CHOI MAXIMUS

The Christian Union Univ. Press of Mississippi
 "India's future will be determined not only by economic development, but also by a dynamic traditional culture that continues to develop along its own lines -- sometimes in concert, and sometimes in conflict with material enrichment. India develops not, as one writer has suggested, "in spite of the gods." Rather, the seed for the creation and the fuel for the sustenance of India's economic boom lay in its traditions, and, I will argue, the animating spirit of its future lies there as well. I have neither the expertise nor the access to operate as a political correspondent, nor the desire to posture as a political pundit. During eighteen years of research, however, I have seen what I perceived as a pervasive misrepresentation of recent developments in Indian politics. More specifically, a number of recent books consistently paint the Hindu right wing in India as essentially fascist or theocratic. My observations show that these claims are untenable and misrepresent a positive development in the history of Indian democracy. To think clearly about the changes in today's India we require a new model: the bi-directional banyan tree, a symbol borrowed, ironically, from ancient Sanskrit verses. Pindar claimed, "Custom is King of all," and this serves as a succinct expression of the central thesis of this book."--Publisher's website.

 Smart. Funny. Fearless."It's pretty safe to say that *Spy* was the most influential magazine of the 1980s. It might have remade New York's cultural landscape; it definitely changed the whole tone of magazine journalism. It was cruel, brilliant, beautifully written and perfectly designed, and feared by all. There's no magazine I know of that's so continually referenced, held up as a benchmark, and whose demise is so lamented" --Dave Eggers. "It's a piece of garbage" --Donald Trump.

This collection of twenty-one unabridged interviews puts us immediately in the company of one of the presiding literary figures of our times. This revered editor, poet, literary historian, and critic encapsulates seven decades of American literature in these conversations that took place between 1942 and 1985. Full of insights and strong opinions, direct, salty, Cowley converses candidly with his interviewers about himself and about many subjects and personages that have shaped our national literature in the last century. Throughout this volume Cowley gives vivid accounts of his close alliances with such widely diverse and individual authors as William Faulkner, Ernest Hemingway, Hart Crane, John Cheever, Jack Kerouac, and Ken Kesey. From these interviews emerges a literary man who inspires the reader's renewed admiration and gratitude. In the common bond uniting

great authors Cowley sees the manifestation of a Republic of Letters with laws, intelligence, and confraternity. These magnificently articulate interviews leave little doubt that Cowley is its elder statesman.

This darkly exuberant debut novel—by turns a fierce, funny coming-of-age story and a teasing work of literary suspense—traces the precipitous rise and fall of a teenage impresario at the zenith of the New York club scene. Matthew Acciaccatura of Teaneck, New Jersey, begins his freshman year at NYU in the fall of 1995 with one goal in mind: to become cool. A former high school outcast, used to lumbering the hallways alone in oversize turtlenecks, Matt seems an unlikely candidate for such a transformation. Yet by dint of effort he lands the coveted position of promoter at one of the hottest clubs in New York in the heyday of rave music and Ecstasy. However, as "Magic" Matt rises to fame, portents of tragedy begin to appear, literally in the margins of the story. Footnotes from one Dr. Hans Mannheim, an imprisoned German academic obsessed with Matt's dangerous trajectory, suggest that Matt is not as in control of his destiny as he might appear.... A gorgeously written archetypal tale of self-discovery (and self-deception) and a love letter to the enduring possibilities of New York City, *The Answer Is Always Yes* will keep readers guessing until its explosive climax.

Many of us have questions about the Bible: Can we believe the Bible? What was Jesus' mission? What is sin? Does hell exist? Is anyone beyond God's forgiveness? In *A Jesuit Off-Broadway*, James Martin, SJ, answers these questions about the Bible, and other big questions about life, as he serves as a theological advisor to the cast of *The Last Days of Judas Iscariot*. Grab a front-row seat to Fr. Martin's six months with the LAByrnth Theater Company and see first-hand what it's like to share the faith with a largely secular group of people . . . and discover, along with Martin, that the sacred and the secular aren't always that far apart.
