Cooking Plain,

Country Style
by Helen

Walker Linsenmeyer presents a collection of family recipes created prior to 1900 and perfected from generation to generation, mirroring the delicious and distinctive kind of cookery produced by the mix of people who settled the Illinois Country during this period. Some recipes reflect a certain New England or Southern influence, while others echo a European

heritage. All hark back to a simpler style of living, when cooking was plain yet flavorful. The recipes specify the use of natural ingredients (including butter, lard, and suet) rather than synthetic or ready-mixed foods, which were unavailable in the 1800s. Cooking at the time was pure and unadulterated, and portions were large. Strength-giving food was essential to health and endurance;

thus fare was pure, hearty, flavorful, and wholesome. The many treasures of Cooking Plain, Illinois Country Style include • basic recipes for mead, originally served to the militiamen of Jackson County; sumac lemonade, made the Indian way; root beer, as it was originally made; • soups of many kinds—from wholesome vegetable to savory sorrel leaf, enjoyed by the Kaskaskia

French; • old-fashioned fried beefsteak, classic American pot roast and gravy, as well as secret marinades to tenderize the tougher but more flavorful cuts of meat; • methods for preparing and cooking rabbit, squirrel, wild turkey, venison, pheasant, rattlesnake, raccoon, buffalo, and fish; • over one hundred recipes for wheat breads, sweet breads, corn breads, and pancakes;

• an array of delectable desserts and confections, including puddings, ice cream, taffy, and feathery-light cakes and pies; • sections on the uses of herbs, spices, roots, and weeds; instructions for making sausage, jerky, and smoked fish and for drying one's own fruits and vegetables; and household hints on everything from making lye soap to cooking for the sick. And there are

extra-special nuggets, too, for Mrs. Linsenmeyer laces her cookbook with interesting biographical notes on a number of the settlers and the origin of many of the foods they used. There is also a wealth of historical information on lifestyles and cooking before 1900, plus helpful tips on the use of old-fashioned cooking utensils. A working cookbook complete in its coverage of every area of

food preparation, Cooking Plain, Illinois Country Style will be used and treasured as much today as its recipes were by families of an earlier century. The recipes are not gourmet, but they are certain to please today's cooks, especially those interested in using local ingredients and getting back to a more natural way of cooking and eating. *Provence Style* CICO

The Italian Country

Table Rizzoli Universe Promotional Books An intimate tour of quintessential Provençal style, featuring chic homes and interior details

inspired by this picturesque region Thirty years after the publication of Peter Mayle's bestselling memoir A Year in Provence, the sun-drenched southern French region continues to excite home decorators with its combination of rustic charm, elegant details, and historical influences. Provence Style showcases the best of the region, with Shauna Varvel's

quintessential 18th-century Rhône valley farmhouse--Le Mas des Poiriers--as its centerpiece. Named for the working pear orchard on the grounds, the property was reimaged by noted local architect Alexandre Lafourcade, who transformed a rough structure into a luxurious expression of the Provençal aesthetic, referencing historical influences, rural traditions, and Parisian taste. Set amid a

garden of allées, arbors, and terraces designed by the architect's mother, renowned landscape designer Dominique Lafourcade, this exemplar of Provençal style is the starting point for exploring the region's characteristic interior details and exterior features. The book includes chapters on the public spaces of the home, from entrances to living rooms, the private realm of bedrooms and bathrooms,

and outdoor areas including patios and kitchen gardens, transporting the reader on a captivating stylistic journey. [Fodor's Essential Ireland 2019](#) Cider Mill Press Discover design inspiration as a photographer and blogger details the story of her renovation of a 1940s cottage in the California countryside. A little, abandoned vacation

house that could, set in the center of rolling fields and trees becomes the cottage home of her dreams. A French country-style cottage filled with original elements and an exquisite mix of rustic and refined. The years of renovation allowed Courtney to create a lifestyle that is fueled by inspiration and beauty, a touch of whimsy, and an abundance of everyday elegance. The journey has been shared

on her popular blog French Country Cottage, and now, through the publication of her first book, her readers will experience a reveal of more of her home and property and the inspirations behind her beloved style. Courtney's inspiring photography reveals every nuance of her style and home including a muted color palette, old brassy door knobs, chippy paint, antiques, her

greenhouse and garden, and an abundance of entertaining and holiday decorating style. Blurring the lines between indoor and outdoor and embracing well-worn as well loved, French Country Cottage is a style that celebrates simplicity, indulges in romance, cherishes pieces with history and believes a chandelier and fresh flowers belong in every room.

