The Model Rules of

Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between

you and your clients, colleagues and the courts. Decisions and Orders of the National Labor Relations Board, V. 343, September 28, 2004, Through December 20, 2004 McGraw Hill Professional Whether you're addressing an initial infraction or handling termination-worthy transgressions, you need to be 100 percent confident that every employee encounter is clear, fair, and most importantly, legal. Thankfully, HR expert Paul Falcone has provided this wide-ranging resource that explains in detail the disciplinary process and provides ready-to-use documents that eliminate stress and second-guessing about what to do and

say. Revised to reflect the latest developments in employment law, the third edition of 101 Sample Write-Ups for Documenting Employee Performance Problems includes expertly crafted, easily customizable write-ups that address: sexual harassment, absenteeism, insubordination, drug or alcohol abuse, substandard work, email and phone misuse, teamwork issues, managerial misconduct, confidentiality breaches, social media abuse, and more! With each sample document also including a performance improvement plan, outcomes and consequences, and a section of employee rebuttal, it's easy to

see why over 100,000 copies have already been sold, making life for managers and HR personnel significantly easier when it comes to addressing employee performance issues.

Every Landlord's Legal Guide makes landlords' jobs easier by putting everything they need to legally and successfully run their

business in one package. Every Landlord's Legal Guide details all the steps, procedures, laws, and tips landlords should consider from the time they start looking for tenants to the time the tenants move out. There's no need to reinvent the wheel or take a chance with iffy stationery store forms: this book includes updated, downloadable, and customizable versions of all the forms landlords need, along with directions on how to customize and use them. It's the complete how-to guide for landlords, all for the price of less than 30 minutes of a typical lawyer's time.

Why has the Taliban been so much more effective in presenting messages that resonate with the Afghan population than the United States, the Afghan government and their allies? This book, based on years of field research and the assessment of hundreds of original source materials, examines the information operations and related narratives of Afghan insurgents, especially the Afghan Taliban, and investigates how the

Taliban has won the information war. Taliban messaging, wrapped in the narrative of jihad, is both to the point and in tune with its target audiences. On the other hand, the United States and its Kabul allies committed a basic messaging blunder, failing to present narratives that spoke to or, often, were even understood by their target audiences. Thomas Johnson systematically explains why the United States lost this "battle of the story" in Afghanistan, and argues that this defeat may have cost the US the entire war, despite its conventional and technological superiority.

The legal information and forms every California landlord needs Choosing tenants, raising the rent, returning deposits, and maintaining rental property—these are just a few of the things landlords do that are strictly regulated by California law. To avoid problems and hefty legal fees, property owners and managers need to know and comply with federal, state, and local rules, and use the proper legal forms. Fortunately, everything you need is in this book. Rent control and eviction protections are now a matter of state law, and even small municipalities are enacting their own ordinances that affect rent, terminations, and notices. This book

contains a unique rent control chart that explains key provisions and gives information on how to learn more. No California landlord can afford to do business without checking for local ordinances and following them. With *The California Landlord's Law Book: Rights & Responsibilities* you'll learn how to: screen prospective tenants—without discriminating illegally prepare (and enforce) leases and rental agreements apply the state-wide rent control and eviction protection law if it applies to you collect and return security deposits raise the rent and change other terms of the tenancy hire, work with, and fire property managers keep up with

repairs and maintenance restrict subletting and short-term rentals act promptly when rent is late, and terminate a tenancy. Mais um romance de sucesso. Verity é perturbador, arrepiante e inesperado. Uma experiência inesquecível. Lowen Ashleigh é uma escritora que se debate

com grandes dificuldades financeiras, até que aceita uma oferta de trabalho irrecusável: terminar os três últimos volumes da série de sucesso de Verity Crawford, uma autora de renome que ficou incapacitada depois de um terrível acidente. Para poder entrar na cabeça de Verity e estudar as anotações e ideias reunidas ao longo de anos de trabalho, Lowen aceita o convite de Jeremy Crawford, marido da autora, e muda-se temporariamente para a casa deles. Mas o que ela não esperava encontrar no caótico escritório de Verity era a autobiografia inacabada da autora. Ao lê-la, percebe que esta não se destinava a ser partilhada com

ninguém. São páginas e páginas de confissões arrepiantes, incluindo as memórias de Verity relativas ao dia da morte da filha. Lowen decide ocultar de Jeremy a existência do manuscrito, sabendo que o seu conteúdo destroçaria aquele pai, já em tão grande sofrimento. Mas, à medida que os sentimentos de Lowen por Jeremy se intensificam, ela apercebe-se de que talvez seja melhor ele ler as palavras escritas por Verity. Afinal de contas, por mais dedicado que Jeremy seja à sua mulher doente, uma verdade tão horrenda faria com que fosse impossível ele continuar a amá-la. Os elogios da crítica: «Aviso: Verity não vai derreter-lhe o coração... Vai

