DECKER KOLE

The court legacy, a new ballad opera, by the author of the New Atalantis Egmont
The Beggar's Opera A Ballad Opera in Three Acts By John Gay The Beggar's Opera is a ballad opera in three acts written in 1728 by John Gay with music arranged by Johann Christoph Pepusch. It is one of the watershed plays in Augustan drama and is the only example of the once thriving genre of satirical ballad opera to remain popular today. Ballad operas were

satiric musical plays that used some of the conventions of opera, but without recitative. The lyrics of the airs in the piece are set to popular broadsheet ballads, opera arias, church hymns and folk tunes of the time. The Beggar's Opera premiered at the Lincoln's Inn Fields Theatre on 29 January 1728 and ran for 62 consecutive performances, the longest run in theatre history up to that time (after 146 performances of Rober Cambert's "Pomone" in 1671). The work became Gay's greatest success and has been played ever since; it has been called "the most popular play of the eighteenth

century." [4] In 1920, The Beggar's Opera began an astonishing revival run of 1,463 performances at the Lyric Theatre in Hammersmith, London, which was one of the longest runs in history for any piece of musical theatre at that time. Peachum, a fence and thief-catcher, justifies his actions. Mrs. Peachum, overhearing her husband's blacklisting of unproductive thieves, protests regarding one of them, Bob Booty (the nickname of Robert Walpole). The Peachums discover that Polly, their daughter, has secretly married Macheath, the famous highwayman, who is Peachum's principal client. Upset to find

out that he will no longer be able to use Polly in his business, Peachum and his wife ask how Polly will support such a husband "in Gaming, Drinking and Whoring." Nevertheless, they conclude that the match may make sense if the husband can be killed for his money. They leave to carry out this errand. However, Polly has hidden Macheath. Macheath goes to a tavern where he is surrounded by women of dubious virtue who, despite their class, compete in displaying perfect drawing-room manners, although the subject of their conversation is their success in picking pockets and shoplifting. Macheath discovers, too late, that two of them (Jenny Diver, Suky Tawdry) have contracted with Peachum to capture him, and he becomes a prisoner in Newgate prison. The prison is run by Peachum's associate, the corrupt jailer Lockett. His daughter, Lucy Lockett, has the opportunity to scold Macheath for having agreed to marry her and then broken this promise. She tells him that to see him tortured would give her pleasure. Macheath pacifies her, but Polly arrives and claims him as her husband. Macheath tells Lucy that Polly is crazy. Lucy helps Macheath to

escape by stealing her father's keys. Her father learns of Macheath's promise to marry her and worries that if Macheath is recaptured and hanged, his fortune might be subject to Peachum's claims. Lockett and Peachum discover Macheath's hiding place. They decide to split his fortune.

Library Journal R. R. Bowker

This is the second of three volumes of plays by Henry Fielding, whose vibrant early career in theatre has been overshadowed by his later fame as the author of novels like *Tom Jones*. The edition makes his plays, and his rich gift for theatrical comedy, accessible for the first time in modern form.

Ballad Operas: a List and Some Notes □□□□

Der 16-jährige Haruto wird mit voller Wucht von einer schwarzen Katze am Kopf getroffen und ist auf der Stelle tot! Noch etwas überfordert mit der aktuellen Situation, wird er sogleich von einem

Engel und einem Dämon angesprochen, die auf der Suche nach einem Shinigami, einem Totengott, sind. Bereit, sein neues Schicksal anzunehmen, wird Haruto nun als Shinigami wiedergeboren und muss schrägen Kreaturen nachjagen... --- Dieses spezielle E-Book-Format kann auf allen aktuelleren Tablets und Geräten mit Zoomfunktion gelesen werden. Dein Leseprogramm sollte die Darstellung von Fixed-Image-E-Books im EPUB3- oder mobi/KF8-Format unterstützen. Weitere Informationen findest du auf der Homepage von Egmont Manga. ---

En retrouvant ses souvenirs du passé, Haruto est envahi d'une profonde terreur. Pour tenter de tout remettre à zéro, il se lance à corps perdu dans la récolte des âmes perdues, mais ses actions réveillent le shinigami en lui, qui finit par prendre totalement possession de son corps. Shiro et Kuro sont profondément choqués en voyant qu'il n'hésite pas à tuer des innocents durant sa chasse. Que vont-ils décider de faire, alors que leur séparation est imminente ?