Blackstone Publishing Nora Murphy has turned her passion for country house style and its embodiment--her own home in Newtown, Connecticut--into a multimedia juggernaut. Her blog, website, e-magazine, strong presence on social media, and increasing visibility in print media and on TV have earned her a devoted following all over the country. Now she has distilled the essence of her

knowledge about country house style and how to achieve it in this irresistible volume. The first part of the book lays out the universal elements of the style; the second reveals how she has incorporated these elements into her own home; and the third shows how the elements of this comfortable, comforting, easy aesthetic and approach to life can be applied in different ways

and in different locations to striking, individual effect. Five homes, each of which expresses a unique take on the style, are featured. Part primer, part wish book, Nora Murphy's *Country House Style* is all inspiration. **How to French Country** Simon and Schuster Shows how to decorate a home in the English country style, with sections devoted to interior rooms

and living spaces as well as outside decks, patios, and gardens Peterson's Magazine Chronicle Books Book one in the bestselling mystery series that brought to life an iconic literary antihero of subversion and schemes. Fletch, investigative reporter extraordinaire, can't be bothered with deadlines or expense-account budgets when it comes to getting his story. Working undercover at

the beach to dig up a drug-trafficking scheme for his next blockbuster piece, Fletch is invited into a much deeper narrative. Alan Stanwyk, CEO of Collins Aviation and all-around family man, mistakes the reporter for a strung-out vagabond and asks him for a favor: kill him and escape to Brazil with \$50,000. Intrigued, Fletch can't help but dig into this suspicious deal he's being offered.

Dodging the shady beach police as his case begins to break open, and with his temperamental editor Clara pushing for his article, he soon discovers that Stanwyk has a lot to hide and this plan is anything but what it seems. **House Beautiful Decorating School** MorrowCB The Tartine Way — Not all bread is created equal The Bread Book "...the most beautiful bread book yet published..." --

The New York Times, December 7, 2010 Tartine — A bread bible for the home or professional bread-maker, this is the book! It comes from Chad Robertson, a man many consider to be the best bread baker in the United States, and co-owner of San Francisco's Tartine Bakery. At 5 P.M., Chad Robertson's rugged, magnificent Tartine loaves are drawn from the oven. The bread at San

Francisco's legendary Tartine Bakery sells out within an hour almost every day. Only a handful of bakers have learned the techniques Chad Robertson has developed: To Chad Robertson, bread is the foundation of a meal, the center of daily life, and each loaf tells the story of the baker who shaped it. Chad Robertson developed his unique bread over two decades of apprenticeship

with the finest artisan bakers in France and the United States, as well as experimentation in his own ovens. Readers will be astonished at how elemental it is. Bread making the Tartine Way: Now it's your turn to make this bread with your own hands. Clear instructions and hundreds of step-by-step photos put you by Chad's side as he shows you how to make exceptional and elemental bread using

just flour, water, and salt. Hearst Communications At Home with Country celebrates the romance of Cabbages & Roses and shows how Christina Strutt's evocative

vintage style is equally at home in city apartments, rural retreats and seaside cottages. From urban high-rises to coastal hideaways, the great manor homes of England to the smallest beach house on the other side of the Atlantic, the beauty of the Cabbages & Roses brand is the gentle but highly visible vintage design. This lavish book embodies all locations—country, city and coast.

Chapters

encompass Classic Country, Modern City, Island Country and Outdoor Country. Homes that bring together the old and the new, evoking the atmosphere of each season, sit beside city spaces where urban living combines with vintage style—think faded florals and ticking fabrics softening an industrial space, splashes of colour to enliven it and contrasting textures to add interest.

Coastal dwellings are fresh, breezy and dreamy—beautifully suited for beach living. The book shows that the country can come to the city, that the city can benefit from coastal settings and that the Cabbages & Roses style is a gentle, unassuming and, above all, beautiful asset to any home as it easily complements all environments. *Fletch* National Geographic
