Ballerina Gratitude Journal

Createspace Independent Publishing Platform

"Edgar Degas was one of the most obsessive painters of the female body in the entire history of art.

He produced some six hundred images of ballet dancers alone, and the nudes that dominate his late work are scarcely less numerous." "The wealth of carefully chosen illustrations in this volume provides a multi-faceted survey of these two aspects of Degas' oeuvre. The iconographical variety of the imagery is complemented by the wide range of media employed by the artist. Oils

and pastels, prints and drawings, sculptures - all are included here." "Lillian Schacherl brings to life the world inhabited by these women. She rejects the interpretation of the images as voyeuristic by the moralists among Degas' contemporaries and by some present-day writers. The artist's intention, she argues, was neither to glorify the glamorous world of the ballet nor to revel in the

beauty of the female form. Rather, he sought to capture fleeting moments of classically perfect movement and spontaneous, unselfconscious gesture. The author shows that, in their synthesis of classical values and more modern artistic concerns, Degas' ballet dancers and late nudes constitute one of the peaks of nineteenth-century art."--

Ballet Rehearsal by Edgar Degas
 Createspace Independent Publishing Platform
 Through Edgar Degas's beloved paintings, drawings, and sculptures, Susan Goldman Rubin conveys the wonder and excitement of the ballet world. Degas is one of the most celebrated painters of the impressionist

movement, and his ballerina paintings are among the most favorite of his fans. In his artwork, Degas captures every moment, from the relentless hours of practice to the glamour of appearing on stage, revealing a dancer's journey from novice to prima ballerina. Observing young students, Degas drew their poses again and again, determined to

achieve perfection. The book includes a brief biography of his entire life, endnotes, bibliography, where to see his paintings, and an index. *Ballet Dancing Journal* Prestel Publishing
 Edgar Degas is famous for his paintings of ballerinas, and that's what first attracts Kristin to his artwork. But as she studies him for her report, she discovers that his art ranged far beyond the ballet and she gradually

learns exactly what makes Degas's work so unique. Art Journal Courier Corporation The Dancer Journal is a daily practice journal. Dancers use this journal to set goals, intentions and note progress as well as make gratitude a daily habit.
