Acquisition List Compass America Guides

Describes accommodations, restaurants, and wineries in the region, provides tips on planning tours and drives, and discusses the art of winemaking.

Islands Magazine Simon and Schuster

For those of us in recovery, finding our moral and spiritual footing can be a struggle. The pursuit of drugs and alcohol has long driven our choices and actions, leaving the line between right and wrong blurred in the wake of addiction. In *Finding Your Moral Compass*, Craig Nakken, author of the best-selling book *The Addictive Personality*, gives readers in recovery the model and tools needed to make life decisions in the pursuit of good. He offers 41 universally accepted principles, paired as positive and negative counterparts that guide behavior. He then inspires us with one fundamental challenge: To take responsibility for being a force for good by applying these principles to our daily lives. He encourages us to show empathy, be of service to others, and make the choice to stop being an agent of harm. When Nakken, a

former addict, became clean and sober, he faced the "evil" inside of himself. It was then that he found his moral compass and made the decision to take responsibility for his actions using the Twelve Steps as his guide. He has taught hundreds in recovery to live by the principles of good, one day at a time. About the author Craig Nakken is the author of several Hazelden titles, including the perennial bestseller *The Addictive Personality*. He is a popular public speaker and a highly respected private practice counselor, with years of working in the frontlines in a number of treatment facilities.

Kentucky Compass America Guides

"An Introduction to the Sociology of Religion provides an overview of sociological theories of contemporary religious life. Some chapters are organized according to topic. Others offer brief presentations of classical and contemporary sociologists from Karl Marx to Zygmunt Bauman and their perspectives on social life, including religion. Throughout the book, illustrations and examples are taken from several religious traditions."--BOOK JACKET.

Great ideas for things to see and do Capsule reviews of hotels and restaurants About the Author "Las Vegas" is Deke Castleman's middle name. He's been covering the boomtown since 1987, when he researched the first edition of Moon Publications' Nevada Handbook. He has also contributed to Las Vegas Access, Fodor's USA, Great American Vacations, and Great American Vacations for Travelers With Disabilities. He has edited two guides to Las Vegas for Huntington Press, and he is the managing editor of the Las Vegas Advisor, a monthly newsletter for Las Vegas visitors and locals. Castleman is also the author of Las Vegas 2040, a novel about the future of Las Vegas. About the Photographers Michael Yamashita has been shooting pictures for National Geographic books and magazines since 1979. He has participated in five Day in the Life projects, and has received awards from the National Press Photographers Association and the New York Art Directors Club, among others. His work has been exhibited at the National Gallery of Art, the Los Angeles County Museum of Art, and Kodak's Professional Photographer's Showcase at EPCOT Center. Mr. Yamashita's images are also featured in Compass San Francisco and Compass Manhattan. Kerrick James is well known for his photography of the Southwest. In addition to appearing in Compass Arizona, San Francisco, and The American Southwest, his work is featured frequently in Hemispheres and National Geographic Traveler, as well as several Smithsonian guidebooks and school textbooks. He lives in Mesa, Arizona, with his wife and two sons.

Lloyd's Register OneOcean's Guide to Port Entry 1987-1988 : Nations M - Z Simon and Schuster

An inspiring, real world guide for artists, in the classic bestselling tradition of *What Color Is Your Parachute?*, that shows how to build a successful, stable career in the performing arts, from the President and CEO of The Music Center in Los Angeles, who has carved her own success through her creative talent and business skill. While performing artists have many educational opportunities to perfect their craft, they are often on their own when it comes to learning the business skills necessary to launch their careers. At the end of the day, show business is, well, a business. In *The Artist's Compass*, Rachel Moore (who rose from a dancer in the American Ballet Theater's corps de ballet to become the CEO of that organization—and is today the head of The Music Center in LA) shares how to make life as a performer more successful, secure, and sustainable by approaching a career in the arts like an entrepreneur. Misty Copeland calls Moore “a great example of a woman who used the skills that we

gain as dancers to become a leader,” and it's those hard-won lessons she imparts to a new generation of artists in this book—encouraging every performer to develop marketable skills alongside their creative talent. With testimonials from artists like Lang Lang, Sigourney Weaver, and Renee Fleming, plus inspiring anecdotes from Moore's own journey in the arts, *The Artist's Compass* teaches aspiring performers how to take charge of their own careers and how to create their own brand and marketing platform to achieve personal and professional success. In an engaging, “realistic, but also passionate” (*Publishers Weekly*) voice, Moore combines her artistic and corporate experience to address the finer points of building a career in a challenging industry. *The Artist's Compass* is the essential success guide for aspiring artists, driving home the point that honing professional skills beyond the stage is not forsaking one's art, but for the sake of one's art.

Compass American Guides: American Southwest, 3rd Edition Compass America Guides

Bragging rights and bumper stickers are some of the social forces fueling today's parenting behavior—and, as a result, even well-intentioned parents are behaving badly. Many parents don't know how best to support their teens, especially when everyone around them seems to be frantically tutoring, managing, and helicoptering. *The Parent Compass* provides guidance on what parents' roles should be in supporting their teens' mental health as they traverse the maze of the adolescent years. For anyone daunted by the unique challenge of parenting well in this pressure-laden and uncertain era, *The Parent Compass* offers: Advice on fostering grit and resilience in your teen Strategies to

help your teen approach life with purpose Guidance on how to preserve your relationship with your teen while navigating a competitive academic environment Clear explanations of your appropriate role in the college admission process Effective ways to approach technology use in your home, and much more! Using The Parent Compass to navigate the adolescent years will help you parent with confidence and intention, allowing you to forge a trusting, positive relationship with your teen.

Las Vegas Abrams

Even before the 2016 presidential election took place, groups and individuals angry at Donald Trump, and frightened about what a Trump presidency could mean, were taking to the streets. After the election, and particularly after he inaugural, the protests continued. Over time, the Resistance was joined by a broad variety of groups and embraced an increasing diversity of tactics. In *The Resistance*, David S. Meyer and Sidney Tarrow have gathered together a cast of eminent scholars to tackle the emergence of a volatile and diverse movement directed against the Trump presidency. Collectively, the contributors examine the origins and concerns of different factions of this movement, and evaluate their prospects for surviving and exercising political influence. Through a range of analytical and methodological approaches, *The Resistance* offers both an overview of the broad scope of the emerging movement and sharp analyses of the campaign as it works through the numerous crises that the Trump era has introduced.
