Outlaw Justice Abrams

Nocturne City could be any big city in the US. Poor areas, rampant drugs and violent crime, witches, demons and were creatures. Homicide detective Luna Wilder is investigating the death of a drug addict and comes across a drug that is more a spell than a chemical. A drug that leads her to the centre of a vicious war being fought between witches, a war that threatens to unleash hell on Nocturne City. Backed by a gritty take on crime and a vivid look inside a police department leading a fight against crime out of our worst nightmares the nocturne city novels bring crime to Dark Fantasy

Inland Gollancz

Khesh City floats above the surface of the uninhabitable planet of Vellern. Topside, it's extravagant, opulent, luxurious; the Undertow is dark, twisted and dangerous. Khesh City is a place where nothing is forbidden - but it's also a democracy, of sorts, a democracy by assassination, policed by the Angels, the élite, state-sponsored killers who answer only to the Minister, their enigmatic master. Taro lived with Malia, his Angel aunt, one of the privileged few, until a strange man bought his body for the night, then followed him home and murdered Malia in cold blood. Taro wants to find the killer who ruined his future, but he's struggling just to survive in the brutal world of the Undertow. Then an encounter with the Minister sets him on a new course, spying for the City; his target is a reclusive Angel called Nual. Elarn Reen is a famous musician, sent to Khesh City as the unwilling agent of mankind's oldest enemy, the Sidhe. To save her own life, she must find and kill her ex-lover, a renegade Sidhe. Though they come from different worlds, Taro and Elarn's fates are linked, their lives apparently forfeit to other people's schemes. As their paths converge, it becomes clear that the lives of everyone in Khesh City, from the majestic, deadly Angels to the barely-human denizens of the Undertow, are at risk. And Taro and Elarn, a common prostitute and an uncommon singer, are Khesh City's only chance ...

Gotham High National Geographic Books

The second book in Marie Lu's New York Times bestselling LEGEND trilogy—perfect for fans of THE HUNGER GAMES and DIVERGENT! June and Day arrive in Vegas just as the unthinkable happens: the Elector Primo dies, and his son Anden takes his place. With the Republic edging closer to chaos, the two join a group of Patriot rebels eager to help Day rescue his brother and offer passage to the Colonies. They have only one request—June and

Day must assassinate the new Elector. It's their chance to change the nation, to give voice to a people silenced for too long. But as June realizes this Elector is nothing like his father, she's haunted by the choice ahead. What if Anden is a new beginning? What if revolution must be more than loss and vengeance, anger and blood—what if the Patriots are wrong? In this highly-anticipated sequel to the New York Times bestseller *Legend*, Lu delivers a breathtaking thriller with high stakes and cinematic action. "Masterful." —The Los Angeles Times "Lu's action-packed series is the real deal."

—Entertainment Weekly

Hard Cash Valley Minotaur Books

After their first mission in the field, all the Outlaws want is to head back to the Block for some R&R. Unfortunately, no sooner do they get home than they find themselves under assault from Shay Veritas' clones! It's like *Night of the Living Duplicates* in there, and Red Hood is nowhere to be found. Is he teaching them a dangerous (but hopefully valuable) lesson with his absence, or is he dealing with something even bigger and more terrifying?

Avatar, The Last Airbender: The Rise of Kyoshi (Chronicles of the Avatar Book 1) DC Comics

From the world of *Avatar: The Last Airbender* comes the instant USA Today and New York Times bestselling novel starring Avatar Kyoshi—now in paperback! Justice begins with one woman. After nine years of desperate searching for the next Avatar, the discovery of young, charming Avatar Yun has brought stability to the four nations—that is, until Earth Kingdom-born Kyoshi, Yun's unassuming friend and servant, demonstrates remarkable bending during a mission to the South Pole. With the identity of the true Avatar at stake and the growing unrest among her allies turning into violence, Kyoshi is forced to flee the Avatar mansion with her fiery friend Rangi, taking little more than the metal war fans and headress her parents left behind. It isn't easy finding Avatar training on the run, but Kyoshi and Rangi find unlikely supporters in the daofei: ragtag criminals and outlaws living in the shadows of the Earth Kingdom. Torn between following the traditional path of an Avatar and seeking vengeance for those she has lost, Kyoshi struggles to accept her newfound power as she trains in secret. But while Kyoshi, Rangi, and her daofei friends face off against brutal underworld rivals, those who seek to control the Avatar draw ever closer to her, leaving trails of the dead in their wake. The story behind the longest-living Avatar in the history of this beloved world, *The Rise of Kyoshi* maps Kyoshi's journey from a girl of humble origins to the merciless pursuer of justice still feared and admired centuries after becoming the Avatar.

