, a prominent patriot during the American Revolution, and one of the most important pioneers of American Baptists and American evangelicalism. In this first book-length study of Hart's life and ministry, Smith reframes Regular Baptists as belonging to an influential revival movement that contributed significantly to creating the modern

Southern Baptist denomination, challenging the widely held perception that they resisted the Great Awakening. During Hart's thirty-year service as the pastor of First Baptist Church, the Regular Baptists incorporated evangelical and revivalist values into their existing doctrine. Hart encouraged cooperative missions and education across the South, founding the Charleston Baptist Association in 1751 and collaborating with leaders of other denominations to

spread evangelical revivalism. Order and Ardor analyzes the most intense, personal experience of revival in Hart's ministry—an awakening among the youths of his own congregation in 1754 through the emergence of a vibrant thirst for religious guidance and a concern for their own souls. This experience was a testimony to Hart's revival piety—the push for evangelical Calvinism. It reinforced his evangelical activism, hallmarks of the Great Awakening that

appear prominently in Hart's diaries, letters, sermon manuscripts, and other remaining documents. Extensively researched and written with clarity, Order and Ardor offers an enlightened view of eighteenth-century Regular Baptists. Smith contextualizes Hart's life and development as a man of faith, revealing the patterns and priorities of his personal spirituality and pastoral ministry that identify him as a critically important evangelical revivalist leader in the

colonial lower South.

Russia, 1905. Behind the gates of the Karenin Palace, Sergei, son of Anna Karenina, meets Tolstoy in his dreams and finds reminders of his mother everywhere: the almost-living portrait that the Tsar intends to acquire and the opium-

infused manuscripts she wrote just before her death, one of which opens a trapdoor to a wild feminist fairytale. Across the city, Clementine, an anarchist seamstress, and Father Gapón, the charismatic leader of the proletariat, tip the country ever closer to revolution. *Boullosa* lifts the voices of coachmen, sailors, maids, and seamstresses in this playful, polyphonic, and subversive revision of the Russian revolution, told through the lens of Tolstoy's most beloved work.

Made Free and Thrown Open to the Public charts the history of public libraries and librarianship in Pennsylvania. Based on archival research at more than fifty libraries and historical societies, it describes a long progression from private, subscription-based associations to publicly funded institutions, highlighting the dramatic period during the late nineteenth and early twentieth centuries when libraries were “thrown

open” to women, children, and the poor. Made Free explains how Pennsylvania's physical and cultural geography, legal codes, and other unique features influenced the spread and development of libraries across the state. It also highlights Pennsylvania libraries' many contributions to the social fabric, especially during World War I, the Great Depression, and World War II. Most importantly of all, Made Free convincingly argues that Pennsylvania libraries

have made their greatest strides when community activists and librarians, supported with state and local resources, have worked collaboratively. Anthropology and Egalitarianism Univ of South Carolina Press  
 Ardor, inspiration, the soul, the sublime: Such terms have long since fallen from favor among critics and artists alike. In his new collection of essays, Adam Zagajewski continues his efforts to reclaim for art not just the terms but the scanted spiritual dimension of

modern human existence that they stake out. Bringing gravity and grace to his meditations on art, society, and history, Zagajewski wears his erudition lightly, with a disarming blend of modesty and humor. His topics range from autobiography (his first visit to a post-Soviet Lvov after childhood exile; his illicit readings of Nietzsche in Communist Poland); to considerations of artist friends past and present (Zbigniew Herbert, Czeslaw Milosz); to intellectual and

psychological portraits of cities he has known, east and west; to a dazzling thumbnail sketch of postwar Polish poetry. Zagajewski gives an account of the place of art in the modern age that distinguishes his self-proclaimed liberal vision from the "right-wing radicalism" of such modernist precursors as Eliot or Yeats. The same mixture of ardor and compassion that marks Zagajewski's distinctive contribution to modern poetry runs throughout this eloquent, engaging

collection.

Poetry. CONTINGENT

ARDOR is a collection of poems about desire, a series of love letters constructed through a surreal collage of compressed images. Inspired by the "palimpsest principle" in HD's work, many of the poems are composed over existing texts, including interviews, dialogues, and liturgy. "Tell me about yourself. Inflection expresses pleasure.

Where are you from? A house with many drawers and in each one is a bird. Your race? Monarch orange and bristling"-- from "Voir Dire."

Chester Milosz, a very minor American poet who teaches at a very minor American college and aspires to win the Nobel, receives an invitation to a meeting of global high-flyers at the Otto Nabokov Foundation's Ardor Haus estate in Caravaggio, Italy. The organizers are

Dickey Lemon, a British billionaire who made his fortune in hamster bedding, and Joe Zsasz, an ex-communist functionary-turned-international consultant. The participants are a sundry collection of business people, policymakers, journalists, and academics involved in shady dealings with a corrupt Eastern European president who closely resembles Ukraine's Viktor Yanukovich. Chester decides to go in the hope that a trip to northern Italy will help

overcome his writer's block. While at Ardor Haus, he experiences cultural misunderstandings, comic misadventures, near-encounters with inspiration, and three earthquakes. It eventually dawns on Chester that he's been confused with the Nobel Prize winner, Czesław Miłosz, and that the conference is an elaborate scam. After a major earthquake destroys Caravaggio, Chester finds his Muse on the rooftop of the Duomo in Milan.
