Le malade imaginaire Wentworth Press

Édition enrichie (Préface, notes, dossier sur l'œuvre, chronologie et bibliographie) Assis seul, Argan détaille des factures d'apothicaire lorsque Toinette, sa servante, entre dans sa chambre. Il l'interroge sur son lavement, demande s'il a bien fait de la bile, à quoi Toinette répond qu'elle ne se mêle point de ces affaires-là. Consciente que les maux de son maître sont imaginaires, elle ne se prive pas d'ajouter que, pour son médecin et son apothicaire, il n'est rien d'autre qu'une « bonne vache à lait ». Molière lui-même joue le personnage d'Argan le 10 février 1673, lors de la création de sa pièce au théâtre du Palais-Royal, et meurt sept jours plus tard, à l'issue de la quatrième représentation. De cette « comédie mêlée de musique et de danses » où son œuvre s'achève, c'est la puissance comique qui, bien sûr, a fait la fortune. Mais c'est aussi une pièce à thèse : le dramaturge ne se moque pas seulement des médecins de son temps, mais après *Le Tartuffe*, il dénonce plus profondément en eux de nouveaux imposteurs. Édition de Bénédicte Louvat-Molozay.

Le malade imaginaire French & European Publications

The Imaginary Invalid (French: *Le malade imaginaire*) is a three-act com edie-ballet by the French playwright Moli ere with dance sequences and musical interludes by Marc-Antoine Charpentier. It premiered on 10 February 1673 at the Th eatre du Palais-Royal in Paris and was originally choreographed by Pierre Beauchamp. The play is also known as *The Hypochondriac*, an alternative translation of the French title.Moli ere had fallen out with the powerful court composer Jean-Baptiste Lully, with whom he had pioneered the com edie-ballet form a decade earlier, and had opted for the collaboration with Charpentier. *Le malade imaginaire* would turn out to be Moli ere's last work. He collapsed during his fourth performance as Argan on 17 February and died soon after.

Le Malade imaginaire Independently Published

Argan is so obsessed with his health that he fails to notice his second wife Beline angling for total control of his considerable wealth. He decides his daughter Angelique should marry a doctor (Thomas Diafoirus) so that he can have medical "expertise" on tap but she has already given her heart to Cleante. Argan gives her an ultimatum: marry Diafoirus or go into a convent (this second option an idea sown by Beline to prevent Angelique from having a share of Argan's money). Fortunately the clever servant Toinette has a plan to change Argan's perspective of the medical profession and to reveal the true natures of Beline and Angelique. | With Alain Pralon (Argan), Catherine Hiegel (Toinette), Julie Sicard (Angelique) and other actors of the Comedie Francaise. Original music by Marc-Olivier Dupin. | Recorded in 2001. | Region 2, PAL. In French (no subtitles).