It's Complicated Penguin

New York Times bestselling author Ted Dekker brings an exotic tale of adventure and creates his most memorable character ever. The story of how I, Julian Carter, and my precious two-year old son, Stephen, left Atlanta Georgia and found ourselves on a white sailboat, tossed about like a cork on a raging sea off of Australia's northern tip in 1963, is harrowing. But it pales in comparison to what happened deep in the jungle where I was taken as a slave by a savage tribe unknown to the world. Some places dwell in darkness so deep that even God seems to stay away. There, my mind was torn in two by the gods of the earth. There, one life ended so another could begin. Some will say I was a fool for making the choices I made. But they would have done the same. They, too, would have embraced death if they knew what I knew, and saw through my eyes. My name is Julian and this is my story. But more, it is the story of my son who was born to change the world. From deep in the impenetrable jungles where New York Times bestselling author Ted Dekker was born and raised, comes *OUTLAW*, an epic adventure of two worlds that perhaps only he could write. Full of harrowing twists, sweeping violence, and wild love, *Outlaw* takes us beyond the skin of this world to another unseen.

Inherent Vice Zebra Books

He's a man with a flintlock rifle in his holster and justice in his blood. First in the series from the USA Today bestselling author. He is brave, tough as leather, and has left behind a trail of deadly enemies—outlaws he's hunted down or killed with the cold heart of a man used to violence. A feared bounty hunter and the scourge of bad men everywhere, Flintlock carries an ancient Hawken muzzle-loader, handed down to him from the mountain man who raised him. He stands as the towering hero of a new Johnstone saga. Blood Quest Busted out of prison by an outlaw friend, Flintlock joins a hunt for a fortune—a golden bell hanging in a remote monastery. But between the smoldering ruin of his former jail cell and a treasure in the Arizona mountains there will be blood at a U.S. Army fort, a horrifying brush with Apache warriors, and a dozen bloody showdowns with the schemers, shootists, madmen, and lost women who find their way to Flintlock's side. From a vicious, superstitious owlhoot to the great Geronimo himself, Flintlock meets the frontier's most murderous hardcases—many who he must find a way to kill . . . Praise for the novels of William W. Johnstone "[A] rousing, two-fisted saga of the growing American frontier."—Publishers Weekly on *Eyes of Eagles* "There's plenty of gunplay and fast-paced action as this old-time hero proves again that a steady eye and quick reflexes are the keys to survival on the Western frontier."—*Curled Up with a Good Book* on *Dead Before Sundown*

The Heart's Charge (Hanger's Horsemen Book #2) DC Comics

We Begin at the End Center Street

June allows herself to be captured so that she can assist an assassination plot against a new Elector Primo by the rebel Patriots leader, in a graphic novel adaptation of the second book in the trilogy.

Who's Who In Hollywood! Penguin

The inspiration for Chloé Zhao's 2020 Golden Lion award-winning film starring Frances McDormand. "People who thought the 2008 financial collapse was over a long time ago need to meet the people Jessica Bruder got to know in this scorching, beautifully written, vivid, disturbing (and occasionally wryly funny) book." —Rebecca Solnit From the beet fields of North Dakota to the campgrounds of California to Amazon's CamperForce program in Texas, employers have discovered a new, low-cost labor pool, made up largely of transient older adults. These invisible casualties of the Great Recession have taken to the road by the tens of thousands in RVs and modified vans, forming a growing community of nomads. *Nomadland* tells a revelatory tale of the dark underbelly of the American economy—one which foreshadows the precarious future that may await many more of us. At the same time, it celebrates the exceptional resilience and creativity of these Americans who have given up ordinary rootedness to survive, but have not given up hope.