The New Grove Dictionary of Music and Musicians is the most up-to-date body of musical knowledge ever gathered together. The New Grove composer biographies have been selected from the dictionary to bring the finest of the biographies to a wider audience. Each has been expanded and updated for book publication and contains a comprehensive work-list, index, and fully revised bibliography, in addition to the definitive view of the subject's life and works. The great traditions of Russian music began in the mid-19th century with Mikhail Glinka—the father figure for the next generations of Russian composers. His direct heirs were 'The Five,' or 'The Mighty Handful,' drawn together by Mily Balakirev, the teacher of two leading figures in the group: Alexander Borodin, creator of Prince Igor and quartets of an unmistakably Russian flavor, and Modest Musorgsky, creator of the greatest Russian epics of the lyric stage. Slightly apart from this group because of his more cosmopolitan approach to his art stands the most-loved of all Russian composers, the ever-appealing Tchaikovsky.

Tristram Potter Coffin's *The British Traditional Ballad in North America*, published in 1950, became recognized as the standard reference to the published material on the Child ballad in North America. Centering on the theme of story variation, the book examines ballad variation in general, treats the development of the traditional ballad into an art form, and provides a bibliographical guide to story variation as well as a general bibliography of titles referred to in the guide. Roger deV. Renwick's supplement to *The British Traditional Ballad in North America* provides a

thorough review of all sources of North American ballad materials published from 1963, the date of the last revision of the original volume, to 1977. The references, which include published text fragments and published title lists of items in archival collections, are arranged according to each ballad's story variations. Textual and thematic comparisons among ballads in the British and American tradition are made throughout. In his introductory essay Renwick synthesizes the various theoretical approaches to the phenomenon of variation that have appeared in scholarly publications since 1963 and provides examples from texts referred to in the bibliographical guide itself. The supplement, like its parent work, is an invaluable reference tool for the study of variation in ballad form, content, and style. Together with the reprinted text of the 1963 edition, the supplement provides an exhaustive bibliography to the literature on the British traditional ballad in North America.
Music, Books on Music, and Sound Recordings University of Pennsylvania Press
The humble ballad, defined in 1728 as "a

song commonly sung up and down the streets," was widely used in elite literature in the eighteenth century and beyond. Authors ranging from John Gay to William Blake to Felicia Hemans incorporated the seemingly incongruous genre of the ballad into their work. Ballads were central to the Scottish Enlightenment's theorization of culture and nationality, to Shakespeare's canonization in the eighteenth century, and to the New Criticism's most influential work, *Understanding Poetry*. Just how and why did the ballad appeal to so many authors from the Restoration period to the end of the Romantic era and into the twentieth century? Exploring the widespread breach of the wall that separated "high" and "low," Steve Newman challenges our current

understanding of lyric poetry. He shows how the lesser lyric of the ballad changed lyric poetry as a whole and, in so doing, helped to transform literature from polite writing in general into the body of imaginative writing that became known as the English literary canon. For Newman, the ballad's early lack of prestige actually increased its value for elite authors after 1660. Easily circulated and understood, ballads moved literature away from the exclusive domain of the courtly, while keeping it rooted in English history and culture. Indeed, elite authors felt freer to rewrite and reshape the common speech of the ballad. Newman also shows how the ballad allowed authors to access the "common" speech of the public sphere, while avoiding what they perceived as the unpalatable qualities of that same public's

increasingly avaricious commercial society.