incendiar-lhe a alma.» - Kindle Crack Book Reviews «Isto não é um livro, é uma experiência visceral!» - B. B. Easton, autora bestseller Labor Law and Practice in Malaysia and Singapore TOPSELLER Germany's patent system presents unique opportunities for patent holders, as well as risks for companies doing business there. Germany is one of the world's top jurisdictions for patent enforcement because of the expertise of German courts, their unique procedures, and the speed of these proceedings. Winning a patent suit in Germany is tantamount to winning the European market, and gives the patent owner substantial leverage

over opponents to achieve a worldwide settlement. In addition, suits in Germany frequently resolve well ahead of United States counterpart suits, at a fraction of the cost. This handbook, now in its second, fully updated edition, provides international lawyers with a practical understanding of Germany's patent system, including the many legal changes that have occurred since the book's original publication in 2011. It also addresses the implications of the upcoming Unified Patent Court. This second edition provides an in-depth, step-by-step procedural analysis of aspects of current patent practice in Germany, including the following: • Germany's

split system that bifurcates infringement from validity cases; • Obtaining discovery; • Claim construction; • Budgeting; • Implications of the upcoming new patent system, in particular the Unified Patent Court; • Germany's labor law regarding employee inventions; and • Customs actions. The authors — both experienced patent lawyers, one German, one American — present proceedings in Germany in parallel with corresponding patent litigation stages in the United States. The chapters track the structure of patent disputes, starting with the overall structure of the German judicial system, followed by topics such as patentability, patent procurement,

oppositions, infringement trials and customs enforcement actions. This book concludes with an extensive selection of forms and legislative material. Understanding the opportunities available in Germany provides companies with a broader toolkit for enforcing their intellectual property rights and defending against challenges brought by others. Practicing patent lawyers will not find a more complete, informed and practical guide than this book explaining the framework for patent procurement, enforcement and defense in Germany. Many will find surprising options without parallel in the United States.

DO YOU WORK WITH A MEAN GIRL? A woman’s field guide to the new frontier of professional development—working with other women
Women-to-women relationships in the workplace are . . . complicated. When

they're good, they're great. But when they're bad, they can ruin your day, your week—even your year. Packed with proven advice from two of today's leading experts in workplace relationships, this one-of-a-kind guide gives women the tools they need to navigate difficult situations unique to women-to-women relationships—whether with a boss, a colleague, a client, or an employee. Have you dealt with a woman in the workplace who: “Accidentally” excludes you from important meetings? Seems intent on taking you down professionally? Gossips about you with other coworkers? Makes you look bad by missing deadlines? Forms a

“pack” of mean girls to make your life miserable? Mean Girls at Work isn't just about surviving difficult situations. It's about transforming a toxic relationship into one that benefits and supports both of you. This book is also for women who engage in mean behavior . . . but don't know it. After all, who hasn't gossiped about a female coworker? Who hasn't rolled her eyes in the presence of a woman she doesn't like? Who hasn't scanned another woman head to toe—which is just a nonverbal way of saying, “You've just been judged”? The authors provide invaluable advice to the more subtle ways of being mean—even if they're not intended. With a workforce

composed of a higher percentage of women than ever, workplace dynamics have changed. Crowley and Elster cover every conceivable scenario, providing critical advice on how to rise above the fray and move forward professionally. *Mean Girls at Work* is your map to dodging the mines and moving forward in today's transformed workplace. Praise for *Mean Girls at Work* "An invaluable suit of armor for surviving nine to five!" —Leil Lowndes, bestselling author of *How to Talk to Anyone* "If you think the emotional cruelty of comedies like *Mean Girls* and *Heathers* doesn't exist in the real world workplace, think again. In *Mean Girls at Work*, Katherine

Crowley and Kathi Elster valuably chronicle female vs. female predators and offer solid defensive strategies." —Ann Kreamer, author of *It's Always Personal: Navigating Emotion in the New Workplace* "Whether you are in your twenties and just starting your professional career, your midcareer forties, when you are supposed to have figured it out already, or a woman in her fifties or sixties who's seen it all—this book is a must-read. . . . The authors have finally given women the tools and the sound advice necessary to deal with . . . conflicts that keep us all from succeeding. . . . Carry this book with you to work every day!" —Carolyn Cassin, President, Michigan

Women's Foundation
 "A must-read for women of all ages in today's workforce. This book offers what we all need to develop the capacities to endure this ever-changing workplace. We know it is all about relationships and you need the skills outlined in this book to survive and thrive when the Mean Girls attack."