MARILYN STASIO, THE NEW YORK TIMES BOOK REVIEW - ONE OF THE 10 BEST CRIME NOVELS OF THE YEAR "The plotting is skilled, as is the sleuthing, and the landscape is stunning. But it's the hard-jawed characters, with their tough talk and scarred souls, who really get under your skin." — Marilyn Stasio, The New York Times Book Review Return to McFalls County and Bull Mountain in *Hard Cash Valley*, where Brian Panowich weaves another masterful tale of Southern Noir. Dane Kirby is a broken man and no stranger to tragedy. As a life-long resident and ex-arson investigator for McFalls County, Dane has lived his life in one of the most chaotic and crime-ridden regions of the south. When he gets called in to consult on a brutal murder in a Jacksonville, Florida, motel room, he and his FBI counterpart, Special Agent Roselita Velasquez, begin an investigation that leads them back to the criminal circles of his own backyard. Arnie Blackwell's murder in Jacksonville is only the beginning – and Dane and Roselita seem to be one step behind. For someone is hacking a bloody trail throughout the Southeast looking for Arnie's younger brother, a boy with Asperger's Syndrome who possesses an unusual skill with numbers that could make a lot of money and that has already gotten a lot of people killed—and has even more of the deadliest people alive willing to do anything it takes to exploit him. As Dane joins in the hunt to find the boy, it swiftly becomes a race against the clock that has Dane entangled in a web of secrets involving everyone from the Filipino Mafia to distrusting federal agents to some of the hardest southern outlaws he's ever known.

For fans of sea battles, adventures, and war stories like *Unbroken*, this is the incredible true story of a boy who helps to bring closure to the survivors of the tragic sinking of the USS Indianapolis, and helps exonerate the ship's captain fifty years later. Hunter Scott first learned about the sinking of the USS Indianapolis by watching the movie *Jaws* when he was just eleven-years-old. This was fifty years after the ship had sunk, throwing more than 1,000 men into shark-infested waters—a long fifty years in which justice still had not been served. It was just after midnight on July 30, 1945 when the USS Indianapolis was torpedoed by a Japanese submarine. Those who survived the fiery sinking—some injured, many without life jackets—struggled to stay afloat as they waited for rescue. But the United States Navy did not even know they were missing. As time went on, the Navy needed a scapegoat for this disaster. So it court-martialed the captain for “hazarding” his ship. The survivors of the Indianapolis knew that their captain was not to blame. For fifty years they worked to clear his name, even after his untimely death. But the navy would not budge—not until Hunter entered the picture. His history fair project on the Indianapolis soon became a crusade to restore the captain's good name and the honor of the men who served under him. Praise for *Left for Dead*: Christopher Award Winner An ALA-YALSA Best Nonfiction for Young Adults Book “Compelling, dreadful, and amazing.”—VOYA “This exciting, life-affirming book about war heroics and justice . . . proves without question the impact one student can have on history.”—Booklist “Well written and well documented ... this excellent presentation fills a void in most World War II collections.”—School Library Journal “Young readers . . . will no doubt be inspired by the youth's tenacity—and by the valor of those who served on the Indianapolis.”—The Horn Book

Outlaw Cowboy Lulu.com

Winner of the Gold Dagger for Best Crime Novel from the Crime Writers' Association (UK) Winner for Best International Crime Fiction from Australian Crime Writers Association An Instant New York Times Bestseller “A vibrant, engrossing, unputdownable thriller that packs a serious emotional punch. One of those rare books that surprise you along the way and then linger in your mind long after you have finished it.” —Kristin Hannah, #1 New York Times bestselling author of *The Nightingale* and *The Four Winds* Right. Wrong. Life is lived somewhere in between. Duchess Day Radley is a thirteen-year-old self-proclaimed outlaw. Rules are for other people. She is the fierce protector of her five-year-old brother, Robin, and the parent to her mother, Star, a single mom incapable of taking care of herself, let alone her two kids. Walk has never left the coastal California town where he and Star grew up. He may have become the chief of police, but he's still trying to heal the old wound of having given the testimony that sent his best friend, Vincent King, to prison decades before. And he's in overdrive protecting Duchess and her brother. Now, thirty years later, Vincent is being released. And Duchess and Walk must face the trouble that comes with his return. *We Begin at the End* is an extraordinary novel about two kinds of

families—the ones we are born into and the ones we create.

Left for Dead Henry Holt and Company

Caroline Adams returns to Indian Territory after tiring of confining society life. She wants adventure, and when she and her friend Amber come across swaggering outlaw Frisco Smith, they find his dreams for the new territory are very persuasive. With the much-anticipated land run pending, they

may just join the rush. Growing up parentless, all Frisco Smith wanted was a place to call his own. It's no wonder that he fought to open the Unassigned Lands. After years of sneaking across the border, he's even managed to put in a dugout house on a hidden piece of property he's poised to claim. When the gun sounds, everyone's best plans are thrown out the window in the chaos of the run. Caroline and Frisco soon find themselves battling over a claim--and both dig in their heels. Settling the rightful ownership will bring these two closer than they ever expected and change their ideas of what a true home looks like.
