Mein erstes Buch: Tiere HarperFestival

She wants a baby. He wants her. Simple enough, right?Ellie Godfrey has kissed her share of frogs. So many, in fact, that she fears she won't recognize her prince if and when he finally comes along. Tired of waiting for THE ONE, Ellie decides to have a baby on her own before it's too late. When Jasper Autry hears about Ellie's plan, what else can he do but step in and offer to "contribute" to her project. Does that make him an opportunist? Whatever. He wants the perpetually out-of-reach Ellie Godfrey, and when he sees his chance, he takes it. That she's the sister of his business partner and close friend Flynn gives him pause, but it doesn't stop him from having what he wants.As Jasper and Ellie embark upon their secret "project," he makes it clear that for as long as they're together, he's in charge--in the bedroom anyway. After the hottest sex of her life, Ellie realizes she's made a deal with the devil himself.Warning: If you hate foul-mouthed heroes who like it a little rough and dirty, this might not be the book for you...Contains hot and sexy BDSM scenes among other things that might not appeal to the faint of heart. Enter at your own risk and enjoy!

Golden Domes and Silver Lanterns Blue Star Press

This publication features works by Armenian Lebanese painter Paul Guiragossian (1926-93), who was forced to migrate at a young age to escape the

Armenian genocide. This displacement led to the artist's adoption of multiple cultures and aesthetic traditions, evident in his colorful figurative works.

**Harry Potter Coloring Book** Lyrical Press

Stoner's Perfect Gift! This Spongebob Squarepants Stoner book is designed for stoners, trippy, hippie folks who love to get chilled at night, alone or in a good company, who appreciate a good coloring book to match their mood. ★ Funny trippy coloring for adults, relaxing and mindful. ★ Single sided pages to avoid bleeding. ★ Premium design Chill And Get Lost In Psychedelia. You will definitely love this coloring book

The Clever Little Witch HarperCollins Children's Books

In a world devastated by Man, a rich minority lives in luxury inside fortress-cities protected by elite troops, while what's left of humanity toils in slavery for them. Volume 3 of 3. The mission to break the siege of Tel Aviv ended in disaster - two dead, and the rest of the team captured. But as the prisoners await their fate, they're suddenly confronted to the terrible reality of their world - most notably the fact that they don't seem to be fighting for the side of angels. Will they be able to adapt to this new truth and make the right choices - assuming there are still right choices?

The Tale of Peter Rabbit and Benjamin Bunny Sound Book is an 18-button sound book that offers a fun and interactive story and comes complete with a special game to play in the back of the book.

*Old Firehand* Text Publishing

Discover a world of creativity and tradition in this fascinating picture book that explores the history and cultural significance of the color blue. From a critically acclaimed author and an award-winning illustrator comes a vivid, gorgeous book for readers of all ages. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • New York Public Library • Chicago Public Library • Kirkus Reviews For centuries, blue powders and dyes were some of the most sought-after materials in the world. Ancient Afghan painters ground mass quantities of sapphire rocks to use for their paints, while snails were harvested in Eurasia for the tiny amounts of blue that their bodies would release. And then there was indigo, which was so valuable that American plantations grew it as a cash crop on the backs of African slaves. It wasn't until 1905, when Adolf von Baeyer created a chemical blue dye, that blue could be used for anything and everything--most notably that uniform of workers everywhere, blue jeans. Nana Ekua Brew-Hammond's riveting text combined with stunning illustrations from Caldecott Honor Artist Daniel Minter, this vibrant and fascinating picture book follows one color's journey through time and across the world, as it becomes the blue we know today.

**Wishy Washy** Penguin UK

A knight returns to the castle of his childhood seeking revenge, only to find his true love.

*Hey Duggee: The Colour Badge* Frederick Warne Publishers

Lizzy finds a suitcase standing in front of her witch's house. She'd love to know what's inside it. But no matter how often she repeats the magic spell, the little suitcase remains closed! Lizzie is going to need to use all of her clever tricks if she wants to find out what's inside.

Accelerate your toddler's education in first words and colors using this engaging board book designed by a professional artist and licensed speech therapist. Wishy Washy takes your young child on an adventure as they learn new words through life-like paintings, bright colors, and an animal friend who guides them along the way. Written by licensed speech therapist Tabitha Paige, Wishy Washy features strategically chosen first words that include a child's earliest developing sounds, such as m, b, p, t, etc. So join our little chipmunk friend on a creative adventure as he encourages your child to talk in a fun and interactive way!

*Ravenous* Alma Books

An eye-catching information book filled with one hundred interesting facts to learn about food: for example, learn about how cooking came about, the different methods used (grilling, boiling, fermentation etc) and what purposes it served in terms of nutrition. It will also be a great way to educate children about nutrition and the issues around overeating, junk food and obesity.

**Lord of the Runes** Createspace Independent Publishing Platform

This novel begins with a funeral for a young mother: A good-looking girl, anyway, who with that coif of hers got to look rather like a nun as the years passed, and whom few of us were content to see lying between oak planks in her least worn dress, the black one she got into on Sundays, even when she couldn't go to Mass at Saint-Sulpice, and that smelled clean, with no odor (no smoke, sweat, animals, cabbage or milk) other than the soap they said came from Marseilles and which in the spring left big bluish trails in the stream. They resembled the Milky Way, which she had showed her son in the summer sky when he was very small. Ambitious and grandiose, Richard Millet's stunning novel announces his introduction to an English-speaking audience. Set in the villages and valleys of France's mountainous provinces, *The Glory of the Pythres* follows the fortunes-or rather, the colossal misfortunes-of the Pythres (pronounced as pitres, the French word for clowns or buffoons). Of peasant stock, "suspicious, taciturn, mulish, stubborn," the Pythres live a grim existence, locked up with their dead through long winters and passing on their problems like heirlooms to their children. They, like their neighbors, are Others, their culture passing away, their language barely comprehensible to other Frenchmen, their lives defined by tribal hatreds with motives that have long since vanished into history. The translation is no less ambitious than the novel itself. It captures this forgotten world in Millet's musical prose; it contrasts the strange patois of the villagers against "proper" French. Filled with finely observed characters and a breathtaking power of description, *The Glory of the Pythres* is a unique, powerful work of art.
